First in a sexy new series that takes a bite out of the court of King Henry VIII Desperate to defeat King Richard III and gain the crown, Henry Tudor made a pact with the Druids binding him and his heirs to the Druids' struggle against vampires. Ever since, the Llewellyns, a vampire- slaying family, have been in the king's employ. Now Henry VIII reigns, and his father's bargain has been almost forgotten-until bloodless corpses turn up in the king's bedchamber. To save the king, Vampire hunter Rosalind Llewellyn must form an uneasy alliance with Druid slayer Sir Christopher Ellis. But soon, Rosalind must face an unthinkable truth: that her sworn enemy may be her soulmate...

Vampire Erotica An outstanding collection of tales of vampire erotica by the mistresses and masters of this fiendish genre. Why not explore the sensual side of the night?

"Sexy, erotic and monstrous, all at the same time... what more could a reader want?" -- Deana Hoover, author of the award winning SING TO THE MOON BLOOD KISS is an exquisite blend of horror and romance, and was a one time Internet best seller. After almost a decades wait, we are now fortunate to have it available in print. What do an Anglican Priest from 1323 AD and a night club owner and and hunter of men from 2003 have in common? They're the same being, Michel de Brissault, only changed. One thing that hasn't changed is Michel's grief over love lost. The priest Michel was forced to watch his true love marry another, and the vampire Michel carried that loss for centuries. Now it appears his love has come back to him in Mae, a creature so like his lost love that even Michel's blood runs warm. When Michel discovers what kind of creature Mae really is, it may cost him eternity. "Having BLOOD KISS in print is like finding a fine ruby shimmering on your bookshelf . . . a unique and beguiling story of horror, love, and eternal life." - Rickard B DeMille, author of HELLFIRE and DANIEL.

**Paradise, blooded daughter of the king's First Advisor, is ready to break free from the restrictive life of an aristocratic female. Her strategy? Join the Black Dagger Brotherhood's training center program and learn to fight for herself, think for herself...be herself. It's a good plan, until everything goes wrong. The schooling is unfathomably difficult, the other recruits feel more like enemies than allies, and it's very clear that the Brother in charge, Butch O'Neal, a.k.a. the Dhestroyer, is having serious problems in his own life. And that's before she falls in love with a fellow classmate. Craeg, a common civillian, is nothing her father would ever want for her, but everything she could ask for in a male. As an act of violence threatens to tear apart the entire program, and the erotic pull between them grows irresistible, Paradise is tested in ways she never anticipated--and left wondering whether she's strong enough to claim her own power...on the field, and off.**

**A vampire princess. A human. One drop of blood changed their lives forever. Vampires had taken everything from Quinn Hogan during the war. She had spent her entire life hiding from them. The last thing Quinn wanted in life was to be matched to one. Each human was required by law to enter the draft. Her name was randomly picked for submitting her blood sample. Chances of being chosen? A million to one. Luck had never been on her side. Quinn matched with a vampire. Now she was being shipped off to some random vampire who would probably bleed her dry. Velika Riskel didn't want a mate. As the warden of Northwest America, there was no time for her to take a mate. When the human arrived, she had planned to release her, but one look into Quinn's hazel eyes and all of that changed. Velika and Quinn's relationship was doomed from the start. Velika was a seasoned warrior who wasn't afraid of challenges. The vampire princess was determined to win Quinn's heart, defend her against a rival, and then claim her.**

The essays in this volume use a humanistic viewpoint to explore the evolution and significance of the vampire in literature from the Romantic era to the millennium."--BOOK JACKET.

The Vampire's Kiss

Vampires in Literature

Queer Destinies

*Grab a stake, a fistful of garlic, a crucifix and holy water as you enter the dark, blood-curdling world of the original pain in the neck in this ultimate collection of vampire facts and fiction! What accounts for the undying fascination people have for vampires? How did encounters with death create centuries-old myths and folklore in virtually every culture in the world? When did the early literary vampires—as pictured by Goethe, Coleridge, Shelly, Polidori, Byron, and Nodier as the personifications of man’s darker side—transform from villains into today’s cultural rebels? Showing how vampire-like creatures organically formed in virtually every part of the world, The Vampire Almanac: The Complete History by renowned religion expert and fearless vampire authority J. Gordon Melton, Ph.D., examines the historic, societal, and psychological role the vampire has played—and continues to play—in understanding death, man’s deepest desires, and human pathologies. It analyzes humanity’s lusts, fears, and longing for power and the forbidden! Today, the vampire serves as a powerful symbol for the darker parts of the human condition, touching on death, immortality, forbidden sexuality, sexual power and surrender, intimacy, alienation, rebellion, violence, and a fascination with the mysterious. The vampire is often portrayed as a symbolic leader advocating an outrageous alternative to the demands of conformity. Vampires can also be tools for scapegoating such as when women are called “vamps” and bosses are described as “bloodsuckers.” Meet all of the villains, anti-heroes, and heroes of myths, legends, books, films, and television series across cultures and today’s pop culture in The Vampire Almanac. It assembles and analyzes hundreds of vampiric characters, people, and creatures, including Buffy the Vampire Slayer, Vlad the Impaler, Edward Cullen and The Twilight Saga, Bram Stoker, Lestat De Lioncourt and The Vampire Chronicles, Lon Chaney, True Blood, Bela Lugosi, Dracula, Dark Shadows, Lilith, Vampire Weekend, Batman, Nosferatu, and so many more. There is a lot to sink your teeth into with this deep exhumation of the undead. Quench your thirst for facts, histories, biographies, definitions, analysis, immortality, and more! This gruesomely thorough book of vampire facts also has a helpful bibliography, an extensive index, and numerous photos, adding to its usefulness.*

*Vampires have a timeless allure, mesmerizing us in every medium from books and graphic novels to movies and television shows. Immortal, eternally beautiful, strong, and sexy, these creatures take what they need, stealing the life force from those unlucky enough to cross their paths — or from those whose luck leads them to the most thrilling experience of their lives. Edited by noted erotica writer D. L. King, The Sweetest Kiss takes readers into shadowy alleys, dark bedrooms, and more mysterious spaces to experience the frisson of terror and delight that only a vampire can produce. Mostly straight, these stories also feature bi and queer vampires satisfying their lust in contemporary and period settings. These blood-drenched tales give new meaning to the term "dead sexy" and feature beautiful bloodsuckers whose desires go far beyond blood.*

*An ancient evil. An unholy alliance. An eternal love. William Dark is a monster—a vampire who feeds on blood and fear. He is exactly what Savannah Daniels needs. A year ago, Savannah's twin brother and his wife were brutally murdered. Savannah swore a vow of vengeance against the man, the beast, that killed them. A beast that is now after her. And the only way to stop him is to give up her human life. Can she convince William Dark, the most dangerous vampire on the East Coast, to transform her? Savannah and William enter into an unholy alliance: he will change her and see that she receives her justice. In return, she must be his companion, his mate, for eternity. But Savannah soon realizes that there is more at stake than just her life. Because once she tastes William's kiss, she knows that she may be in jeopardy of losing her heart as well. Seduction has a dark power all its own. Should she trust a man who claims to have no soul?*

*The first collection of gay male erotic science fiction from one of the most talented new voices in erotic fiction, Gary Bowen.*

A FF Vampire Paranormal Romance

Writer's Guide to Book Editors, Publishers and Literary Agents, 1999-2000

FROM POPULAR AUTHOR OF LGBT ROMANCE, J.P. BOWIE Book ten in the My Vampire and I series What's a guy to do when the right man for him is...a vampire? Years ago, Daniel Farrow, then only eighteen years old, had a crush on his bright-eyed, blond-haired co-worker Roger Folsom, but Roger disappeared without a trace. Daniel's never forgotten Roger and is delighted when he's given a chance to meet him again. Although the reunion is a little strained, Daniel is introduced to handsome Leon de Castillo, a man with whom he feels an instant, if slightly mystifying, bond, which only intensifies the more time he spends with the older, elegant Leon. After spending the night with Leon, Daniel is accosted by a neighbor, Morris, who warns Daniel that Leon is not what he appears to be. Daniel ignores his creepy neighbor, but when Leon's unbelievable secret is revealed, Daniel sees his future with Leon crumble to dust. Because a relationship between a human and an immortal could never work, could it?

Vampire Erotica: Vampire Fantasies Volumes 1-4 (Erotica Anthologies - Volume 2) A collection of 4 titillating vampire erotica short stories. (book excerpt 1- Blood Club: Vampire Erotica)Suddenly, Andrei bit her harder than she cared for. "Ow! Andrei, not so hard!" She cried in pain, as she pushed him off of her neck. Eva gasped in horror. "What the..... Are you what I think you are? Holy....! You're a vampire...oh my....a... a real vampire!" Andrei pulled away from her baring a pair of huge fangs in the space where his incisors previously inhabited. Eva began to struggle against him, trying to get away from those sharp teeth that had appeared out of nowhere, her body confused by the simultaneous feelings of arousal and fear. But, Andrei was on top of her; her body strength was no match to his, and he was clearly not about to let her go. "I've wanted you for so very long, my darling..... (book excerpt 2- Blood Therapy: Vampire Erotica)One of his shirt sleeves was slightly pushed up, revealing part of his forearm. Her eyes spied some black ink peeking out from his rolled up sleeve, and it looked.....familiar? Her mind recalling the unusual ink design she sees on...that vampire. "Oh my god!"

Hannah thought in alarm. She dropped Stefan's hands and gasped audibly in horror as her mind was trying to wrap itself around the frightening realization that the man standing in front of her, the one whom she told all her deepest secrets and phobias, was also the same shadowy creature who stalked her in the night. Stefan's body suddenly vanished in a blink of an eye, and a small winged creature took flight above Hannah's head and flew towards the doctor's desk. "Holy ....! A bat!" Hannah yelled out, as she watched the winged creature land just out of sight behind the large cherry wood desk. (book excerpt 3- Blood Country: Vampire Erotica)Roman picked up two wine glasses and handed one to Viktoria. Viktoria looked inquisitively at the contents of the glasses. The drink was thick and red and appeared to be the only thing being served. She lifted the glass to her mouth; Roman watching her intently as he did the same, the contents smelled sweet and slightly metallic. Viktoria took a sip. Her mouth was instantly filled with the sickly sweet taste of blood. She looked up at Roman, his glass was still poised up to his lips, and Viktoria could see sharp fangs showing through his parted lips. Alarmed, Viktoria spun all around looking at the other guests. She saw people laughing, talking, smiling and drinking; all with fangs protruding from their mouths. "Vampires!" Victoria thought with a gasp, "Roman is a vampire! Everyone here is a vampire!" (book excerpt 4- Blood Educated: Vampire Erotica)"Don't be afraid, Adele," he practically growled. He repositioned my hands so that now he could restrain me using only one hand. His free hand he placed on my waist. Once more he moved his mouth in the direction of my neck. I squeezed my eyes shut, bracing myself for a fatal bite. Rather than sharp pain however, I felt a few frisky bites, right in a row. Then he began to suck and kiss the tender, sensitive skin along my throat. My fear quickly melted into pleasure, and soon, little moans of ecstasy were escaping past my lips, out of my control. If you enjoy kinky sex, and if you enjoy the fetish lifestyle, be sure to watch for more releases from Fetish Publishing and official website to launch fall of 2014.

Focusing on the body as a visual and discursive platform across public space, this book explores marginalization as a sociocultural practice and hegemonic schema. The chapters center upon physical contexts, discursive spaces, and philosophical arenas to deconstruct seemingly intrinsic connections between body and behavior, whiteness, and normativity.

## Blood and Kisses

Over the past century the figure of the vampire has undergone many transformations--from Bram Stoker's original Dracula to Anne Rice's VAMPIRE CHRONICLES. BLOOD READ examines a wide range of vampire narratives from the perspective of both writers and scholars and shows how these transformations reflect ongoing changes in postmodern culture.

This annual selection guide covers new novels in the mystery fiction, science fiction, fantasy, horror, western fiction and romance genres. It is intended to help readers to choose titles of interest published during 1995. By identifying similarities in various books, it seeks to help readers to independently choose titles of interest published during 1995. Entries are arranged by author within six genre sections, and provide: publisher and publication date; series name and number; description of characters; time/geographical setting; review citation; genre and setting notations; and related books.

Our Sexual Attraction to the Undead

Hot and Hardcore Tales of Sex Excitement: Volume Two

*Twilight, True Blood and The Vampire Diaries have sparked intense fan activity and generated a large quantity of fan fiction: stories which test the limits of an already existing fictional work and explore gaps and discrepancies within it. Working from the idea that texts constitute archives, expanded and altered by each addition, close readings of a selection of fanfics illustrate particular transformative practices in the online environment. The central figure of the vampire is read through the lens of fanfic authors' contributions to the archives, particularly regarding how figuratively or literally refanged versions of the trope are used to subvert norms established in the source texts concerning depictions of sexuality, sexual practices, and monstrosity. Complex relationships between authorial power and subversion, between mainstream messages and individual interpretations, are examined through fanfic analyses, the findings contributing to discussions about contemporary literary creativity.*

*Abigail Winters leads a perfectly ordinary life until the night she's transported to an alternate earth. Attacked by vampires, her life is saved by the gorgeous but dangerous vampire, Val. When Val is injured and needs her blood to heal, she repays her debt by allowing him to feed from her. But she is unprepared for the immediate desire she now feels for the sexy vampire. Despite saving her life, Val has no interest in feeding from the chubby human. It will be weeks before her need for him wears off, if she doesn't go mad first, and he has no wish to have her pining after him and begging him to feed from her again or worse - have sex with her. Gravely injured and with no other choice, he feeds from Abigail and is intoxicated by the sweet taste of her blood. Determined to claim her, his obsession with her grows as she fights her undeniable attraction to him. When Abigail is taken from him, Val will do whatever it takes to find her.*

*Possibly the most comprehensive book ever published on one of the world's oldest, and most terrifying, legends. The vampire is one of the most potent and enduring symbols of the supernatural, as deathless as Bram Stoker's perennially popular creation Count Dracula. As this entertaining and encyclopaedic work reveals, vampires were around for centuries before Count Dracula appeared. Legends about vampires are found in folklore throughout the world, dating back to ancient times and over the years they have never lost their power to inspire fear. Combining erudition with readability Leonard Ashley presents vampire lore from around the world, gathering together many unexpected facts about the dead and 'undead', about hangings and summonings, and reports of manifestations that cannot be lightly dismissed. Whether you are incredulous, sceptical or simply curious you will find this darkly enjoyable survey irresistible. Its listings of films and books make it a valuable resource for fans while its wealth of rare illustrations are fascinating.*

*A Circler Omnibus In 1992 Circler Press began publishing erotic science fiction with thin chapbooks which soon became collectors items and are now out of print. This omnibus collects together the complete text of the chapbooks including author's introductions and prefaces and presents them with a new introduction by Cecilia Tan which traces the development of the genre. A must-have for any enthusiast.*

Who would've expected she would be naked? I guess Janet expected it. Who would have expected she would kiss me and I wouldn't resist? I guess Janet expected it. Who would have expected I would have my first lesbian experience before I'd been in college for even a full day? I guess Janet expected it.

It isn't easy being the Witches' Champion, especially when it's a hereditary position and you're hardly the most powerful witch of your line. Thalia Kent has managed to cope so far with wit and nerve and every ounce of magical ability she possesses, but now her cousin, who wasn't a witch, is dead -- murdered by a rogue vampire -- and if she's going to hunt him down and survive, she's going to need all the help she can get. She needs Gideon Damek, immortal vampire, but vampires shun witches for good reason, witch blood is poisonous. Gideon Damek has fought his predatory nature for thousands of years and the last thing he wants is to team up with anyone, least of all a beautiful young witch. Still, something about Thalia compels him to agree. Soon, Thalia must deal with a reluctant partner, a rebellious witch community, interfering police, a healthy dose of self-doubt, a raging passion for the forbidden Mr. Damek and an enemy who's following an ancient prophecy that requires both their deaths, all without losing her neck, or her heart.

The Vampyre's Kiss is the first in a series of Erotic Vampire stories. 5.0 out of 5 stars The Vampyres Kiss This is without doubt one of the best books I have read in years, I was completely enthralled by it throughout. Cant recommend it enough. 5.0 out of 5 stars Love, love, love it!, This book is brilliant! Throw away fifty shades and twilight (if you were sad enough to have them in the first place!), and buy this book as it's better than both put together! Read it all in one sitting, and still keep re-reading it because I love it so much. 5.0 out of 5 stars to die for What a book!!Couldn't put it down. Definitely a must read. Keeps you enthralled throughout. Who needs Christian Grey???? When's the sequel????? 5.0 out of 5 stars You won't be able to put it down!, A fabulous book! I sat down to read a chapter and ended up reading the whole thing in one go, it's a real a page turner. I couldn't get enough of the dark and racy journey that S N Drake has expertly woven. His story keeps you enthralled and wanting more. I look forward to more books! Allow yourself to be guided through the lives and desires of these beautiful yet dangerous creatures of the night. Learn about the origins of the Vampires and discover the story of how Bram Stoker wrote Dracula. Step into the darkness of this book for a short time, where it is easy to imagine the caress of the cold flesh against your warmth, and hear the tantalising and desirable words spoken that only you can hear. Imagine the kisses of vampiric lips upon your body as they make love to you with their words. See the world as never seen with human eyes and discover the vampire within your own erotic yet mortal soul. The Vampyre's Kiss is an enthralling book which seduces the reader with sensual and romantic tales set against a historical backdrop that is rich with vampiric lore. Erotic, amusing and thought provoking with meaningful story lines, it will draw you in to a world from which you may never wish to return; the memories will tease you forever.
