Don't these boys get it? How many times must they get into trouble before they catch on? Best friends William and Thomas are back at it again with even more action and adventure. The poor community of Itchygooney isn't safe when William has a plan. This time there's an attack drone, a ghostly rocking chair, a slam-dunking wizard, and a UFO. Will these boys ever be stopped? Let's hope not! Back 4 More is the fourth book in the ongoing I Told You So series of humorous stories shared in short standalone bursts. If they were any longer you couldn't handle it!

Auto Repair For Dummies, 2nd Edition (9781119543619) was previously published as Auto Repair For Dummies, 2nd Edition (9780764599026). While this version features a new Dummies cover and design, the content is the same as the prior release and should not be considered a new or updated product. The top-selling auto repair guide--400,000 copies sold--now extensively reorganized and updated Forty-eight percent of U.S. households perform at least some automobile maintenance on their own, with women now accounting for one third of this \$34 billion automotive do-it-yourself market. For new or would-be do-it-yourself mechanics, this illustrated how-to guide has long been a must and now it's even better. A complete reorganization now puts relevant repair and maintenance information directly after each automotive system overview, making it much easier to find hands-on fix-it instructions. Author Deanna Sclar has updated systems and repair information throughout, eliminating discussions of carburetors and adding coverage of hybrid and alternative fuel vehicles. She's also revised schedules for tune-ups and oil changes, included driving tips that can save on maintenance and repair costs, and added new advice on troubleshooting problems and determining when to call in a professional mechanic. For anyone who wants to save money on car repairs and maintenance, this book is the place to start. Deanna Sclar (Long Beach, CA), an acclaimed auto repair expert and consumer advocate, has contributed to the Los Angeles Times and has been interviewed on the Today show, NBC Nightly News, and other television programs.

Quick, healthy meals are the goal of this cookbook, which features two hundred low-fat recipes for appetizers, soups, main courses, and even dessert. 15,000 first printing.

When West Point Military Academy opens its doors to black candidate Milford Streeter in 1884, Cadet Buck Crenshaw's moral ambivalence is tested. Will Buck keep his place in the yearling pecking order or throw it away on a stand for Streeter? After Cadet Streeter sacrifices Buck's reputation to safeguard his own, Buck escapes to his sister Thankful at Fort Grant, Arizona and meets an old rival, William Weldon. Buck must make a decision about the sort of man he wants to become while witnessing the downward spiral of his favorite sister's romance with a dashing army lieutenant. *Weary of Running* is about the dangers of moral ambivalence and the redeeming power of love and friendship in an imperfect world of mixed emotions and foolish decisions.
