Penn State Alumni Directory

The Olympic runner, actress, filmmaker and writer Alexi Pappas shares what she's learned about confidence, self-reliance, mental health, embracing pain, and achieving your dreams. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY REAL SIMPLE • "Heartbreaking and hilarious."—Mindy Kaling • "A beautiful read."—Ruth Reichl • "Essential guidance to anyone dreaming big dreams."—Shalane Flanagan • "I couldn't put it down."—Adam Grant run like a bravey sleep like a baby dream like a crazy replace can't with maybe When "Renaissance runner" (New York Times) Alexi Pappas—Olympic athlete, actress, filmmaker, and writer—was four years old, her mother died by suicide, drastically altering the course of Pappas's life and setting her on a search for female role models. When her father signed his bereaved daughter up for sports teams as a way to keep her busy, female athletes became the first women Pappas looked up to, and her Olympic dream was born. At the same time, Pappas had big creative dreams, too: She wanted to make movies, write, and act. Despite setbacks and hardships, Pappas refused to pick just one lane. She put in a tremendous amount of hard work and wouldn't let anything stand in her way until she achieved all of her dreams, however unrelated they may seem to outsiders. In a single year, 2016, she made her Olympic debut as a distance runner and wrote, directed, and starred in her first feature film. But great highs are often accompanied by deep lows; with joy comes sorrow. In Bravey, Pappas fearlessly and honestly shares her battle with post-Olympic depression and describes how she emerged on the other side as a thriving and self-actualized woman. Unflinching, exuberant, and always entertaining, Bravey showcases Pappas's signature, charming voice as she reflects upon the touchstone moments in her life and the lessons that have powered her career as both an athlete and an artist—foremost among them, how to be brave. Pappas's experiences reveal how we can all overcome hardship, befriend pain, celebrate victory, relish the loyalty found in teammates, and claim joy. In short: how every one of us can become a bravey.

Alexa: 933 Funniest Things to Ask Alexa

Published to coincide with the 50th anniversary of its initial publication, this special edition of Jane Jacobs's masterpiece, *The Death and Life of Great American Cities*, features a new Introduction by Jason Epstein, the book's original editor, who provides an intimate perspective on Jacobs herself and unique insights into the creation and lasting influence of this classic. *The Death and Life of Great American Cities* was described by *The New York Times* as "perhaps the most influential single work in the history of town planning. . . . [It] can also be seen in a much larger context. It is first of all a work of literature; the descriptions of street life as a kind of ballet and the biting satiric account of traditional planning theory can still be read for pleasure even by those who long ago absorbed and appropriated the book's arguments." Jane Jacobs, an editor and writer on architecture in New York City in the early sixties, argued that urban diversity and vitality were being destroyed by powerful architects and city planners. Rigorous, sane, and delightfully epigrammatic, Jane Jacobs's tour de force is a blueprint for the humanistic management of cities. It remains sensible, knowledgeable, readable, and indispensable.

*The Death and Life of Great American Cities*
