Seventeen-year-old Luke Chesser is trying to forget his spectacular failure of a love life. He practices marching band moves for hours in the hot Texas sun, deals with his disapproving father, and slyly checks out the new band field tech, Curtis Cameron. Before long, Luke is falling harder than he knew he could. And this time, he intends to play it right. Since testing positive for HIV, Curtis has careened between numbness and fear. Too ashamed to tell anyone, Curtis can't possibly act on his feelings. And Luke--impulsive, funny, and more tempting than he realizes--won't take a hint. Even when Curtis distances himself it backfires, leaving him with no idea how to protect Luke from the truth. Confronting a sensitive topic with candor and aplomb, acclaimed author J. H. Trumble renders a modern love story as sweet, sharp, and messy as the real thing, where easy answers are elusive, and sometimes the only impossible thing is to walk away. Praise For J. H. Trumble's Don't Let Me Go "A sexy, vibrant, and heartfelt debut." --Martin Wilson, award-winning author of What They Always Tell Us "Deeply moving. . . will be appreciated by adults and teens alike." --Publishers Weekly, starred review "A charming story. Trumble's love for the characters is evident on every page, and it's contagious." --Robin Reardon, author of A Secret Edge Josie wants to take over her family's business, Hazeldine Honey, but is lying to her mother and best friend about starting college in the fall, and secretly dating Ezra, the grandson of her mother's nemesis.

The Difference Between You and Me is Sex and the City meets The Player. When two vastly different women--one a ruthless go-getter, the other an unambitious script reader--find their lives intertwined, a startling revelation turns their mutual loathing to grudging respect, then real friendship as they discover the boundless rewards of human connection. With her sly and generous wit, Kathleen DeMarco has written a modern-day comedy of manners, an insider's take on Hollywood protocol and prestige.

The only thing scarier than living on the edge is stepping off it. Maggie Montgomery lives a life of adventure. Her job as a cinematographer takes her from one exotic locale to the next. When Maggie's not working, she loves to rappel off cliffs or go skydiving. Nothing frightens her. Nothing, that is, except Ivy, Texas, where a family emergency pulls her back home to a town full of bad memories, painful secrets, and people Maggie left far behind . . . for a reason. Forced to stay longer than she intended, Maggie finds her family a complete mess, including the niece her sister has abandoned. Ten-year-old Riley is struggling in school and out of control at home. The only person who can really handle the pint-sized troublemaker is Conner, the local vet and Ivy's most eligible bachelor. But Conner and Maggie keep butting heads--he's suspicious of her and, well, she doesn't rely on anyone but herself. As Maggie humorously fumbles her way from one mishap to another, she realizes she's going to need to ask for help from the one person who scares her the most. To save one little girl--and herself--can Maggie let go of her fears and just trust God? A beautifully emotional and unforgettably steamy new contemporary romance from New York Times and USA Today bestseller Roni Loren. The world can be a scary place. At least, that's what Andi Lockley's anxiety wants her to believe. It doesn't help that she narrowly escaped a dangerous man years ago, or that every relationship since has been colored with that lingering fear. But things are better now—she's channeling everything into her career as a horror novelist and true crime podcaster, and her next book may be the breakthrough she needs. If only her grumpy new neighbor would stop stomping around at all hours of the night. Former firefighter Hill Dawson can't sleep. After losing part of his leg in a rescue gone wrong, he's now stuck in limbo. He needs to figure out what he's supposed to do with his life, and he can't let himself get distracted by the pretty redhead next door. But when someone breaks into Andi's place, Hill can't stop himself from rushing in to play the hero. Soon, a tentative bond forms between

the unlikely pair. But what starts out as a neighborly exchange quickly turns into the chance for so much more...if Andi can learn to put aside her fear and trust in herself—and love—again.

Gripping, insightful and deft, THE DISTANCE BETWEEN US by Maggie O'Farrell is a haunting story of the way our families shape our lives, from the award-winning author of HAMNET. It was a Sunday Times Top Ten bestseller and won the Somerset Maugham Award. On a cold February afternoon, Stella catches sight of a man she hasn't seen for many years, but instantly recognises. Or thinks she does. At the same moment on the other side of the globe, in the middle of a crowd of Chinese New Year revellers, Jake realises that things are becoming dangerous. They know nothing of one another's existence, but both Stella and Jake flee their lives: Jake in search of a place so remote it doesn't appear on any map, and Stella for a destination in Scotland, the significance of which only her sister, Nina, will understand.

Jade has always felt secure and loved - by her doting parents and her best friend, Jack, who everyone assumes she'll marry one day. But things start to go wrong when Jade feels that her parents and Jack are keeping secrets from her. The secrets turn out to be painful ones - her dad is nother real father, and Jack cannot love her as more than a friend because he's gay - but the strength of their relationships help them all to come through these revelations and reach a happy, life-affirming ending.

Marriage is great, but it's not forever. It's until death do us part. Then come eternal rewards or regrets depending on how we spent our lives. In his latest book, Francis Chan joins together with his wife Lisa to address the question many couples wonder at the altar: "How do I have a healthy marriage?" Setting aside typical topics on marriage, Francis and Lisa dive into Scripture to understand what it means to have a relationship that satisfies the deepest parts of our souls. In the same way Crazy Love changed the way we saw our personal relationship with God, You and Me Forever: Marriage in Light of

Eternity will radically shift the way we see one of the most important relationships in our life. Jesus was right. We have it all backwards. The way to have a great marriage is by not focusing on marriage. Whether you are single, dating or married, You and Me Forever will help you discover the adventure that you were made for and learn how to thrive in it. 100% of the net proceeds from this book will support various ministries including those that help provide shelter and rehabilitation for thousands of children and exploited women around the world. Winner, Kirkus Prize for Non-Fiction, 2015 In the 150 years since the end of the Civil War and the ratification of the Thirteenth Amendment, the story of race and America has remained a brutally simple one, written on flesh: it is the story of the black body, exploited to create the country's foundational wealth, violently segregated to unite a nation after a civil war, and, today, still disproportionately threatened, locked up and killed in the streets. What is it like to inhabit a black body and find a way to live within it? And how can America reckon with its fraught racial history? Between the World and Me is Ta-Nehisi Coates' attempt to answer those questions, presented in the form of a letter to his adolescent son. Coates shares with his son the story of his own awakening to the truth about history and race through a series of revelatory experiences: immersion in nationalist mythology as a child; engagement with history, poetry and love at Howard University; travels to Civil War battlefields and the South Side of Chicago; a journey to France that reorients his sense of the world; and pilgrimages to the homes of mothers whose children's lives have been taken as American plunder. Taken together, these stories map a winding path towards a kind of liberation—a journey from fear and confusion, to a full and honest understanding of the world as it is. Masterfully woven from lyrical personal narrative, reimagined history, and fresh, emotionally charged reportage, Between the World and Me offers a powerful new framework for understanding America's history and current crisis, and a transcendent vision for a way forward. Ta-Nehisi Coates is a national correspondent for the Atlantic and the author of the memoir The Beautiful Struggle. Coates has received the National Magazine Award, the Hillman Prize for Opinion

and Analysis Journalism, and the George Polk Award for his Atlantic cover story 'The Case for Reparations'. He lives in New York with his wife and son. 'Coates offers this eloquent memoir as a letter to his teenage son, bearing witness to his own experiences and conveying passionate hopes for his son's life...this moving, potent testament might have been titled Black Lives Matter.' Kirkus Reviews *'I've been wondering who might fill the intellectual void that plagued me after James Baldwin died. Clearly it is Ta-Nehisi Coates. The language of Between the World and Me, like Coates' journey, is visceral, eloquent and beautifully redemptive. And its examination of the hazards and hopes of black male life is as profound as it is revelatory. This is required reading.'* Toni Morrison *'Extraordinary...Ta-Nehisi Coates...writes an impassioned letter to his teenage son—a letter both loving and full of a parent's dread—counselling him on the history of American violence against the black body, the young African-American's extreme vulnerability to wrongful arrest, police violence, and disproportionate incarceration.'* David Remnick, New Yorker *'A searing meditation on what it means to be black in America today...as compelling a portrait of a father-son relationship as Martin Amis's Experience or Geoffrey Wolff's The Duke of Deception.'* New York Times *'Coates possesses a profoundly empathetic imagination and a tough intellect...Coates speaks to America, but Australia has reason to listen.'* Monthly *'Heartbreaking, confronting, it draws power from understatement in dealing with race in America and the endless wrong-headed concept that whites are somehow entitled to subjugate everyone else.'* Capital *'In our current global landscape it's an essential perspective, regardless of your standpoint.'* Paperboy *'Impactful and poignant.'* Reading With Jenna

Anna and Bennett were never supposed to meet. Why would they? Anna's a sixteen-year-old in 1995, fiercely determined to secure a running scholarship so she can leave her quiet, dull town and finally travel the world. Bennett's a seventeen-year-old in 2012, living in San Francisco and trying to control his ability to travel through time - an incredible gift, but also an unpredictable curse, which constantly threatens to separate him from the people he loves. When a minor lapse in judgment puts his sister Brooke in danger, Bennett finds himself two thousand miles and seventeen years away - in Anna's world. As he searches for Brooke, Bennett is strangely and inescapably drawn to Anna, who feels sure she's seen him somewhere before. Through the gorgeous, mysterious newcomer, able to travel anywhere in a split second, Anna visits deserted tropical beaches and stunning mediterranean coastlines for the first time, and they can't help falling for one another. But they both know, deep down, that it can never last. For no matter how desperate Bennett is to stay with Anna, his uncontrollable condition will inevitably knock him right back to where he belongs - and Anna will be left to pick up the pieces. Presents a guide to maintaining a relationship with an adult diagnosed with the disorder, with information on the basics, challenges, and options for treatment.

From New York Times bestselling author Allison Winn Scotch comes an honest, touching, and funny exploration of falling in and out of love, told from two perspectives--one rewinding history, one moving it forward--and each with bias and regret. When their paths first cross, Ben Livingston is a fledgling screenwriter on the brink of success; Tatum Connelly is a struggling actress tending bar in a New York City dive. They fall in love, they marry, they become parents, and they think only of the future. But as the years go by, Tatum's stardom rises while Ben's fades. In a marriage that bears the fallout of ambition and fame, Ben and Tatum are at a crossroads. Now all they can do is think back... A life of passion, joy, tragedy, and loss--once shared--becomes one as shifting and unpredictable as a memory. As the pieces of their past come together, as they explore the ways love can bend and break, Ben and Tatum come to see how it all went wrong--and wonder what they can do now to make it all right.

Four Days of You and Me

Pride and Prejudice in the Arabian Gulf? For most people, being a single mother to three boys (two of them teenagers), sorting out your feelings for an ex-boyfriend who's now an international film star, pacifying an elderly father who keeps asking why you're not

married, tolerating your bigoted brother, while keeping out of the way of a dismissive film producer who seems to have made a mission out of annoying you, would be quite enough of a challenge. Annie Lester is not only trying to tackle all this - she's also doing it in the small Gulf emirate of Hawar where, in the summer of 2002, the impact of America's decision to invade Iraq is just beginning to be felt. The Gulf Between Us is a deliciously written novel about disappointment, hope and surviving in a world of conflicting values by the author of The Handmade House and Observer journalist Geraldine Bedell. 'Politics and passion make for combustion in this acutely observed and often very funny novel' The Times 'Geraldine Bedell invites us straight into the beating heart of family life . . . a delicious novel' Meg Rosoff Praise for The Handmade House 'A warm, funny, satisfying book' India Knight

An emotional and heart wrenching novel about grief and striving for perfection. Lighter. Leaner. Faster. Raesha will do whatever it takes to win Nationals. For her, competing isn't just about the speed of her horse or the thrill of the win. It's about honoring her mother's memory and holding onto a dream they once shared. Lighter. Leaner. Faster. For an athlete, every second counts. Raesha knows minus five on the scale will let her sit deeper in her saddle, make her horse lighter on his feet. And lighter, leaner, faster gives her the edge she needs over the new girl on the team, a girl who keeps flirting with Raesha's boyfriend and making plans with her best friend. So she focuses on minus five. But if she isn't careful, she's going to lose more than just the people she loves, she's going to lose herself to lighter, leaner, faster... "Sit quietly with this book. Feel the wind, the dusty air. Taste the sorrow and the wonder. Listen to the heart that is beating on every page. Then be grateful that Catherine Alene gave us this stunning story. It's a thing of beauty." —Kathi Appelt, Newbery Honor and National Book Award Finalist

How to Stay True to Yourself and Stand Out from the Crowd

"Hilarious—This book charmed my socks off." —Patricia O'Conner, New York Times Book Review Mary Norris has spent more than three decades working in The New Yorker's renowned copy department, helping to maintain its celebrated high standards. In *Between You & Me*, she brings her vast experience with grammar and usage, her good cheer and irreverence, and her finely sharpened pencils to help the rest of us in a boisterous language book as full of life as it is of practical advice. Named a Best Book of the Year by NPR, Amazon, Wall Street Journal, Publishers Weekly, Kirkus, and Library Journal.

Lucy lives on the twenty-fourth floor. Owen lives in the basement. It's fitting, then, that they meet in the middle -- stuck between two floors of a New York City apartment building, on an elevator rendered useless by a citywide blackout. After they're rescued, Lucy and Owen spend the night wandering the darkened streets and marveling at the rare appearance of stars above Manhattan. But once the power is back, so is reality. Lucy soon moves abroad with her parents, while Owen heads out west with his father. The brief time they spend together leaves a mark. And as their lives take them to Edinburgh and to San Francisco, to Prague and to Portland, Lucy and Owen stay in touch through postcards, occasional e-mails, and phone calls. But can they -- despite the odds -- find a way to reunite? Smartly observed and wonderfully romantic, Jennifer E. Smith's new novel shows that the center of the world isn't necessarily a place. Sometimes, it can be a person.

Between You, Me and the Gatepost is a coming of age story. It chronicles the early life of Eugene Cannon. He is a boy growing up among the remnants of Jim Crow in the late 1950s and the dawning of the sexual revolution in the 1960s. He is catapulted between contrasting worlds of the ambivalent South and the socially ambitious North. Eugene struggles to establish his own beliefs between these extremes. The violent loss of his mother stimulates the swaying of the pendulum in his precarious existence. His conflicts are emotional and psychological. Uncouth role models influence unhealthy resolutions which fail to satisfy his young mind; a mind where decisions are dictated by passion rather than reason. Eugene matriculates through high school preparing for college as a teenage father. His survival is uncertain and his potential for genuine affection is damaged. If he retreats into one of his myriad facades he could disappear for ever. No one has been privy to his authentic mind. When the truth is revealed it will be among his most intimate companions.

This is no ordinary apocalypse... Hannah wakes up to silence. The entire city around her is empty, except for one other person: Leo. Stuck with only each other, they explore a world with no parents, no friends, and no school and realise that they can be themselves, instead of playing the parts everyone expects of them. Together, they search for answers amid crushing isolation. But while their empty world may appear harmless . . . it's not. Because nothing is quite as it seems, and if Hannah and Leo don't figure out what's going on, they might just be torn apart forever. Perfect for fans of John Green. A romantic apocalypse story like no other.

"Sweet, tender, and true!" - Laurie Halse Anderson Jesse cuts her own hair with a Swiss Army knife. She wears big green fisherman's boots. She's the founding (and only) member of NOLAW, the National Organization to Liberate All Weirdos. Emily wears sweaters with faux pearl buttons. She's vice president of the student council. She has a boyfriend. These two girls have nothing in common, except the passionate "private time" they share every Tuesday afternoon. Jesse wishes their relationship could be out in the open, but Emily feels she has too much to lose. When they find themselves on opposite sides of a heated school conflict, they each have to decide what's more important: what you believe in, or the one you love?

True love never fades—and old secrets never die... Nora hasn't looked back. Not since she fled Texas to start a new life. Away from her father's volatile temper and the ever-watchful gaze of her claustrophobically conservative small town, Nora has freed herself. She can live—and love—however she wants. The only problem is that she also left behind the one woman she can't forget. Now tragedy calls her back home to confront her past—and reconcile her future. Sophie seems to have everything—a wonderful daughter, a successful husband and a rewarding career. Yet underneath that perfection lies an explosive secret. She still yearns for Nora—her best friend and first love—despite all the years between them. Keeping her true self hidden hasn't been easy, but it's been necessary. So when Sophie finds out that Nora has returned, she hopes Nora's stay is short. The life she has built depends on it. But they both find that first love doesn't fade easily. Memories come to light, passion ignites and old feelings resurface. As the forces of family and intolerance that once tore them apart begin to reemerge, they realize some things may never change—unless they demand it.

Singer, guitarist, writer, producer and leader of the band April Wine, Myles Goodwyn's passion and drive shaped and directed the group from its earliest beginnings. He is the only remaining original member of the group since the inception of April Wine in 1969. Goodwyn grew up poor and is the classic "small-town kid makes good" success story. As a young teen, Goodwyn honed his skills, playing in bands such as East Gate Sanctuary and Woody's Termites. From the very beginning, Goodwyn plotted the course of the band. His unique but classic rock voice gives April Wine a distinct and immediately recognizable sound. Ranging from hard rock classics to soulful ballads, his vocal range and style can really grab a hold of you. His songwriting skills are prolific. He has penned virtually every April Wine song. He has a knack with words and seems to have an ability to write a catchy tune at will. Through the ups and downs and changing faces of the band, the one thing that has remained constant is Myles Goodwyn. Even today and with their latest release and shift in

direction, his voice is as strong and apparent as ever. Now in its fourth decade, April Wine continues to charge ahead as one of Canada's very best rock bands. And as far as rock history goes, Myles Goodwyn is already a living legend (especially in the annals of Canadian rock history), being known as one of the all-time greats. In Just Between You and Me, Goodwyn shares the story of his upbringing, first at home in rural New Brunswick and then in the music business as the lead singer of one of Canada's most popular bands ever, April Wine.

Will it be a summer of fresh starts or second chances? For Lucy, the Jersey Shore isn't just the perfect summer escape, it's home. As a local girl, she knows not to get attached to the tourists. They breeze in during Memorial Day weekend, crowding her coastal town and stealing moonlit kisses, only to pack up their beach umbrellas and empty promises on Labor Day. Still, she can't help but crush on charming Connor Malloy. His family spends every summer next door, and she longs for their friendship to turn into something deeper. Then Superstorm Sandy sweeps up the coast, bringing Lucy and Connor together for a few intense hours. Except nothing is the same in the wake of the storm, and Lucy is left to pick up the pieces of her broken heart and her broken home. Time may heal all wounds, but with Memorial Day approaching and Connor returning, Lucy's summer is sure to be filled with fireworks.

A Richard and Judy recommendation for the 2012 Summer Book Club, this is a brilliant Gothic novel in the vein of Daphne du Maurier. A chance encounter: When Sarah meets dark, brooding Alex, she grasps his offer of a new life miles away from her own. They've both recently escaped broken relationships, and need to start again. Why not do it together? A perfect life: But when Sarah gets to the tiny village of Burrington Stoke, something doesn't add up. Alex's beautiful wife Genevieve was charming, talented, and adored by all who knew her. And apparently, she and Alex had a successful marriage complete with a gorgeous son, Jamie. Why would Genevieve walk out on her perfect life? And why has no one heard from her since she did so? A web of lies: Genevieve's family and all her friends think that Alex knows more about her disappearance than he's letting on. But Sarah's

fallen in love with him and just knows he couldn't have anything to hide. Or could he? The captivating, page-turning novel from the bestselling author of *The Secret by the Lake* and *The House by the Sea*, winner of The Jackie Collins Romantic Thriller Award.

"Refreshing.... Asks urgent questions about female ambition. Fans of *Lab Girl* have found a worthy successor."—*Real Simple* A powerful debut novel—a wonderfully engaging infusion of *Lab Girl*, *The Assistants*, and *Eleanor Oliphant Is Completely Fine*—that pits the ambition of scientific discovery against the siren call of love. Emily Apell arrives in Justin McKinnon's renowned research lab with the single-minded goal of making a breakthrough discovery. But a colleague in the lab, Aeden Doherty, has been working on a similar topic, and his findings threaten to compete with her research. To Emily's surprise, her rational mind is unsettled by Aeden, and when they end up working together their animosity turns to physical passion, followed by love. Emily eventually allows herself to envision a future with Aeden, but when he decides to leave the lab it becomes clear to her that she must make a choice. It is only years later, when she is about to receive a prestigious award for the work they did together, that Emily is able to unravel everything that happened between them. A sharp, relevant novel that speaks to the ambitions and desires of modern women, *The DNA of You and Me* explores the evergreen question of career versus family, the irrational sensibility of love, and whether one can be a loner without a diagnostic label.
