Exam Board: AQA Level: AS/A-level Subject: Business First Teaching: September 2015 First Exam: June 2016 Ian Marcousé has been trusted by Business students for over 15 years and his updated textbook has been fully revised to reflect the 2015 AQA Business specification, giving you up-to-date material that supports your teaching and student's learning. - Guides students through the content in an easy to understand way, with the new 'logic chain' feature at the start of every chapter showing them the progression clearly - Helps students apply their knowledge and analyse business data with real business examples throughout - Consolidates students' learning and prepares them for assessment with the workbook feature at the end of every chapter containing knowledge check and practice questions

AQA Business Studies is the only set of resources to have been developed with, and exclusively endorsed by, AQA, making them the first choice to support the new AQA specification for AS and A2. With a range of truly blended resources, AQA Business Studies offers complete coverage and support through a variety of printed and electronic media. By working closely with AQA, Nelson Thornes have produced resources that will give students and teachers all they need to work through the specification with complete confidence.

Student workbooks are a new type of resource that will support teaching and help your students' skills development. The workbooks supplement resources and other class materials, identifying key features of the main topics, filling gaps in the students' knowledge and helping them to revise effectively.

Essential Business Studies features a thematic approach with a vibrant and accessible format to fully engage students. Activities and guidance on exam preparation, summary mindmaps and up-to-date, dynamic case studies are just some of the features helping to deliver the key course content. Whiteboard and Teacher Support CD-ROMs also available.

Exam: June 2017 This textbook has been fully revised to reflect the 2015 AQA Business

specification, giving you up-to-date material that supports your teaching and student's

learning. - Builds up quantitative skills with 'Maths moment' features and assesses them

in the end of chapter activities - Ensures students have the knowledge of real life

businesses so they can apply their theoretical understanding with the 'Business in focus'

feature - Helps students get to grips with the content and tests key skills with

activities at the end of every chapter

Comprehensive, highly accessible and exam focused, this textbook is essential reading for

all AQA A2 business studies students. AQA A2 Business Studies provides detailed coverage

of the three A2 modules, supported throughout by over 50 data-response/case-study

questions, based on the format and timings of AQA papers, and a further 50 practice

exercises. The book is over 500 pages in length and extensively illustrated in full

colour throughout. It is designed to make the key concepts and topics of the

specification accessible to your students, and includes the following special features:

Key terms-- clear and concise definitions of business concepts and vocabulary Examiner's

voice-- invaluable advice to improve exam technique Did you know?-- helpful insights to

broaden knowledge of topic areas Factfile-- topical examples from the world of business

The practice exercises offer short-answer questions to assist and test learning and

comprehension. The data-response and case-study questions will help consolidate understanding and provide excellent exam preparation.

What does pleasure have to do with morality? What role, if any, should intuition have in the formation of moral theory? If something is 'simulated', can it be immoral? This accessible and wide-ranging textbook explores these questions and many more. Key ideas in the fields of normative ethics, metaethics and applied ethics are explained rigorously and systematically, with a vivid writing style that enlivens the topics with energy and wit. Individual theories are discussed in detail in the first part of the book, before these positions are applied to a wide range of contemporary situations including business ethics, sexual ethics, and the acceptability of eating animals. A wealth of real-life examples, set out with depth and care, illuminate the complexities of different ethical approaches while conveying their modern-day relevance. This concise and highly engaging resource is tailored to the Ethics components of AQA Philosophy and OCR Religious Studies, with a clear and practical layout that includes end-of-chapter summaries, key terms, and common mistakes to avoid. It should also be of practical use for those teaching Philosophy as part of the International Baccalaureate. Ethics for A-Level is of particular value to students and teachers, but Fisher and Dimmock's precise and scholarly approach will appeal to anyone seeking a rigorous and lively introduction to the challenging subject of ethics. Tailored to the Ethics components of AQA Philosophy and OCR Religious Studies.
