"The volume thoroughly examines the origins and principal types of Buddhist architecture in Asia primarily between the third century BCE-twelfth century CE with an emphasis on India. It aims to construct shared architectural traits and patterns alongwith the derivative relationships between Indian and Asian Buddhist monuments. It also discusses the historical antecedents in the Indus Civilization and the

religious and philosophical foundations of the three schools of Buddhism and its founder, Buddha. Previously obscure topics such as Aniconic and Vajrayana (Tantric) architecture and the four holiest sites of Buddhism will also be covered in this comprehensive volume. The author further investigates the influences of Buddhist architecture upon Islamic, Christian, and Hindu architecture that have been overlooked by past scholars."

From award-winning actress Bailee Madison and Reader's Choice Award Finalist Stefne Miller, comes *Losing Brave*. More than a year has passed since seventeen-year-old Payton Brave's twin sister went missing; and Payton, in her desperate attempt to hold on to what's left of Dylan's memory, is starting to crack. Lost in the mystery and turmoil of her

sister's disappearance, Payton must overcome the aftermath of being the one left behind. She's unable to remember even the smallest piece of what happened the day Dylan vanished. When sudden and reckless outbursts throw her from the graces of popularity to the outskirts of high school society, her new status attracts a crowd of friends she never anticipated—including a troubling romance with her sister's boyfriend, Cole. New clues unearth about the circumstances of her disappearance when another missing girl's body is recovered from a nearby lake, the victim's features eerily similar to Dylan's. The more Payton pries open the clenches of her blocked memories, yielding to her need to know what happened, the further down the path of danger she goes. The darkness around her sister's disappearance grows and the

truth becomes more and more unbearable. And what she finds might just cost her her life.

Tells the story of the creation of Disneyland and the little man who lives there. Boys and girls will love joining Mickey Mouse and Donald Duck as they meet little Patrick Begorra.

The Tamer Tamed is the subtitle or alternative title to John Fletcher's *The Woman's Prize*, a comedic sequel and reply to *The Taming of the Shrew*. The plot switches the gender roles of Shakespeare's play: the women seek to tame the men. Katherine (the "shrew" of the original) has died, and Petruchio takes a second wife, Maria. Maria denounces her former mildness and vows not to sleep with Petruchio until she "turn him and bend him as [she] list, and mold him into a babe again." After many comedic exchanges and plot twists,

Petruchio is finally "tamed" in the eyes of Maria, and the play ends with the two reconciled. The play is seen to reflect how society's views of women, femininity, and "domestic propriety" were beginning to change. It is said that Fletcher wrote this play to attract Shakespeare's attention - the two went on to collaborate on at least three plays together. This brand new New Mermaid edition offers unique and fresh insight into the critical interpretation of the play. It builds on current critical foundations (the relationship with Taming of the Shrew, gender relations etc) and suggests different areas of interest (popular associations of the shrew, the question of reputation, and a re-examination of the play's structure). as well as examining stage history and recent productions.

EMBRACE THE TWILIGHT 2

In the distant past, a prophetess named Sarafina was sentenced to the lonely fate of becoming a vampire. While she was still human, she would sometimes be visited by her "guardian spirit"—a man named Will, with whom she fell in love. On one of his last visits, he told the now-ageless prophetess, "I'm from the future. Trust me...and wait for me." So Sarafina waited until the day when she finally found

him... Colonel Will Stone, an American war hero who'd just returned home. Sarafina should be thrilled to reunite with him, but deep in her heart she's already made other plans, convinced that he could never truly love her.

Find the bay of hope . . . Right next to the ocean of grief is the bay of hope. It's made of billions of sand particles, each one insignificant on its own, but together a force to reckon with. The ocean continues to try to swallow the bay and the golden sand smiles, washed by the glistening tears. As an oncologist, it's difficult to come home and have a normal moment or sleep without being awakened by a wet pillow, unsure if the tears were mine or those of a patient's. I have understood in this extraordinary universe, I am but a mere speck, as small

and inconsequential as the sand particle on the beach. But with the bond that I have built with my patients, I am resolute as indomitable as any avenger of cancer. These survivors have taught me more than what medicine has. These are not 100 stories. This is the future of our battle against cancer. These are the footsteps these survivors have taken, from tears to smiles. *I Am a Survivor* exemplifies the cancer survivors of all human race, their journey and their demonstration of flawless endurance. It uncovers stories of several extraordinary cancer survivors who live their lives with the same intensity as others. This book is an attempt to honour what they stand for, and offers their tale as an example for those walking the same path.

The news is filled with stories of violence, division, and despair. American politics have become polarized. Effective leadership is in short supply. Change may seem outside our reach. And Christians struggle to understand their role in reversing the downward spiral of our nation. Dr. Tony Evans offers a healthy dose of hope: the solution to our nation's problems and unrest isn't out of reach. The solution is here—and each one of us as Kingdom Citizens has a vital role to play. Be assured that our God is greater than any challenge—and He has promised to equip His people. In Kingdom Citizen, you'll discover how to respond in faith, in spite of a country and culture in decline. Here is a powerful call to action for concerned Christians. Here is a call for un

Redefining the way we view business success, Pamela Laird demolishes the popular American self-made story as she exposes the social dynamics that navigate some people toward opportunity and steer others away. Who gets invited into the networks of business opportunity? What does an unacceptable candidate lack? The answer is social capital--all those social assets that attract respect, generate confidence, evoke affection, and invite loyalty. In

retelling success stories from Benjamin Franklin to Andrew Carnegie to Bill Gates, Laird goes beyond personality, upbringing, and social skills to reveal the critical common key--access to circles that control and distribute opportunity and information. She explains how civil rights activism and feminism in the 1960s and 1970s helped demonstrate that personnel practices violated principles of equal opportunity. She evaluates what social privilege actually contributes to business success, and analyzes the balance between individual characteristics--effort, innovation, talent--and social factors such as race,

gender, class, and connections. In contrasting how Americans have prospered--or not--with how we have talked about prospering, Laird offers rich insights into how business really operates and where its workings fit within American culture. From new perspectives on entrepreneurial achievement to the role of affirmative action and the operation of modern corporate personnel systems, Pull shows that business is a profoundly social process, and that no one can succeed alone.

When composer A.R. Rahman's first film Roja was released in 1992, his astonishing music with its other-worldly melodies, tonal texture, pulsating rhythms made an instant impact in India. His abundantly flowing talent has given life to the scores of over a hundred films, including Dil Se, Bombay, Lagaan, Warriors of Heaven and Earth, 127 Hours and Jodhaa Akbar. According to a recent estimate by the BBC, 150 million copies of his albums have sold worldwide. A.R. Rahman has won a host of awards, together with a Golden Globe, a Bafta, two Oscars and two Grammys for his score in Slumdog Millionaire. In 2010, he received the Padma Bhushan, the third highest civilian honour, awarded by the Government of India. Despite all his great success, Rahman
