Children will get to know phonics and learn to connect letter sounds with objects: K is for Kite, for example. Alphabet Flash Cards help teach ABCs and letter-picture associations to build essential pre-reading skills as part of the preschool curriculum. FLASHCARDS - flashcard use is one of the most effective learning techniques available. Because games feel more like play than work, they can encourage kids to explore and experiment with concepts more freely and can reduce the stress of viewing schoolwork as nothing more than problems. Learning skills through gameplay is an excellent strategy for many reasons. They are fun and motivating, and games also tend to help students deepen their understanding and reasoning. Practice testing is also highly likely to boost retention.
