*The most comprehensive guide to property investment in Eastern Europe available. Whether you're buying a second home or looking to invest, the smart money is heading to Eastern Europe. Plan every aspect of your property investment with this expert guide that walks you step-by-step through the property market in 14 countries and helps you weigh up the rewards and the risks of choosing one location over another. Covering the purchasing procedures, legalities, taxes, economy, culture, lifestyle and business opportunities in each country, property expert Colin Barrow provides insider tips to help you make an informed choice and a wise investment. Colin Barrow has an extensive background in European property and works across a diverse range of related industries. He has researched most international property markets and has first hand experience of buying, building developing and selling over two hundred properties in overseas markets.*

"This trusted resource explores finance theory and its practical application in health care across a full range of facilities, from hospitals and home health agencies to skilled nursing facilities, surgical centers and private physician practices. The vast, complex nature of the U.S. health care system renders traditional approaches to finance insufficient. Importantly, Essentials of Health Care Finance couches its discussion of economics, accounting and financial topics firmly within the unique context of the health care industry. Relevant and readable, this Eighth Edition of Essentials of Health Care Finance is fully revised and updated with current, real-world examples of financial problems and solutions as well as the latest financial ratio standards. This new edition also introduces ICD-10 coding and offers comprehensive coverage of the impact of the Affordable Care Act in all relevant chapters."--

Offering consistent coverage of both substantive and procedural law, this fully revised edition of Slossberg's hands-on book features new cases, new case files, updated forms, and new material related to the recent real estate recession. Slossberg includes hypothetical and sample cases exploring a variety of scenarios that will help students understand real estate law and practice paralegal skills. Numerous checklists and worksheets used in today's law offices are included to help the reader prepare for a paralegal career. **Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.**

Providing a solid managerial perspective, PURCHASING AND SUPPLY CHAIN MANAGEMENT, 6e draws from the authors' firsthand experiences and relationships with executives and practitioners worldwide to present the most current and complete coverage of today's supply management process. The text includes critical developments from the field, such as cases from emerging healthcare and service industries, procure-to-pay redesign, supply risk, innovation, sustainability, collaboration, and much more. Students examine key changes in supply management and the impact of the global economy and ongoing business uncertainty on continuous cost and value management across the supply chain. Numerous real-world cases and captivating examples help students gain contextual insights and knowledge into the strategies, processes, and practices of supply management--giving these future managers a thorough understanding of the impact that purchasing and supply chain management have on the competitive success and profitability of today's organizations. **Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.**
