

Can't You Sleep, Little Bear?

Little Bear longs to be as big and as fast as his mother, but after she shows the little polar bear cub what it is like to be grown up, Little Bear decides he isn't quite ready to be a big bear yet. On board pages.

"When Bear can't sleep, he goes on an adventure and discovers the wonders of New York City--a parade, Central Park, hot dogs, and more! But when he finally gets tired and looks for a place to rest, he learns why it's called the city that never sleeps"--Dust jacket flap.

A house rabbit becomes convinced that the house is falling down when he hears a book fall off the shelf.

A heavenly shade of blue was always in her eyes and her innocent smile captured the hearts of many. But even a beautiful smile can cover the ugliest of things.

Who would've ever known that the beautiful and loving Princess Marrisa would fall victim to a very dark and hostile scheme, conjured up by something that is as old as time? No one did—not even Tairren, who was one of Marrisa's dearest friends. Overtaken by Marrisa's beauty and charm, Tairren was very much in love with her and would do anything for her—even if that meant facing the overwhelming powers of darkness... It was on Marrisa's long awaited sixteenth birthday, her engagement to Prince Phillip and the day before her enthronement to the kingdom of Ishkar, when it happened. When Marrisa is abducted by someone she had always trusted, she is forced into the Forbidden Lands of Minslethrate and awakens upon a plot that would shake the world. With the company of his very different comrades, the unconventional Lady Natalia and the arrogant Prince Phillip of Ishkar, Tairren travels across the uncertain lands of Minslethrate to rescue Marrisa. They begin to realize that their precarious situation is dealing with more than just a kidnapped princess—that's just the beginning... They must trust in the unseen God of Light and have faith in a legend that they don't even understand. While their beloved princess awaits a terrifying fate, they must become awakened by light if they are to face their own dark quest... Prophecy stirs, blood spills, light burns and darkness screams—revealing The Last Legend...

Sleep Tight, Little Bear

The first unputdownable adventure story in this phenomenal series, from the author of the bestselling Young Bond series and award-winning comedy writer and performer (The Fast Show, Down the Line), Charlie Higson. They'll chase you. They'll rip you open. They'll feed on you . . . When the sickness came, every parent, policeman, politician - every adult - fell ill. The lucky ones died. The others are crazed, confused and hungry. Only children under fourteen remain, and they're fighting to survive. Now there are rumours of a safe place to hide. And so a gang of children begin their quest across London, where all through the city - down alleyways, in deserted houses, underground - the grown-ups lie in wait. But can they make it there - alive?

This volume presents a complete painting course which provides the inspiration and the know-how to build on your knowledge of watercolour painting and master a wide range of techniques. Bear's many animal friends try to help him get to sleep in time for winter hibernation in this companion story to Bear Snores On. It's winter, and deep in the forest, Bear should be fast asleep. But when his friends come by to check on him, they realize that Bear is

still awake! They brew him hot tea and sing him lullabies, but nothing seems to work. Can Bear get to bed? Or will he be up all winter?

A young Silicon Valley engineer stumbles into a hidden company with advanced technologies that could change the world. But at the same time, he learns this company, his life and the rest of civilization is threatened by a force even more advanced. And the opposition has a head start. The startling discoveries he encounters could point to the origin of life on Earth, and maybe its final destruction. With the help of a beautiful and mysterious astrophysicist and a retired math professor, it's a race against time to expose the conspiracy. Following the clues takes them on a frantic chase to the dark side of the Moon in an experimental spacecraft and back to the streets of San Francisco. What he can't out-smart, he has to out fight. In the battle to save the Earth he must rely on his Silicon Valley training and ability to leverage the new technologies at his disposal. But will it be enough? What can one engineer, an astrophysicist and an old professor do to save the Earth? Whatever it takes.
