

Call Me Mistress: Memoirs Of A Phone Sex Performer

Gender Articulated is a groundbreaking work of sociolinguistics that forges new connections between language-related fields and feminist theory. Refuting apolitical, essentialist perspectives on language and gender, the essays presented here examine a range of cultures, languages and settings. They explicitly connect feminist theory to language research. Some of the most distinguished scholars working in the field of language and gender today discuss such topics as Japanese women's appropriation of "men's language," the literary representation of lesbian discourse, the silencing of women on the Internet, cultural mediation and Spanish use at New Mexican weddings and the uses of silence in the Anita Hill-Clarence Thomas hearings.

***Instant New York Times Bestseller, Los Angeles Times Bestseller, USA Today Bestseller, Publishers Weekly Bestseller** **A New York Times Best Books to Give This Season selection** The woman behind the icon known as Elvira, Mistress of the Dark, the undisputed Queen of Halloween, reveals her full story, filled with intimate bombshells, told by the bombshell herself. On Good Friday in 1953, at only 18 months old, 25 miles from the nearest hospital in Manhattan, Kansas, Cassandra Peterson reached for a pot on the stove and doused herself in boiling water. Third-degree burns covered 35% of her body, and the prognosis wasn't good. But she survived. Burned and scarred, the impact stayed with her and became an obstacle she was determined to overcome. Feeling like a misfit led to her love of horror. While her sisters played with Barbie dolls, Cassandra built model kits of Frankenstein and Dracula, and idolized Vincent Price. Due to a complicated relationship with her mother, Cassandra left home at 14, and by age 17 she was performing at the famed Dunes Hotel in Las Vegas. Run-ins with the likes of Frank Sinatra, Sammy Davis Jr., and Tom Jones helped her grow up fast. Then a chance encounter with her idol Elvis Presley, changed the course of her life forever, and led her to Europe where she worked in film and traveled Italy as lead singer of an Italian pop band. She eventually made her way to Los Angeles, where*

she joined the famed comedy improv group, The Groundlings, and worked alongside Phil Hartman and Paul "Pee-wee" Reubens, honing her comedic skills. Nearing age 30, a struggling actress considered past her prime, she auditioned at local LA channel KHJ as hostess for the late night vintage horror movies. Cassandra improvised, made the role her own, and got the job on the spot. Yours Cruelly, Elvira is an unforgettably wild memoir. Cassandra doesn't shy away from revealing exactly who she is and how she overcame seemingly insurmountable odds. Always original and sometimes outrageous, her story is loaded with twists, travails, revelry, and downright shocking experiences. It is the candid, often funny, and sometimes heart-breaking tale of a Midwest farm girl's long strange trip to become the world's sexiest, sassiest Halloween icon.

I suppose you could say that I fell into this industry by accident. I thought he was kidding at first, I thought he was joking as he said he wanted nothing more than to be abused in the privacy of a booth. And so began my incredible journey, a journey that would earn me nearly two hundred thousand pounds in the first twelve months and bring me into contact with men who were ready and willing to hand me money because I simply demanded it of them. No sexual contact and I didn't even have to take my clothes off. The fetish takes many forms and some of them may make you physically sick, there are some things I simply wouldn't do no matter how much money was on offer. It's a strange world that I've stumbled into with no two days the same. I've bared my soul in this book, no holds barred. It takes all sorts as the saying goes and I think I've met just about all of them. Sometimes I stand back and gasp because although I'm very much desensitized after several years' activity, at least two or three times a month someone drops me an email that takes my breath away. Those emails are in the book too, some printed word for word, warts and all. If you do decide to take this book from your local bookshelf you'd better be prepared to be shocked but I promise you one thing, when you've finished, you will have changed your opinion of the creature known as man....

Mild-mannered computer systems analyst by day, uninhibited phone sex performer by night, Ms. Ainslee is a woman of contradictions and complexities. Her entertaining anecdotes and perceptive reflections on the world of phone sex give us a rare look into this intriguing form of erotica. Written with compassion and insight as well as humor, Call Me Mistress promise to entertain and inform.

100\$ REWARD ON MY HEAD - Powerful & Unflinching Memoirs Of Former Slaves: 28 Narratives in One Volume

The Memoirs of Casanova, though they have enjoyed the popularity of a bad reputation, have never had justice done to them by serious students of literature, of life, and of history. One English writer, indeed, Mr. Havelock Ellis, has realised that 'there are few more delightful books in the world,' and he has analysed them in an essay on Casanova, published in Affirmations, with extreme care and remarkable subtlety. But this essay stands alone, at all events in English, as an attempt to take Casanova seriously, to show him in his relation to his time, and in his relation to human problems. And yet these Memoirs are perhaps the most valuable document which we possess on the society of the eighteenth century;

they are the history of a unique life, a unique personality, one of the greatest of autobiographies; as a record of adventures, they are more entertaining than Gil Blas, or Monte Cristo, or any of the imaginary travels, and escapes, and masquerades in life, which have been written in imitation of them. They tell the story of a man who loved life passionately for its own sake: one to whom woman was, indeed, the most important thing in the world, but to whom nothing in the world was indifferent. The bust which gives us the most lively notion of him shows us a great, vivid, intellectual face, full of fiery energy and calm resource, the face of a thinker and a fighter in one. A scholar, an adventurer, perhaps a Cabalist, a busy stirrer in politics, a gamester, one 'born for the fairer sex,' as he tells us, and born also to be a vagabond; this man, who is remembered now for his written account of his own life, was that rarest kind of autobiographer, one who did not live to write, but wrote because he had lived, and when he could live no longer.

Slavery in the United States lasted more than two centuries. The adoption of the Thirteenth Amendment to the U.S. Constitution in December 1865 abolished slavery after the American Civil War. The first slaves were forcibly removed from Africa by British slave traders beginning in the early 1600s. Redoshi, later renamed Sally Smith, was the last surviving female slave brought to the U.S. from Africa. A Benoise war captive, she was illegally transported to the US (importing slaves having been outlawed 50 years prior). The last surviving male slave, Oluale Kossula (aka Cudjo Lewis), had been transported on the sale ship and was most likely part of the Yoruba people in Benin. The quality of a slave's life depended completely on their master's will. It was considered normal, for example, for masters to rape their slaves, who were considered their property. Slaves who escaped were branded, killed, or punished severely in other ways.

*Casanova was an Italian adventurer and author from the Republic of Venice. His autobiography, is regarded as one of the most authentic
sources of the customs and norms of European social life during the 18th century. He has become so famous for his often complicated and
elaborate affairs with women that his name is now synonymous with "womanizer". He associated with European royalty, popes and cardinals,
along with luminaries such as Voltaire, Goethe and Mozart. He spent his last years in Bohemia as a librarian in Count Waldstein's household,
where he also wrote the story of his life.*

A series of adventures wilder and more fantastic than the wildest of romances, written down with the exactitude of a business diary; a view of

men and cities from Naples to Berlin, from Madrid and London to Constantinople and St. Petersburg; the 'vie intime' of the eighteenth century depicted by a man, who to-day sat with cardinals and saluted crowned heads, and tomorrow lurked in dens of profligacy and crime; a book of confessions penned without reticence and without penitence; a record of forty years of "occult" charlatanism; a collection of tales of successful imposture, of 'bonnes fortunes', of marvellous escapes, of transcendent audacity, told with the humour of Smollett and the delicate wit of Voltaire. Who is there interested in men and letters, and in the life of the past, who would not cry, "Where can such a book as this be found?" Yet the above catalogue is but a brief outline, a bare and meager summary, of the book known as "THE MEMOIRS OF CASANOVA"; a work absolutely unique in literature. He who opens these wonderful pages is as one who sits in a theatre and looks across the gloom, not on a stage-play, but on another and a vanished world. Giacomo Casanova (1725-1798) was an Italian adventurer and author from the Republic of Venice. He often signed his works Jacques Casanova de Seingalt after he began writing in French following his second exile from Venice. He has become so famous for his often complicated and elaborate affairs with women that his name is now synonymous with "womanizer". He associated with European royalty, popes and cardinals, along with luminaries such as Benjamin Franklin, Voltaire, Goethe, and Mozart.
