The fully updated and revised edition of Baby-led Weaning is a practical and authoritative guide to introducing solid food, enabling your child to grow up a happy and confident eater. It shows parents why baby-led weaning makes sense and gives them the confidence to trust their baby's natural skills and instincts. Filled with practical tips for getting started and the low-down on what to expect, Baby-led Weaning explodes the myth that babies need to be spoon-fed and shows why self-feeding from the start is the healthiest way for your child to develop. Your baby is allowed to decide how much they want to eat, how to eat it and to experiment with everything at their own pace. Baby-led weaning is a common-sense, safe, easy and enjoyable approach to feeding your baby. No more purées and weaning spoons, and no more mealtime battles. Simply let your baby feed himself healthy family food.

Super Heroes lead very exciting lives protecting innocent people from cunning villains. They also face many challenges as they try to live both their real life and the life of a Super Hero. But how did they get these super powers? These folks weren't always mighty crime fighters. The Origin Storybook tells the history of how these Marvel characters became famed Super Heroes. From the tale of a meek high school student who was bitten by a radioactive spider and his transformation into Spider-Man, to the childhood story of Charles Xavier who would later be known as Professor X and lead the powerful team of X-Men. With stories on the She-Hulk, Ant-Man, Iron Man and other beloved characters, the twenty-one stories in the collection will bring readers back to the beginning, while captivating them with incredible tales and exciting battles. These thrilling stories will make a new generation familiar with the origins of these classic characters. Both entertaining and educational, after reading the collection, you are sure to feel like a comic book expert.
