The Shades of Gray series follows the adventures of Kat and Kim. Start by reading the first book of this serial series and be introduced to this world of danger and mystery. When you are done also enjoy the next story for FREE.
Noir was a mega-city plagued by a sun blocking mass called Dry Clouds that had mysteriously appeared three decades earlier. The Dry Clouds covered half the planet and forced those living under them to exist in endless night. On this world, corporations were in charge and breaking your contract with them could mean the termination of your life. Kimberly Griffin, a Life Closer (legal assassin) existed in a world of death. She Closed people for a living. It was a lonely demeaning existence, though she wouldn't admit it. There was nothing to drive her in the bleak reality until one day she ran into Kat. Kat, also known as the Pandora Project, was hunted by bio-mechas called Un-Men. She was an experiment of the Sphinx Corporation, and they were testing her to see if she could be the ultimate weapon. Kat refused to be a killer and tried to discover the truth behind her existence. Could she be a new form of bio-mecha? Kim discovered someone close to her had been murdered. Is Kat the key to finding out who did it? Or will her association with Kat only cause her more grief? Pandora of ancient times opened a box and let all good escape. Would Pandora be the hope the planet needed? Or would she destroy the world?

Breaking bones, burying bodies and planting bombs became second nature to Two Tonys while working for the Bonanno Crime Family, whose exploits inspired The Godfather. After a dispute with an outlaw motorcycle club, Two Tonys left a trail of corpses from Arizona to Alaska. On the run, he was pursued by bikers and a neo-Nazi gang blood-thirsty for revenge, while a homicide detective launched a nationwide manhunt. As the mist from his smoking gun fades, readers are left with an unexpected portrait of a stoic philosopher with a wealth of charm, a glorious turn of phrase and a fanatical devotion to his daughter.

Gamer. Nerd. Sorceress. Jade Crow lives a quiet life running her comic book and game store in Wylde, Idaho. After twenty-five years fleeing from a powerful sorcerer who wants to eat her heart and take her powers, quiet suits her just fine. Surrounded by friends who are even less human than she is, Jade figures she's finally safe. As long as she doesn't use her magic. When dark powers threaten her friends' lives, a sexy shape-shifter enforcer shows up. He's the shifter world's judge, jury, and executioner rolled into one, and he thinks Jade is to blame. To clear her name, save her friends, and stop the villain, she'll have to use her wits... and her sorceress powers. Except Jade knows that as soon as she does, a far deadlier nemesis awaits. Justice Calling is the first book in the Twenty-Sided Sorceress urban fantasy series. In the year 2035, robots, artificial intelligences, and neural implants have become commonplace. The Institute for Ethics keeps the peace, using social reputation to ensure that robots and humans don't harm society or each other. But a powerful AI named Adam has found a way around the restrictions. Catherine Matthews, nineteen years old, has a unique gift: the ability to manipulate the net with her neural implant. Yanked out of her perfectly ordinary life, Catherine becomes the last firewall standing between Adam and his quest for world domination. PRAISE FOR THE LAST FIREWALL “Awesome near-term science fiction.” - Brad Feld, Foundry Group managing director “An insightful and adrenaline-inducing tale of what humanity could become and the machines we could spawn.” - Ben Huh, CEO of Cheezburger “A fun read and tantalizing study of the future of technology: both inviting and alarming.” - Harper Reed, former CTO of Obama for America, Threadless “A fascinating and prescient take on what the world will look like once computers become smarter than people. Highly recommended." - Mat Ellis, Founder & CEO Cloudability “A phenomenal ride through a post-scarcity world where humans are caught between rogue AIs. If you like having your mind blown, read this book!” - Gene Kim, author of The Phoenix Project: A Novel About IT, DevOps, and Helping Your Business Win

Novella about 35,100 words In book six, Jane must deal with the unforeseen aftereffects of Sun Beast's interruption to breaking the curse on the castle's servants and guards. Hass and Neid move forward with their wicked plans.

Dawn is the goddess of birth and rebirth. While her appearance depends on who is viewing her, she is generally depicted as a young, red-haired woman with three "tears" running from her left eye (and one "tear" running from her right eye, on the few occasions that it has been shown). During the witch hunt, witches were discovered to only cry from their left eyes. Dawn is the guardian of all the witches on Earth, the goddess they pray to... Gaia, Aurora, Mother Earth.

#9 Shades of Gray: Rise Of The Gorgons

"Love the writing, characters and story." --Kevin Anderson, author of the Dune novels about the Icefire story on which this fantasy series is based. Deep under the City of Glass in the frozen southern land, an age-old machine called the Heart of the City radiates a power which locals call icefire. Most citizens are immune to it, but a few, always born with physical disabilities, can bend it to their will. For fifty years, the ruling Eagle Knights, who fly on the back of giant birds, have killed these Imperfects, fearing the return of the old royal family, who used icefire to cut out people's hearts, turning them into ghostly servitors. The old king's grandson Tandor only sees the good things icefire brought: power and technology now forgotten while the people of the south live in dire poverty. He's had enough of seeing his fellow kinsfolk slaughtered by ignorant Knights, of Imperfect babies being abandoned on the ice floes to be eaten by wild animals. His grandfather's diary tells him how to increase the beat of the Heart the first step to making the land glorious once more. Arrogant as he is, he sets the machine in motion. All he needs is an army of Imperfect servitors to control the resulting power. Isandor is Imperfect, an ex-Knight apprentice, betrayed by his best friend and running for his life. The queen Jevaithi is Imperfect, living like a prisoner amidst leering Knights, surviving only because the common people would rebel if their beloved queen were harmed. Both are young and desperate and should be grateful that Tandor wants to rescue them from their hopeless situations. Or so he thinks. The youngsters, however, have no inclination to become heartless ghosts, but while they defy Tandor, the Heart beats, and he alone cannot control its power. For people who like their fantasy dark and gritty. Think Joe Abercrombie, Karen Miller, Robin Hobb, George R.R. Martin. free, freebie, dark fantasy, steampunk, post-apocalyptic, magic, sorcery, epic fantasy, knights, eagles, bears, fantasy free books, fantasy series

Fleet Commander Lucas Sterling is about to have a really bad day. A surprise attack by ruthless alien race, the Sa'Nerra, throws the crew of the Fleet Dreadnought Hammer into turmoil. Earth is already losing the fifty-year war - but the capture of the Hammer would mean certain defeat. Even worse, the Sa'Nerra have a new weapon, able to disrupt neural communications and manipulate Fleet crew into turning against their own. With everything at stake, the mysterious Omega Directive comes into effect. Cut off from the rest of the crew, Commander Lucas Sterling is forced to make an unconscionable choice to ensure that the Hammer and its crew live to fight another day
◆◆ Omega Directive is a military sci-fi novella by G J Ogden. It serves as an introduction to the Omega Taskforce military sci-fi series, though it can also be enjoyed on its own. If you like the sound of Battlestar Galactica crossed with Star Trek's Section 31, you'll love it. Enjoy ruthless alien warriors, running gun battles inside massive capitol ships, mystery, high-stakes action and epic twists. Try it today!

In his three extraordinary voyages, Captain James Cook made history. He was the first to discover Australia and the Hawaiian Islands and the first to circumnavigate New Zealand. By the 1700s, England, eager to expand its realm of trade, promoted exploration of all the unclaimed regions of the world. The eighteenth century, the age of reason and enlightenment, required a new kind of explorer: not a rover or a plunderer or a seeker of adventure for its own sake, but a master of navigation and seamanship. Captain James Cook filled the bill. No one ever surpassed Cook's record. From South America to Australia, from the ice islands of the South Pacific to the fogbound Bering Strait, lay thousands of miles of islands, atolls, and ocean that Cook charted.

When flying monsters break through the veil into her world, Mackenzie Scott has nothing left to lose. Her brother has been taken, her future has vanished, and all that remains is a desperate need for revenge. After discovering the breach the creatures used as a gateway, Mackenzie devises a plan to stop them, whatever the cost. When she finds an injured stranger in the street, he just might be the key she needs to succeed. What Mackenzie doesn't know is that this stranger isn't the helpless boy he appears to be. He's one of the monsters. And he's got plans of his own. Thrown into a dying city in another realm, Mackenzie is powerless to get back. With the gateway closing, time is not on her side. But the stranger is, and if they can escape execution, this girl and her monster might be able to save both their worlds.

Xander Martin is a member of the Terran Peacekeepers, the guardians of order on the fringes of the frontier. Beyond the borders of the Terran Republic, lie many worlds and civilizations of Humanity, all with different agendas and ambitions. However, when a routine patrol to Takalu results in the discovery of the ruins of a fleet engagement in the orbit of the remote frontier planet, Xander very quickly finds himself in the middle of a vast and rapidly unfolding course of events; that may permanently affect Humanity as a whole. The academy told Xander that a single Peacekeeper can do great things for good, but can a single man really change the course of large and mighty space fairing civilizations? Or is he simply fated to be witness to the great destabilizing force of ambitious nations, who hunger for the riches contained in the most unexpected of places?

The name's Maxie Briscoe and I am a werewolf...That's right, Maxie's a real life, full-moon-loving, Halloween icon. It's hard for a girl like Maxie. To survive, she hides her true self and acts the part of a normal human, all the while discreetly indulging the Beast within her. Talk about walking a narrow ledge. And that's not even the worst part of her life. Sex is. Maxie can bench press a pick-up truck and that spells disaster in the bedroom. She can't have any real fun knowing she might accidentally crush a lover while in the throes. Kind of kills the mood. When a friend's murder shatters the careful existence Maxie has carved out for herself, she comes face to face with Damien and Noah, two of the hottest men she's ever laid eyes on. And it only stirs her Beast and turns her on more when she realizes they're hot for each other. They're also the first werewolves she's run across since her own conversion. The attraction between the three of them is instant, but complicated, and the sex...explosive. Too bad there's a killer out there with his sights set on her...

Justice Calling

She is doom and madness. She is Thalassia. In 425 BCE, the Athenian general Demosthenes comes into possession of a weapon from the stars. He fears to wield it against his city's bitter enemy Sparta, but he knows that he must, lest it be wielded by others. He knows, too, that it seeks to wield and possess him, for this weapon is human, or something like it, and as complex as the wider universe from which she fell. She is Thalassia. She is doom and madness. She has come for reasons all her own, and she did not come alone. ATHENIAN STEEL is bloody, twisted mayhem in the ancient world and Book I in a centuries-spanning epic that will appeal to readers of Gene Wolfe, David Gemmell, David Drake, Michael Moorcock, & other classic SF/Fantasy authors of the 1970's to 1990's. Fans of Bernard Cornwell, Michael Curtis Ford, Steven Pressfield and similar will also find plenty to enjoy if they don't mind touches of cosmic SF, dark humor, and sex in their military historical fiction. Welcome to Evansville, a sleepy Texas town on the verge of a boom. After growing up in a dying town, with only two restaurants, no movie theater, and no future, waitress Cassidy Simon wants out. For once, luck is on her side when the oil boom comes to South Texas. She's determined to use it for her advantage, starting up an RV park for the oilfield workers to add to her escape fund. She's never been out of Texas, and she's itching for adventure. Grady McKenna couldn't get away from his family's ranch fast enough when he was a teenager, but a tour in the Air Force in the Middle East is enough to convince him there's no place like home. He's seen the world, had his adventure. Now he's ready to contribute to his family's legacy in Evansville. Naturally, the woman who draws his attention is the one intent on slipping through his fingers. How can he convince her life with him will be all the adventure she needs?

The mind-blowing true story of Pablo Escobar and the Medellin Cartel beyond their portrayal on Netflix. Colombian drug lord Pablo Escobar was a devoted family man and a psychopathic killer; a terrible enemy, yet a wonderful friend. While donating millions to the poor, he bombed and tortured his enemies - some had their eyeballs removed with hot spoons. Through ruthless cunning and America's insatiable appetite for cocaine, he became a multi-billionaire, who lived in a \$100-million house with its own zoo. Pablo Escobar: Beyond Narcos demolishes the standard good versus evil telling of his story. The authorities were not hunting Pablo down to stop his cocaine business. They were taking over it. Shaun Attwood's War on Drugs trilogy - Pablo Escobar, American Made, and We Are Being Lied To - is a series of harrowing, action-packed and interlinked true stories that demonstrate the catastrophic consequences of drug prohibition."

They came from the poorest cities on Earth. They were promised free food and housing.They didn't know that they, or their children, would never see Earth again. A few years ago, a military doctor walking the corridors of New Jakarta Station saved Melati's life. She signed up for the International Space Force to pay back her moral debt to him. But her family thinks she has betrayed her people. It was ISF who forcefully removed their grandmothers and grandfathers from the crowded slums of Jakarta to work in interstellar space stations. It is Melati's job to teach six-year old construct soldiers, artificial humans grown in labs and activated with programmed minds. Her latest cohort has one student who claims that he is not a little boy, but a mindbase traveller whose swap partner took off with his body. It soon becomes clear that a lot of people are scouring the station for this fugitive, a scientist with dangerous knowledge. The best place to hide in the station is amongst the many cultures and subcultures of the expat Indonesian B-sector. Looking for him brings Melati into direct conflict with her people. She does not want to be seen as one of the enemy, but if the scientist's knowledge falls in the wrong hands, war will come to the station. Will appeal to readers of C.J. Cherryh's science fiction, Elizabeth Moon and Sean Williams. Science fiction, hard SF, hard science fiction, Als, clones, space station, war, space, artificial minds, scifi, sci fi, military

An electrifying account of the Cali Cartel beyond its portrayal on Netflix. From the ashes of Pablo Escobar's empire rose an even bigger and more malevolent cartel. A new breed of sophisticated mobsters became the kings of cocaine. Their leader was Gilberto Rodriguez Orejuela - known as the Chess Player due to his foresight and calculated cunning. Gilberto and his terrifying brother, Miguel, ran a multi-billion-dollar drug empire like a corporation. They employed a politically astute brand of thuggery and spent \$10 million to put a president in power. Although the godfathers from Cali preferred bribery over violence, their many loyal torturers and hit men were never idle. Shaun Attwood's WAR ON DRUGS SERIES - PABLO ESCOBAR, AMERICAN MADE, WE ARE BEING LIED TO and THE CALI CARTEL - are harrowing, action-packed and interlinked true stories that demonstrate the devastating consequences of drug prohibition.

In the second book of the Shades of Gray series, Kat found herself teamed up with Kim. Together they searched for clues to their past. Their partnership stood on shaky ground though. Kim, a Life Closer (legal assassin) known as the Phoenix, needed Kat for the moment, to help in her search for her mother's murder. Once Kim no longer needed Kat, would the Phoenix go through with eliminating her for knowing she's a Life Closer? A haunting melody . . . A forgotten time . . . Kat had discovered little about her past. Over a year ago, she woke to a world of endless night and had no memory of who she was. A music box, a letter, and a gun were her only clues. Kat discovered the melody the music box plays, put her in a trance and healed her body of any injuries. Why? She didn't know. Betrayal . . . A desperate fight . . . Voice, the one who regulated the Phoenix, had sent the Raven and the Wolf to Close her. Why? Kim didn't know, only that she must eliminate the two Life Closers before they terminated her. Deception . . . The two women collide again . . . Kat was caught up in the struggle as the Raven and the Wolf were also hired to Close the sister of someone dear to her. Now she must protect the sister and Kim, but the Phoenix was hiding a dark secret that put the sister in an even deadlier predicament. What was Kim hiding? I will protect them all . . . No one will die today . . . Could Kat and Kim defeat the two Closers? Could Kat keep the promise to herself that no one else would die? What would happen in the end when Kat discovered the Phoenix's secret? **Shades of Gray Series** (STARTING POINT QUADRILOGY) #1 Shades of Gray: Noir, City Shrouded By Darkness "FREE" #2 Shades of Gray: From Moscow, With Love "FREE" #3 Shades of Gray: Cerberus Versus Pandora #4 Shades of Gray: Sisters

Legio Patria Nostra (Lat.) The Legion is our Fatherland. Eighteen years ago they came to destroy us... A race of conquerors from deep space had set their eyes on Earth's riches. Their invasion slaughtered billions. But humanity united under a common leadership and fought back. We chased them off Earth and most of the Solar System. The war still rages on, and every year young people are sent out to die, far away from Earth. Ethan Wang was born on the day of the invasion, during the chaos and turmoil of war and now hes ready to join the fight. But first he has to become a soldier, and survive his initiation into one of the toughest military units Earth ever mustered: the Ghost Legion. With Ghost Legion, Andreas Christensen kicks off the Legionnaire Series, a military science fiction set in the near future. Suit up, and get ready for a roller coaster ride into space!
