However, not getting involved turns out to be impossible when her enemy can turn every single underworlder against her. Staying on the sidelines has always been the way she survives, but now the Oncoming Storm might have to step out of the shadows and become something else. A leader. In this fight, the Oncoming Storm will have to draw on everything she has. Skills, wits, friends, and old contacts. And maybe a wicked knife or two. She is determined to win this battle by herself, but her enemy has the Underworld in an iron grip and breaking it on her own sounds more like a desperate dream.
