Bear Grylls is one of the world's most famous survivors. **Bear Grylls: Two All-Action Adventures** combines two of his greatest adventures told in *Facing Up* and *Facing the Frozen Ocean*. At the age of twenty-three, Bear Grylls became one of the youngest Britons to reach the summit of Mount Everest. At extreme altitude youth holds no advantage over experience, nevertheless, only two years after breaking his back in a freefall parachuting accident, he overcame severe weather conditions, fatigue and dehydration to stand on top of the world's highest mountain. *Facing Up* is the story of his adventure, his courage and humour, his friendship and faith. *Facing the Frozen Ocean* tells of a carefully calculated attempt to complete the first unassisted crossing of the frozen north Atlantic in an open rigid inflatable boat. But this expedition became a terrifying battle against extreme elements and icebergs as large as cathedrals. Starting from the remote north Canadian coastline, Bear Grylls and his crew crossed the infamous Labrador Sea, pushed on through ice-strewn waters to Greenland and then found themselves isolated in a perfect storm 400 miles from Iceland. This is a compelling, vivid and inspirational tale.

Jack is up for anything... as long as he doesn't have to get wet. No one knows about his fear of water, and he's determined to keep it a secret. They work together to build a bamboo raft, navigate the whitewater rapids and steer clear of hidden dangers... Can Jack rise to the challenge of being thrown in at the deep end? Will he sink or swim?

With Bear Grylls as her guide, together they must survive quicksand, dangerous tides and watch out for marine life under threat ... Will Chloe discover that in the wild, you need to respect nature or suffer the consequences?" -- Back cover.
