

## Any Old Iron: A Gripping Post War Saga Of Family, Love And Friendship

*Truth can only be told with fiction. An up-and-coming rock star disappears from the stage in a flash of blinding white light, just in time to dodge a madman's bullet. Investigators soon discover the singer believed he was an alien abductee and was being closely monitored for signs of latent psychic abilities by various government agencies. The search ultimately leads to a cascading series of shocking revelations about human experimentation, high-tech surveillance and occult practices, proving just how deep the rabbit hole really goes. Five years in the making, He Will Live Up in the Sky is the first novel by Eagle Award-winning author Christopher Loring Knowles (Our Gods Wear Spandex). A galloping thrill-ride, He Will Live Up in the Sky is filled with memorable characters, gallows humor, sexual tension and searing drama, not to mention a rocket-fueled series of twists and turns from start to finish. The culmination of years of research and experience, He Will Live Up in the Sky is a work of "nonfiction fiction." It guides the reader on a breathless primer through the very real spiderweb of intelligence agencies, organized crime, high technology and secret sects weaving in and out of nearly every aspect of our lives today. "Christopher Knowles' debut novel can easily be called a "page-turner" More than an engaging thriller, the book is an original and penetrating narrative about renegade intelligence organizations, the sadistic music industry, and the incubators of today's rampant conspiracy culture. Add a plot radiating with PKDian speculations and a space oddity ambiance, what you get is a story that will stay with you for a long time. You may never look at this country the same way again." Miguel Conner, author of Voices of Gnosticism & the Dark Instinct series "In his gripping debut novel, Knowles offers readers an intensely readable and detailed story of a troubled and haunted Grunge-era rock singer whose puzzling disappearance takes the reader along the ancient and sinister backroads of Knowles' native New England and into the black heart of a diabolical conspiracy that involves government mind control programs, UFOs and alien abduction, strange deaths and disappearances and military-industrial-complex-approved cult activity that will chill you to the bone. I could not put it down!" Andrew W. Griffin, author of Rock Catapult & Dust Devil Dreams "Knowles uncannily synthesizes true events, persistent rumors, and the utterly fantastical into a Lynchian story where fact, fiction, the objectively real, and the imaginal become impossible to differentiate. There is something for every armchair anomalist, and few bits of esoterica go unremarked upon in the broad mythology Knowles weaves into the narrative. True aficionados of unexplained phenomena - with all their frustrations, dead ends, bizarre synchronicities and synchronistic hints - may well find He Will Live Up in the Sky the masterwork they have been searching for." Joshua Cutchin, author of Thieves in the Night & A Trojan Feast "A fast-paced, intriguing paranormal thriller, which slowly reveals its juicy bits at the right time like a classy burlesque act. Yet the thing which will probably amaze readers the most after devouring this absolute page-turner is discovering that the most outlandish parts in this 'fiction novel' happened to be true." Miguel Romero, The Daily Grail*

*It's Sharon McCone's first case as staff investigator for All Souls Legal Cooperative. She knows nothing about antiques, yet she has an affection for Salem Street with its charming mix of antique and curio shops. Now elderly dealer Joan Albritton has been found dead, stabbed with an antique dagger. Her neighbors are shocked. Recurring vandalism has them frightened. Ferreting out the facts will take Sharon from the chaotic jumble of the junk dealer's establishment to a museum where San Francisco's most elegant socialites gather.*

*Silk and Potatoes*

*Any Old Iron*

This study constitutes the first to analyse the remarkable surge in popularity of Arthurian literature and art in the modern period from a broad range of instances of cultural production. More novels with Arthurian themes have been published since the war than in any previous period, and Silk and Potatoes provides detailed readings of some of the most famous, including works by Marion Zimmer Bradley, Anthony Burgess, C.J. Cherryh, Guy Gavriel Kay, Mary Stewart, Jack Vance and T.H. White. In addition to examining Arthurian fiction (with chapters on the general novel, Historical fiction and Science Fiction), this study examines the key cinematic examples of Arthuriana (Boorman's Excalibur, Bresson's Lancelot du Lac, Rohmer's Perceval Le Gallois and Monty Python and the Holy Grail). A further chapter goes on to look at the myriad other forms of cultural production based on Arthurian themes; from Bugs Bunny to Pop Music, from the Camelot of JFK to the British National Lottery. This is a study that touches on many aspects of Arthuriana whilst developing two connected arguments about (on the one hand) the necessary anachronism of any modern Arthurian Literature, and (on the other) the aesthetic-political implications of this literature's success. The whole, whilst rooted in the scholarly debates on the enduring appeal of King Arthur, is written in an accessible and entertaining style. It will be of interest to students and teachers of Arthurian literature, film and popular culture.

Quest for the Divine Calling

**Santosh travels alone from Mumbai, where he lives with his mother, to Kolkata, on holiday. But he has secret plans to look for his father whom he barely remembers. The train ride brings him into contact with people quite outside his sheltered world – an eventful prelude to another, deeper, journey. With a refreshingly light and honest touch, Just a Train Ride Away explores the emotional dilemma of young boy who craves the space for both parents in his life and faces the bitter-sweet reality of estrangement and belonging. A short, quick-read, coming of age novel.**

**Zayashariya abandons her birthright and escapes the planet Night on a spaceship destined for freedom. Once she flees, she unexpectedly arrives in the town of Wilzasp where she is blamed for the sudden rising death rate. The panic-stricken people seek to destroy her and she finds herself betwixt blood craving natives and demons chasing her through the realms. In the meantime, she is entangled within a concupiscent relationship with a prominent member of Wilzasp society and her love affair causes her to ponder the questions: Can someone truly change their nature? The First Chronicle of Zayashariya: OUT**

**OF NIGHT** is a story of magic, mayhem, and struggle with self. "Out of Night" provides a spiritual twist that unites fantasy and science fiction with the battle with faith and the numinous world.

He Will Live Up in the Sky

Five student civil engineers, including author Roy Dainty, find themselves caught up in a series of outrageous capers. No students have ever been more challenged by events than these featured in 'S\*\*T'. They fall in it, get covered in it, and cause it. Events kick off with Roy breaking into the sewers of Southampton before all five return to university in London, only to be sent off to geology and surveying field courses in Swaledale and Folkestone where havoc reigns. Trying to make love on a collapsible campbed, being attacked by bullocks, becoming lost in a snowstorm, taking on the army, peeing off a church tower - oops the gravedigger is passing beneath - and driving into a water meadow; these are some of the less chaotic events. 'S\*\*T' is a true autobiographical story, though you won't believe it, that captures the hilarious events of early 1973. Drunkenness and debauchery, danger and dalliance. 'S\*\*T' includes it all. Only forty years on is it safe to tell these truths about life as student civil engineers.

Any Old Iron

Kelly McCallan has more than her fair share of worries. Her mother is dying and needs constant care; her father has returned to Leicester from the Second World War but is an emotional wreck; and her brother Mickey has turned to a life of crime that is putting the whole family at risk. Kelly's boyfriend Rodney and his sister Glenda know that she's scared of what Micky might do next. But they turn a blind eye to her fears - with disastrous consequences for them all. When Kelly has lost everything she holds dear, she and Glenda pick up the pieces and start again. And one man in particular, Alec Alderman, is there when she needs him most. But Alec has problems of his own...

Popular Science gives our readers the information and tools to improve their technology and their world. The core belief that Popular Science and our readers share: The future is going to be better, and science and technology are the driving forces that will help make it better.

For one young woman, life has been far from easy. But the biggest threat to her future happiness will be her own flesh and blood... In Lynda Page's Any Old Iron, a young woman's devotion to her family can't prevent the heartache and tragedy that is in store for them all. Perfect for fans of Cathy Sharp and Katie Flynn. Kelly McCallan has more than her fair share of worries. Her mother is dying and needs constant care; her father has returned to Leicester from the Second World War but is an emotional wreck; and her brother Mickey has turned to a life of crime that is putting the whole family at risk. Kelly's boyfriend Rodney and his sister Glenda know that she's scared of what Micky might do next. But they turn a blind eye to her fears - with disastrous consequences for them all. When Kelly has lost everything she holds dear, she and Glenda pick up the pieces and start again. And one man in particular, Alec Alderman, is there when she needs him most. But Alec has problems of his own... What readers are saying about Any Old Iron: 'My friend recommended Lynda Page to me and the best thing I ever did was take her advice. A wonderful book from start to finish. I was completely absorbed by the characters and the plot and wanted it never to finish. In this genre, Lynda Page must rate as one of the best' 'I so enjoyed this book - I did not want it to end'

A potent ritual in a forbidding forest shakes the peace around the village of Vamsa. When Ranga's world falls apart, he has no choice but to follow the last instruction given by his father. He finds himself heading into the mysterious world of spiritualism when he goes to Vamsa. With uncertainty looming around him, Ranga learns that the future is tough and beyond his understanding and yet there is a strong desire to go through with it in a hope to see his family again. With love blooming on one side and spiritual adventure on the other, he descends into Tantrik faith weaving his way through unbelievable experiences that leave him wondering what does he want most - his spiritual path or his lady love?

Gorilla GRIP - - TIPS!

Cases Decided in the Court of Session, Court of Justiciary, and House of Lords

Gorilla Grip - The Compilation

The First Chronicle of Zayashariya

Out of Night

Way, way back in the day - when yours truly was 17 years of age - he fell out of a running bus on his right wrist, and pretty

much made a royal MESS of the wrist – a decidedly “non Gorilla grip” wrist at that point I’d say. Though the wrist didn’t hurt that bad at the time, and though I was going to treat it at home myself, I could barely move it in a clockwise and other manner – and long story short, I ended up going to a doctor who put it in a cast. Probably the right thing to do, and ’twas my right wrist – which has always been a weak suit for me. A few weeks later, I remember having to go an examination in another town, and my father was the one that took me there. We had to stay in a hotel on the way, and all of a sudden, we met up with this one guy – – this guy about 6’2? in height, and a tennis player at that. And as we shook hands, I made it very clear that I had an injured right wrist – but he seemed not to listen, and he gripped my hand with his own “vice” like grip (tennis players have great grips!) – and the pain I felt was beyond comparison. But the worst part wasn’t that – the worst part was the look in the eye – a look that he gave me unknowingly – a look that spoke volumes. A look of “you’re a weakling” – something I’d heard ad infinitum growing up. Something that I’m sure would resonate with the great Charles Atlas if he was alive today. You’ve heard of Atlas, I’m sure? The guy who used to routinely get sand kicked in his face at the beach – who was to become one of the VERY BEST proportioned men in the entire world down the line. It was at that point (and perhaps also when the doctor who strapped my wrist gave me a “sorry” sort of look which spoke volumes as well) that I decided I’d get the STRONGEST grip I could get. That I’d work my grip with a passion – and today, bonafide gym MONSTERS and “gorillas” in their own right shy away from shaking hands with me – and not because I intentionally try and crush hands either! As Vincent, a wrecking machine of a man if there ever was a one, a 6’1? mountain of pure muscle and an ex Marine noted last year – I’ve never met anyone that gripped my hand naturally with a kung fu like grip like you do! And so, is it any wonder that despite not a lot of promos – the two Gorilla Grip courses are the ones that sell the very best for me? Is it any wonder that I constantly get remarks about my grip – and how strong it is – and other related comments? Now note this. If I had told folks of my goals back then at that point – they’d have literally LAUGHED in my face. I’d have got sand kicked in my face – figuratively speaking – and then some ... And NOW? Well, now it’s the exact opposite – and this truly IS a case of what Napoleon Hill famously once said i.e. Tell the world what you’re going to do – but SHOW ’em first! What you’ll get from this compilation - - The path breaking “Gorilla Grip” book – – as well as its successor “Gorilla Grip – Advanced” – unparalleled value as it were, and I’m not done yet with the “value” part of it. The info I’m putting out in both these courses will give you benefits and gains far, far superior to what the average trainee in the gym doing sets of “reverse curls” or “wrist rollers” can ever hope to accomplish. Two books with information gathered from having literally “been in the trenches from day one” in terms of physical exercises and REAL WORLD training – and if you don’t believe me, just read what Vincent, a mountain of a man and a good friend that has spent over 25 years in the U.S. Marines had to say in “Gorilla Grip”. It’s raw, uncensored and STRAIGHT from the horse’s mouth! Learn the RIGHT way to grip – and techniques that’ll cause your gripping strength to explode almost instantly once you apply what is being taught! Learn how to build Upper body strength that is OFF the CHARTS with the exercises mentioned herein. And much, much more. Dive in - NOW!

Jack Bryce is an ordinary man, with no experience of criminals. No longer in the army, he is having problems securing employment. Visiting a lawyer, it looks as if he will be rejected yet again. But his luck changes. His new career as a detective creates a compelling tale of adventure.

"Beowulf" is to English what the "Odyssey" and "Iliad" are to Greek literature the oldest example of vernacular literature any substance not only in England but in the whole of western Europe. Since its rediscovery and the appearance of first printed editions in the middle of the last century, this moving and dramatic epic has attracted considerable scholarly attention, and Dr Swanton is able to draw on this wealth of scholarship to present a considered and balanced introduction to the poem. Explanatory notes, drawing on archaeological sources, expand the poet's more esoteric allusions and provide background information on contemporary manners and customs. A prose translation faces the text, which should be invaluable to both students and the general reader.

A gripping post-war saga of family, love and friendship

Engineering

My world famous Gorilla Grip has been doing the rounds for a while now – as has Gorilla Grip (Advanced) – – as well as a compilation I put out. Combined with 0 Excuses Fitness, these books have literally REVOLUTIONIZED the world of fitness – and building supreme levels of health, fitness, STRENGTH and vitality as we know it. And it should come as no secret that these projects are amongst my pet favorites as well. The 0 Excuses faithful KNOW that grip training – and building that "unnatural grip" – – that "kungfu like grip" is one of my hobbies, so to speak – – and hence the grip manuals. And now, I've gone one step FURTHER, my friend. I've put together my overall training knowledge into a 100 PLUS page course – 25 motivational and down to earth workout tips primarily aimed at improving your GRIP – and upper body strength – –but the icing on the cake is this – – you CAN apply these tips to ALL your workouts in general, even if those are WEIGHTLIFTING workouts! What you can expect to get from this course •25 tips that you can apply to not only your GRIP workouts – but also ANY other workout you so choose – including

weight lifting. Its the principles that count, my friend, and these are EVERGREEN, TIMELESS principles that will hold you in good stead no matter what type of workout you engage in. •How you can get a killer workout with NO special equipment whatsoever - not even your own body, if you choose not to do bodyweight exercises (I ain't kidding there!) •One of the tips will cover an exercise the ancient Spartan warriors did before BATTLE - an exercise that by ITSELF is worth the ENTIRE price of admission for this course, and then some! And believe me, this exercise is so simple that it will blow your SOCKS off when you learn about it. You'll literally be staring goggle eyed at the screen and going "heck, I never did think about THAT!" •Grip combo workouts that will burn fat at record speeds as well as build grip strength and muscle throughout the entire core and upper body - not to mention LEGS as well. •You'll learn about an exercise that is possibly the BEST grip exercise out there - - and its so simple it'll have you scratching your head (again) wondering why "I didn't think of this before"! •You'll learn how legendary wrestler Dan "The Man" Hodge got to the point where he crushes apples for "fun" - - at the ripe "young" age of 80. Again, THAT one tip is probably worth the entire price of admission for the course, even if I say so myself! •For those of you that just "have" to lift weights - - well, do so. Something is better than nothing, and I'll tell you the RIGHT way to lift weights to develop that bone crushing grip you're after. •How to build yourself up to the point that people literally "shy away" from shaking hands with you- - and this is being said in a good way, hehe. •Ruggedly strong HANDS - and vascularity that you've always wanted - and the sort of workouts that will GET you there. And much, much more. Jump on this NOW, my friend - the price isn't going to remain at what it is now forever!! Best, Rahul Mookerjee

';.... Graham's words bring home the passion that is in a true WestHam supporter ... It is a well known fact that West Ham supporters are amongst the most passionate, loyal, knowledgeable and understanding fans.'ALAN DEVONSHIRE AND TONY GALE (WEST HAM UNITED)';... this book is a must for any true West Ham Fan.'LEN HERBERT-SECRETARY OF THE BOYS OF '86';... I really enjoyed this book. It is written by a consummate Hammers Fan whose love for his team comes across clearly.'WOLFMANMAC';... A real ripping yarn of amazing facts and data from yesteryear. If you like soccer you'll love this book, regardless as to whether or not you are a West Ham Supporter.'HISSING SID';A real trip down memory lane, a very entertaining and informative read from a most knowledgeable author. There are a number of games Graham attended that I was at, it was like turning the clock back, even the defeats (and there were a few) brought a smile.'MARTIN DAVIS (STOKE)';... written straight from the heart ...'PAUL W';... Charming, but more importantly a most honest, humorous, detailed, informative and factual read Well Done!'MARTYN NEWBOLD (BELVEDERE)';... an excellent read; it made me feel like I was there...'
