Celestial Maps (CL54299)

Whether you fancy cakes and gateaux, pies, tarts, pastries and hot fruit puddings, ice-cream, biscuits, or even cookies, popular cookery writer Mary Berry serves up over 200 step-by-step recipes for desserts.

The Tao of Mermaids contains positive, inspiring and effective messages, exercises, and instructions to help you unlock the universal code, manifest your heart's desire, and live the life of your dreams. This book will explain to you the magic of the Mermaids and the water element, teach you how to decode Angel, Mermaid and Dolphin messages in dreams, crystals and numbers, and give you access to the ancient civilizations of Lemuria and Atlantis, showing you how to apply this knowledge to enrich your life today. In a practical, enjoyable way you will learn how to use the wisdom of the Tao to improve your daily life and heal yourself, discover the links between food and spirituality, and learn how to manifest your soul mate. This book also contains the very personal story of how Kitty Bishop attracted her own soul mate eleven years ago by following the techniques outlined in this book. The teachings in this book are tried and testedthey work. This book gives you the keys to unlocking the code. All you have to do is step through the door.

Clues to our Transcendent Nature from Experience to Reason

Student Solutions Manual for Strang's Linear Algebra and Its Applications

This is the official CHFI (Computer Hacking Forensics Investigator) study guide for professionals studying for the forensics exams and for professionals needing the skills to identify an intruder's footprints and properly gather the necessary evidence to prosecute. The EC-Council offers certification for ethical hacking and computer forensics. Their ethical hacker exam has become very popular as an industry gauge and we expect the forensics exam to follow suit. Material is presented in a logical learning sequence: a section builds upon previous sections and a chapter on previous chapters. All concepts, simple and complex, are defined and explained when they appear for the first time. This book includes: Exam objectives covered in a chapter are clearly explained in the beginning of the chapter, Notes and Alerts highlight crucial points, Exam's Eye View emphasizes the important points from the exam's perspective, Key Terms present definitions of key terms used in the chapter, Review Questions contains the questions modeled after real exam questions based on the material covered in the chapter. Answers to the questions are presented with explanations. Also included is a full practice exam modeled after the real exam. The only study guide for CHFI, provides 100% coverage of all exam objectives. CHFI Training runs hundreds of dollars for self tests to thousands of dollars for classroom training.

Happiness and the Christian Moral Life introduces students to Christian ethics through the lens of happiness. The book suggests that the heart of ethics is not rules and obligations but our deep desire for happiness and fulfillment. We achieve that happiness when we become people who love the good and seek it in everything we do. The third edition of this reader-friendly text has been revised and updated throughout. It introduces Christian ethics with sensitivity towards readers who may not be Christian themselves. After an overview of basic concepts and key thinkers such as Augustine and Thomas Aquinas, subsequent chapters explore the importance of narrative in Christian ethics, the place of friendship and community in Christian moral life, the role of virtues in our quest for fulfillment, a Christian understanding of the person, a Christian theology of freedom, and false steps on the path to happiness. Final chapters discuss the role of conscience and prudence, love, and justice. The third edition has been re-structured to better meet teaching needs by moving the discussion of narrative earlier in the book. This edition features fresh, global examples; revised introductions to key thinkers; discussions of tough, contemporary topics such as hook-up culture; careful consideration of the words of Pope Francis on themes ranging from consumerism and freedom to love and the environment; and more.

The Tao of Mermaids

PART OF A SET, which includes: Course Books 1–3, Workbooks 1–3, Essential Tagalog Grammar (a comprehensive grammar reference) and the Course Audio (7 CDs, or downloadable MP3s). Together, this fully integrated suite of learning materials provides all the essential elements you need to learn Tagalog in a fast, fun and easy way and to speak Tagalog fluently. At a pace of 15–30 minutes a day, you'll progress very quickly. In just 6 months (roughly 70 hours), you'll be able to understand and participate in everyday Tagalog conversations. --- Lively Stories, Literal and Natural Translations, Pronunciation Marks --- Through lively stories and dialogues taken from everyday life in the Philippines, you'll learn useful Tagalog sentences from day one. In the dialogues, every Tagalog sentence is broken down into manageable chunks. Every word has a literal translation, and every sentence has a natural translation, showing you what each word means and how the sentence fits together. This will greatly help you understand how Tagalog works. It will also save you a lot of time, because you don't need to look up words. All Tagalog words and sentences in the learning materials have translations and pronunciation marks, so you'll know what every word means and how to pronounce it. --- "Whole" Language Learning --- The dialogues are also an ideal way to learn the "whole" language intuitively, with all its nuances, emotions, typical expressions and choice of words. By learning vocabulary and expressions in a meaningful context, you'll remember them more easily and you'll be able to use them in the right situations. --- Comprehensive Grammar Reference, Lesson Notes --- The cultural and grammatical notes in the lessons, paired with the comprehensive grammar reference, will give you an in-depth understanding of the language, using short, simple explanations and plenty of practical examples. You'll find the grammar reference a valuable resource, even long after you have reached fluency. --- Course Audio --- By listening to the audio tracks and repeating them out loud, you'll learn the correct Tagalog pronunciation and natural intonation. Doing this will also help you memorize the sentences. --- Workbooks --- The exercises in the workbooks are very effective at reinforcing the vocabulary and sentence patterns you have learned in the lessons. They are also a great way to test your progress. You can check your answers against the answer key provided at the end of each workbook. --- Well-thought-out Structure, Learner's Perspective --- The course has a well-thought-out structure that introduces useful material early on while still being easy to follow. It has been co-authored by a non-native speaker and carefully designed from the perspective of the learner. --- Level --- Learning Tagalog: Fluency Made Fast and Easy is suitable for beginners as well as intermediate learners. Advanced learners can take it as a refresher. --- Free videos and downloads --- For free videos, free downloads and more information, visit LearningTagalog.com.

Hide and Seek, from Sara Shepard's YA Lying Game series, delivers dark family secrets, devious pranks, and nail-biting suspense. Like Sara Shepard's Pretty Little Liars series, The Lying Game is now also an ABC Family original TV show. Separated at birth, twin sisters Emma Paxton and Sutton Mercer never had a chance to meet. And now they never will. Someone murdered Sutton and forced Emma into taking her place. Sutton can only watch from beyond the grave as Emma tries to figure out who killed her—and why. But as Emma digs deeper, the girls discover that the truth may be far more terrible than they'd ever imagined—and the killer may be a lot closer to home….

Can you explain WSS model? 25. How can we use custom controls in SharePoint? 26. How can you view a detail error in SharePoint? 27. How can we display ASCX control in SharePoint pages? 28. What are WebParts and in what ways does it vary in SharePoint environment? 29. What are the different life cycle rents that WebPart goes through? 30. What's the difference between WebParts in WSS 2.0 and 3.0? 31. Can you explain the 6 steps we need to create a WebPart in SharePoint? 32. How can we implement customization and personalization in WebParts? 33. How can we create a custom editor for WebParts? 34. SharePoint is about centralizing documents, how similar is to the Windows folder? 35. Can we add custom fields to our document library documents? 36. What are content types in SharePoint?

Western culture has been moving away from its Christian roots for several centuries but the turn from Christianity accelerated in the 20th century. At the core of this decline is a loss of a sense of our own transcendence. Scientific materialism has so seriously impacted our belief in human transcendence that many people find it difficult to believe in God and the human soul. This anti-transcendent perspective has not only cast its spell on the natural sciences, psychology, philosophy, and literature, it has also negatively impacted popular culture through the writings of Richard Dawkins, Daniel Dennett, and many others. The warning signs of this loss of transcendence have been expressed by thinkers as diverse as Carl Jung (psychiatrist), Mircea Eliade (historian of religion), Gabriel Marcel (philosopher), C.S. Lewis and J.R.R. Tolkien. These warnings were validated by a 2004 study in the American Journal of Psychiatry which showed that the absence of religion alone was responsible for a marked increase in suicide rates, sense of meaningless, substance abuse, separation from family, and other psychiatric problems. Thus, the loss of transcendence is negatively affecting not only individuals' sense of happiness, dignity, ideals, virtues, and destiny, but also the culture. Ironically, the evidence for transcendence is greater today than in any other period in history. The problem is – this evidence has not been compiled and propagated. Fr. Spitzer's book provides a bright light in the midst of this cultural darkness by presenting both traditional and contemporary evidence for God and a transphysical soul from several major sources. He also shows how human consciousness and intelligence is completely special – and cannot be replicated by artificial intelligence or animal consciousness. We are transcendent beings with souls capable of surviving bodily death – self-reflective beings aware of perfect truth, love, goodness, and beauty. We are beings with an unrestricted capacity to know and create science, law, culture, art, music, literature, and so much more. The evidence reveals that we have the dignity of being created in the very image of God, and if we underestimate it, we will undervalue one another, underlive our lives, and underachieve our destiny. This work is the most comprehensive treatment of human transcendence available today.

The Last Pope

Spændingsroman. Nearly three decades after the sudden death of Pope John Paul I from an apparent heart attack, reporter Sara Monteiro returns from vacation to find an envelope with a list of names and a coded message linked to the mysterious death

A visiting celebrity baker is cut down in the kitchen in the New York Times–bestselling series: "A delightful confection."—Library Journal Preparations are under way for Lake Eden, Minnesota's annual Winter Carnival—and Hannah Swensen will be extra busy at her shop, The Cookie Jar. Too bad the honor of creating the official Winter Carnival cake went to famous lifestyle maven Connie Mac—a half-baked idea, in Hannah's opinion. She suspects Connie Mac's sweet cable-TV image is a cover for something more bitter. Hannah's suspicions are confirmed when Connie Mac's limo rolls into town. Turns out America's "Cooking Sweetheart" is bossy, bad-tempered, and downright domineering. Things finally boil over when Hannah arrives at The Cookie Jar to find the Winter Carnival cake destroyed—and Connie Mac lying dead in her pantry, struck down while eating one of Hannah's famous blueberry muffins. Next thing Hannah knows, the police have declared The Cookie Jar's kitchen crime scene off-limits. She's a baker without an oven—and the Carnival is right around the corner. Her only alternative is to cook up a plan to save her business—by finding the killer herself… Includes seven original cookie and dessert recipes for you to try! "Delicious food descriptions and recipes, warm and familiar characters who grow into real people…a vivid picture of the small lake town and a well-crafted mystery provide the ingredients for yet another tempting feast that should satisfy all fans, old and new."—Publishers Weekly

The must-read summary of Ray Dalio's book: "Principles". Ray Dalio, one of the world's most successful investors and entrepreneurs, shares the unconventional principles that he's developed, refined, and used over the past 40 years to create unique results in both life and business - and which any person or organization can adopt to help achieve their goals. Added- value of this summary: • Save time • Understand the key lessons in personal change • Expand on your motivation To learn more, read "Principles". In Principles, Dalio shares what he's learned over the course of his remarkable career. He argues that life, management, economics, and investing can all be systemized into rules and understood like machines. The book's hundreds of practical lessons, which are built around his cornerstones of "radical truth" and "radical transparency", include Dalio laying out the most effective ways for individuals and organizations to make decisions, approach challenges, and build strong teams. He also describes the innovative tools the firm uses to bring an idea meritocracy to life, such as creating "baseball cards" for all employees that distill their strengths and weaknesses and employing computerized decision-making systems to make believability-weighted decisions. While the book brims with novel ideas for organizations and institutions, Principles also offers a clear, straightforward approach to decision making that Dalio believes anyone can apply, no matter what they're seeking to achieve. Here, from a man who has been called both "the Steve Jobs of investing" and "the philosopher king of the financial universe" (CIO magazine), is a rare opportunity to gain proven advice unlike anything you'll find in the conventional business press.

SPECIAL NOTE! -- ANNE WILL PERSONALLY ANSWER ANY QUESTION OF YOURS AFTER READING THIS BOOK. ASK ON HER WEB SITE, AND YOU'LL NORMALLY HEAR BACK WITHIN HOURS! Maybe you've made melt-and-pour soap and want to move on to something more challenging and rewarding. Maybe traditional soapmaking appeals to you, but you figure that working with lye is too difficult or dangerous. Or maybe you're already doing it, but outmoded ideas and methods are complicating the process and slowing you down. No matter which of these fits you, you'll find "Smart Soapmaking" practical, helpful, and refreshing. Written by a former professional soapmaker, this book explodes the myths about soapmaking and shows you how to make luxurious soap from scratch with the least fuss and bother. With both customary and metric measurements, plus a list of suppliers in five countries, "Smart Soapmaking" is the first truly international book on the craft! // Anne L. Watson is the first author to have introduced modern techniques of home soapmaking and lotionmaking to book readers. She has made soap under the company name Soap Tree, and before her retirement from professional life, she was a historic preservation architecture consultant. Anne and her husband, Aaron Shepard, live in Friday Harbor, Washington. // ******RECOMMENDED BY THE HANDCRAFTED SOAP & COSMETIC GUILD****** "Should become THE book for soapmaking. . . . It's about time someone wrote a book like this. Most are idealistic and inaccurate. This book has a wonderful common sense approach that is SO long overdue. . . . I can recommend it with 100% confidence." -- Susan Kennedy, Oregon Trail Soaps, Rogue River, Oregon "Smart it is . . . . A simple, no-nonsense book that cuts through the curmudgery of stifling soap bibles like no other." -- Shellie Humphries, Harstine Island, Washington "Way overdue. . . . A gift of common sense caution, proven methods, tried-and-true shortcuts, and some excellent recipes as well, for both the professional/experienced soapmaker and the eager beginner." -- Deb Petersen, Shepherd's Soap Co., Shelton, Washington "A great book for beginners, with clear and easy instructions." -- Anne-Marie Faiola, Bramble Berry Inc., Bellingham, Washington "I learned more from Smart Soapmaking than from any other soaping book, and I have read quite a few. . . . It's written with the average person in mind, not a chemistry major. Directions are very simple and easy to understand. It really takes the mystery out of making soap." -- Jackie Pack, Stuart, Virginia "Groundbreaking . . . . Anne L. Watson [is the] universally respected and loved author/crafter/curator of this lost art for thousands of aspiring soapers . . . . Unquestionably the best book with which to begin. To be precise, it's probably the most accessible, most reader-friendly, and most immediately useful container of information a first-time soapmaker could hope to find." -- Wishing Willow (blog)
