

Activity Bible Under 7's

This work features Bible stories, word searches, puzzles, prayers and activities. This action-packed book contains plenty to occupy, amuse and teach children under the age of seven years providing a structured approach to the Bible. Detailed colour pictures bring to life the stories of "Adam and Abraham," "David and Daniel," "Jacob and Jonah" as well as all of the major events of Jesus' life, death and resurrection. With 42 Bible stories "The Activity Bible" can easily be used as part of a Sunday School programme, working through the Bible in a year. Children under 7 will be kept busy for hours whilst absorbing the truths of the Bible, passed down from generation to generation. It is an ideal book for the child to work on alone or with adults. A similar "Activity Bible" is available for the over 7s.

Sometimes the Bible can be overwhelming for teens. Here, nine biblical experts and veteran ministers help ministers and teachers bring Catholic youth and The Catholic Youth Bible® together. They provide background on how Catholics approach the Scriptures, practical ideas for developing biblical literacy and biblical spirituality, directions for using the ancient Catholic practice of lectio divina with today's teens, and activities for using the Bible with junior high and senior high youth.

How old was Noah when the flood began? Who escaped Damascus in a basket? 100 Bible Quizzes Activity Book is packed with 100 Bible quizzes to help your children learn about the Bible in a fun and engaging way. An Innertextual Strategy

Bringing Catholic Youth and the Bible Together

This work examines the approach to time in ancient Hebrew literature, beginning with the Bible and concluding with the first century CE, the latest possible time frame for the Scrolls. The volume discusses issues of terminology, substance and ideology.

Equipping you to go deeper into God's Word, The Study Bible for Women is the most comprehensive study Bible ever prepared for women and by women. In this one-volume library of resources, authors trained in biblical studies and the original languages of Scripture provide an incomparable study experience to reveal the meaning, context and applications for the text of Scripture.

These ten Religious Education lessons cover the meaning of festivals and celebrations focusing on the events celebrated at Easter and Christmas. Children will explore what a festival is before learning about Shrove Tuesday, Ash Wednesday, Lent, Palm Sunday, Holy Week, Easter Sunday, Advent, the Christmas story, the gifts brought by the Wise Men and invisible gifts. Each lesson includes lesson objectives, a list of resources, an introduction, main lesson, practical activities, a plenary session, extension activities for cross curricular work and ICT opportunities which include web links and assessment.

The biblical manuscripts found at Qumran, contends Sidnie White Crawford, reflect a spectrum of text movement from authoritative scriptural traditions to completely new compositions. Treating six major groups of texts, she shows how differences in the texts result from a particular understanding of the work of the scribe -- not merely to copy but also to interpret, update, and make relevant the Scripture for the contemporary Jewish community of the time. This scribal practice led to texts that were "rewritten" or "reworked" and considered no less important or accurate than the originals. Propounding a new theory of how these texts cohere as a group, Crawford offers an original and provocative work for readers interested in the Second Temple period.

The CSB Giant Print Reference Bible features giant, easy-to-read 13.25-point type in a convenient trim size that is perfect for devotional reading, personal study, or use at church. The giant-print type also makes this Bible an ideal choice for ministry and preaching. Features include: Smyth-sewn binding, Presentation page, Two-column text, End-of-paragraph cross-references, Topical subheadings, Words of Christ in red, 13-point type, Concordance, Full-color maps, and more. The CSB Giant Print Reference Bible features the highly readable, highly reliable text of the Christian Standard Bible (CSB). The CSB stays as literal as possible to the Bible's original meaning without sacrificing clarity, making it easier to engage with Scripture's life-transforming message and to share it with others.

In The Westminster Theological Wordbook of the Bible an outstanding group of biblical scholars explain key theological and ethical words of the Bible (New Revised Standard Version). In its exploring groups of related words and drawing the reader into the meanings of the original Hebrew, Aramaic, and Greek, Gowan's Wordbook will prove immensely helpful in understanding important terms such as "Just," "Kingdom of God," "Resurrection," and "Son of Man."

In Reading and Re-reading Scripture at Qumran, Moshe J. Bernstein gathers over three decades worth of his essays on biblical interpretation in the Dead Sea Scrolls. They address the Genesis Apocryphon and 4Q252, as well various legal texts and pesharim. Young evangelicals in Britain often find themselves at odds with an increasingly secular society, and yet the tradition persists and in some places flourishes. Sociological studies into the faith of this demographic group are rare, yet there is much to be explored as to how their faith functions and how it compares to other groups globally. Similarly, given the privilege evangelicals afford the biblical text, how young believers engage with the ancient Scriptures they understand to be "the word of God" is particularly significant. This work addresses that core question. How do young evangelicals make sense of the Bible today? Based on qualitative data gathered from three diverse evangelical churches it compares the reading priorities, ordinary hermeneutics, and theological concerns of young adults. Presenting age-related focus groups with challenging biblical narratives, the study compares strategies for negotiating the texts based on age, gender, and churchmanship. It provides a unique insight into the realities of Bible reading and the faith of "Generation Y" and gives food for thought not only to those with scholarly interests, but also those with a pastoral concern to shape and sustain the Christian faith of young adults in Britain and beyond.

Idolatry in the Pentateuch

As more and more Christians are involved in teaching in their churches, there is a need for an accessible, engaging commentary that can enhance their understanding of Scripture and aid their teaching. The Baker Illustrated Bible Commentary is that resource. This nontechnical, section-by-section commentary on the whole Bible provides reliable and readable interpretations of the Scriptures from forty-two leading evangelical

scholars. The Baker Illustrated Bible Commentary is a complete revision of the well-known Baker Commentary on the Bible edited by Walter Elwell, now featuring new articles and vibrant full-color images on more than 1,800 pages, complete with photos, maps, and timelines to illustrate the text. This information-packed commentary helps readers gain a deeper understanding of the Bible. Beyond that, it includes practical applications for spiritual and personal guidance, making it invaluable to any believer seeking to get the most out of their Bible study. Pastors and others in teaching ministries looking for a one-volume, evangelical commentary on the Bible will value this resource.

Includes Bible stories, word searches, puzzles, prayers and activities. Suitable for children over the age of seven years, this work features detailed colour pictures that bring to life the stories of "Adam and Abraham," "David and Daniel," "Jacob and Jonah" as well as all of the major events of Jesus' life, death and resurrection.

Idolatry in the Pentateuch addresses both the manner in which the Pentateuch was produced and how theological intentions can be discerned from the texts that constitute it. McKenzie attempts to read the final shape of the Pentateuch while not ignoring the diachronic complexities within its pages. Using a compositional approach to the Pentateuch, he establishes his methodology, analyzes several idolatry-related texts, and traces the theological intentions through an inner-textual strategy. Moreover, McKenzie briefly considers the history of interpretation through the last few centuries and discusses the state of Old Testament studies as he understands it.

The reader will receive eight small introductory books in this one publication. Andrews' intention is to offer his reader several chapters on eight of the most critical subject areas of understanding and defending the Word of God. This will enable the reader to lay a solid foundation for which he can build throughout his Christian life. These eight sections with multiple chapters in each cover biblical interpretation, Bible translation philosophies, textual criticism, Bible difficulties, the Holy Spirit, Christian Apologetics, Christian Evangelism, and Christian Living.

The Bible Reading of Young Evangelicals

The Baker Illustrated Bible Commentary

What vision of biblical authority arises from Scripture's own use of Scripture? This question has received surprisingly little attention from theologians seeking to develop a comprehensive doctrine of Scripture. Today *When You Hear His Voice* by Gregory W. Lee fills this gap by listening carefully to the Epistle to the Hebrews. Lee illuminates the unique way that Hebrews appropriates Old Testament texts and considers the theological relationship between salvation history and scriptural interpretation. He illustrates these dynamics through extended treatments of Augustine and Calvin, whose contrasting perspectives on the covenants, Israel, and the literal and figural senses provide theological categories for appreciating how Hebrews innovatively presents Scripture as God's direct address in the contemporary moment. "Marvelous. . . This audacious book operates on many levels -- Lee's criticisms of Augustine will in themselves provoke fruitful debate -- but its most enduring contribution will surely be its eye-opening insistence that the church must relearn from Hebrews how to hear God's scriptural voice." -- Matthew Levering, Mundelein Seminary

When Katherine Bailey Babb discovered that her high school age Sunday School class wanted to study anything but the Bible, she realized just how ignorant they were of some of the basic background of the faith they professed. So Babb decided to create a curriculum for studying the Old Testament that would fill in the gaps in their knowledge while being fun and enjoyable. And it worked! Her field-tested approach will make the Hebrew Bible an exciting field of study for your youth.

A comprehensive verse-by-verse commentary for lay Bible students, fully highlighted by articles, maps, charts, and illustrations—all in one volume. Clear and Comprehensive: Annotations by leading evangelical scholars don't dodge tough issues; alternative views are presented fairly, but commentators make their positions clear. Attractively Designed: Graphics appeal to the sound-bite generation and others who aren't traditional commentary readers. Interesting and Revealing: Hundreds of feature articles that provide additional information or new perspectives on a topic related to Bible background. Visually Appealing: Maps, drawings, and photos illuminate the commentary and visualize important information.

The CSB Pastor's Bible contains key sermon outlines for special occasions along with other additional resources, which makes this Bible ideal for pastoral use during preaching or while officiating special services.

The Beginner's Bible Super Girls of the Bible Sticker and Activity Book

The Fifth Durham-Tübingen Research Symposium (Durham, September 2004)

Bible Activity Special: Early Church

Reading and Re-Reading Scripture at Qumran (2 vol. set)

YOUR GUIDE FOR DEFENDING THE BIBLE

The volume brings together essays that explore the topic of memory and remembrance in the ancient world, taking into account the Hebrew Bible (Deuteronomy, 1 and 2 Kings), ancient Judaism (1 and 2 Maccabees, Psalms of Solomon, Dead Sea Scrolls), the classical world, the New Testament (Jesus, Synoptic Gospels and Acts, Gospel of John, Pauline letters) and Early Christianity (Petrine tradition). The essays, which focus on a wide range of sources from antiquity, open up new questions about the social and religious function of memory. As a collection, they demonstrate how much social memory theory can contribute to the

understanding of the ways ancient texts were, on the one hand, shaped by conventions of memory and, on the other hand, participated in and contributed to evolving strategies for reading "the past."

CD-ROM contains: Introductions and verse-by-verse commentaries to Genesis and Mark's Gospel -- Logos Library System. Amazing women of the Bible come to life through age-appropriate puzzles, activity pages, and 50 reusable stickers in these friendly and fun sticker and activity book featuring The Beginner's Bible classic art and simply written content. This Activity Bible follows on from the bestselling Activity Bibles for under 7's and over 7's.

Bible stories have never been so fun and interactive. This activity book provides young children with mazes, connect-the-dots, word puzzles, matching games, and more, all using beloved characters and stories from The

Beginner s Bible."

"This splendid reference describes every woman in Jewish and Christian scripture . . . monumental" (Library Journal). In recent decades, many biblical scholars have studied the holy text with a new focus on gender. Women in Scripture is a groundbreaking work that provides Jews, Christians, or anyone fascinated by a body of literature that has exerted a singular influence on Western civilization a thorough look at every woman and group of women mentioned in the Bible, whether named or unnamed, well known or heretofore not known at all. They are remarkably varied—from prophets to prostitutes, military heroines to musicians, deacons to dancers, widows to wet nurses, rulers to slaves. There are familiar faces, such as Eve, Judith, and Mary, seen anew with the full benefit of the most up-to-date results of biblical scholarship. But the most innovative aspect of this book is the section devoted to the many females who in the scriptures do not even have names. Combining rigorous research with engaging prose, these articles on women in the Hebrew Bible, the Apocryphal/Deuterocanonical Books, and the New Testament will inform, delight, and challenge readers interested in the Bible, scholars and laypeople alike. Together, these collected histories create a volume that takes the study of women in the Bible to a new level.

Here is a story Bible that teaches the Word of God while engaging in fun and challenging activities! Each Bible story is accompanied by word searches, puzzles, crosswords, and other entertaining, age-appropriate games. Perfectly tailored to its audience, each edition offers playful color illustrations to help children visualize the narrative of God's love from the beginning with Adam and Eve to King David and on to the life, death, and resurrection of Jesus. Over fifty Bible stories with Bible references are included to help children grow in their faith.

The Westminster Theological Wordbook of the Bible

Witness Deposition Testimony

A crucial responsibility for Christian interpreters of Scripture, says Richard Bauckham, is to understand our contemporary context and to explore the Bible's relevance to it in ways that reflect serious critical engagement with that context. In this book Bauckham models how this task can be carried out. Bauckham calls for our reading of Scripture to lead us to greater engagement with critical issues in today's world, including globalization, environmental degradation, and widespread poverty. He works to bring biblical texts to bear on these contemporary realities through the Bible's metanarrative of God and the

world, according to which God's purpose takes effect in the blessing and salvation and fulfillment of the world as his cherished creation.

A standard reference work, providing concise descriptions of biblical characters, terms, and places, as well as pertinent illustrations and charts

This new edition of the Oxford Bible Atlas, now with full-colour maps and illustrations, has been thoroughly revised to bring it up to date with regard both to biblical scholarship and to archaeology and topography. The Atlas will help readers of the Bible understand the contexts in which its stories are set and to appreciate the world from which it emerged and which formed its background. Maps show the geographical setting of the Bible's stories and reflect the successive stages of the Bible's accounts, while specially chosen full-colour illustrations bring the countries and their peoples to life. The accompanying text describes the land of Palestine, and its wider ancient Near Eastern and east Mediterranean settings. It outlines clearly the successive historical periods, and describes the major civilizations with which Israelites, Jews, and early Christians came into contact. There is also an illustrated survey of the relevance of archaeology for the study of the Bible. The Atlas provides a superb guide to the geography of the Holy Land throughout biblical history, from the Exodus period through to New Testament times.
