

Christmas Chaos (Seek It Out)

"Illustrated scenes related to the zoo invite readers to find a list of objects hidden within them"--Provided by publisher.

Imagine a year without Christmas. No crowded shops, no corny office parties, no fruitcakes, no unwanted presents. That's just what Luther and Nora Krank have in mind when they decide that, just this once, they'll skip the holiday altogether. Theirs will b

Decker Davenport is on a deadline. He has thirty days — Christmas Eve, to be exact — to remodel a St. Augustine Victorian house or the owner will put it back on the market. Not a good time for Decker's decorator to take off on a honeymoon, leaving him with Annalise Owens, a stand-in with a malaise he isn't privy to. But as he watches Annalise work miracles on the house and his daughter, he realizes the two of them have bonded in some ethereal way, as if they've always known each other. Christmas Eve approaches. Decker still sees the curious malaise in Annalise's eyes. A haunting that even his kiss can't take away. What secret does the new woman in his house possess? And will learning Annalise's secret bring him and his daughter joy, or tear their world apart? What readers are saying about Jackie's books: [REDACTED] "Ms. Weger's writing style is honest and down-to-earth. Her characters are well developed, realistic, and draw you in quickly." — Big Al's Books and Pals Reviewer [REDACTED] "Jackie Weger writes fluently, understandably, makes it flow with pitch and power." — Read Along with Sue [REDACTED] "Jackie Weger is a gem. I found her writing very unique and comfortable and so annoyingly beautiful." — Coffeeholic Bookworm

Many agree that the foreign aid system - which today involves virtually every nation on earth - needs drastic change. But there is much conflict as to what should be done. In Aid on the Edge of Chaos, Ben Ramalingam argues that what is most needed is the creative and innovative transformation of how aid works. Foreign aid today is dominated by linear, mechanistic ideas that emerged from early twentieth century industry, and are ill-suited to the world we face today. The problems and systems aid agencies deal with on a daily basis have more in common with ecosystems than machines: they are interconnected, diverse, and dynamic; they cannot be just simply re-engineered or fixed. Outside of aid, social scientists, economists, business leaders, and policy makers have started applying innovative and scientific approaches to such problems, informed by ideas from the 'new science' of complex adaptive systems. Inspired by these efforts, aid practitioners and researchers have started experimenting with such approaches in their own work. This book showcases the experiences, insights, and often remarkable results of innovative thinkers and practitioners who are working to bring these approaches into the mainstream of aid. From transforming child malnutrition to rethinking economic growth, from building peace to reversing desertification, from rural Vietnam to urban Kenya, the ideas of complex systems thinking are starting to be used to make foreign aid more relevant, more appropriate, and more catalytic. Aid on the Edge of Chaos argues that such ideas and approaches should play a vital part of the transformation of aid. Aid should move from being an imperfect post-World War II global resource transfer system, to a new form of global cooperation that is truly fit for the twenty-first century.

Three of the most original thinkers of our time explore issues that call into question our current views of reality, morality, and the nature of life. • A wide-ranging investigation of the ecology of inner and outer space, the role of chaos theory in the dynamics of human creation, and the rediscovery of traditional wisdom. In this book of "trialogues," the late psychedelic visionary and shamanologist Terence McKenna, acclaimed biologist and originator of the morphogenetic fields theory Rupert Sheldrake, and mathematician and chaos theory scientist Ralph Abraham connection to cosmic consciousness. Their observations call into question our current views of reality, morality, and the nature of life in the universe. The authors challenge the reader to the deepest levels of thought with wide-ranging investigations of the ecology of inner and outer space, the role of chaos in the dynamics of human creation, and the resacralization of the world. Among the provocative questions the authors raise are: Is Armageddon a self-fulfilling prophecy? Are you humens the imaginers or the imagined? Are the eternal laws of nature still ever consciousness? Part ceremony, part old-fashioned intellectual discussion, these triologues are an invitation to a new understanding of what Jean Houston calls "the dreamscapes of our everyday waking life."

There's something for everyone in this collection of heartwarming Christmas stories and essays that covers everything from the birth of Jesus to the establishment of Yuletide traditions and the enduring popularity of holiday programming classics like A Charlie Brown Christmas and It's a Wonderful Life.

'Twas the day before Christmas and all was right,
For Wendy and two elves were in an epic fight!She tried to peek early, which made the elves mad,
Who now seek revenge for behavior so bad!Can peace and joy be restored before Christmas morning hits?Or is young Wendy Naughty List bound because of her fit

It is a chilly winter season in North Carolina with Hope and her daughter, Cori, getting ready for the holidays. As she faces her first Christmas without her husband, Howard continues to search for the person responsible for her resident ghost's century-old murder. After interviewing a descendant of one of the suspects, trouble begins to brew with a false accusation, an unusual gift, and an unpleasant surprise. Will Hope be able to figure out what's going on without putting her own life in danger?

The right to own property is something we generally take for granted. For refugees living in camps, in some cases for as long as generations, the link between citizenship and property ownership becomes strained. How do refugees protect these assets and preserve communal ties? How do they maintain a sense of identity and belonging within chaotic settings? Protection Amid Chaos follows people as they develop binding claims on assets and resources in challenging political and economic spaces. Focusing on Palestinians living in refugee camps in Lebanon and Jordan, it shows how the first to arrive developed flexible though legitimate property rights claims based on legal knowledge retained from their homeland, subsequently adapted to the restrictions of refugee life. As camps increased in complexity, refugees merged their informal institutions with the formal rules of political outsiders, devising a broader, stronger system for protecting their assets and culture from predation and state incorporation. For this book, Nadya Hajj conducted interviews with two hundred refugees. She consults memoirs, legal documents, and findings in the United Nations Relief Works Agency archives. Her work reveals the strategies Palestinian refugees have used to navigate their precarious conditions while under continuous assault and situates their struggle within the larger context of communities living in transitional spaces.

"A Gospel Christmas is an undeniable, grace-filled picture of the gospel message, taught in an easy-to-understand format designed not only for the youngest children, but also for the most seasoned adults." - Adrienne Terrebonne, Author of Mommy Has Crinkles With Kids in tow
It can be quite difficult to rein in the "Holiday" chaos of the Christmas season. Presents, lights, parties, decorations, hosting family, and all the "plastic stuff" we spend an entire paycheck on can get out of control in the blink of an eye. As the holiday pressure grows, you might wonder . . . How do I teach my children the true meaning of Christmas in a world that calls it a Holiday? • How do I keep all the fun and point them to our Savior at the same time? • Is it possible to connect Baby Jesus, Santa, and even that naughty little Elf? If you have struggled with these questions, then you are in the right place! Join Jennifer on this journey of celebration and watch not only your children, but your whole family embrace the true meaning of Christmas. This is one family's story of how teaching Elfa a little grace, and exploring the life of Jesus through scripture and easy crafts, took their Christmas from self-centered to Kingdom-minded. "Jennifer has penned a tremendous tool for parents to not only teach but become engaged with their children in practical, inspiring ways that will leave indelible marks on their hearts and lives. She employs all five of the senses to drive home some eternal truths of the birth of our Lord and Savior. One has no trouble at all envisioning wide-eyed children as the day to day exercises of learning unfold. This book will leave you hungering for more ways to make other Bible stories come alive as well." - Mike

Chestnuts roasting on an open fire, Jack Frost nipping on your nose. How many Christmases have you had like that? Exactly The Internet Shoppers Guide to Christmas aims to help you do just that. Unique, handy & highly practical, this guide is aimed at helping real people use the internet to solve their Christmas nightmares. Produced by SeeK.net, the people behind the UK's largest circulated internet guides, it contains features written by leading industry experts and 100's of useful websites, cleverly categorised at your fingertips to help you plan, shop and travel online. You can source the perfect gift from quality websites without breaking the bank or killing your feet. We'll show you when and how to win at auction sites. The preparation and celebration section allows you to track down some real hidden food and drink gems, and the travel section helps those for whom the only way to survive the Christmas chaos is to get away from it all And at home, when the whole world seems to have closed down, we'll point you in the right direction to sort those emergencies such as a blocked drain or sprained ankle. Chicken Soup for the Soul: The Cancer Book delivers 101 powerful stories of courage, hope, support, and love to help cancer patients and their families. A bonus memoir by a cancer patient bound in, with intimate and helpful words of advice. A support group you can hold in your hand, this loving and inspirational collection of intimate stories, by cancer patients and their loved ones, medical professionals, clergy and friends, is a must-read for anyone affected by cancer. Writers share all their experiences – from the initial diagnosis, to breaking the news to loved ones, to discussing the effect on home, school and work, from securing a medical team to living through an ever changing self-image, from the embarrassment of losing hair to discovering a new spirituality. A bonus book, a no-holds-barred memoir by cancer patient Elizabeth Bayer, is bound into this volume, after the full-length Chicken Soup for the Soul book.

For the first time ever, the leader of the Viking Vampire Angels, Vikar Sigurdson, has been talked into celebrating a traditional Christmas! The tree has been decorated, the gifts have been wrapped, and the stockings have been hung. And that's mistletoe, not cobwebs, hanging from the ceiling of the creepy castle full of vengels ... really! The icing on the vampire cookie comes when vangel Karl Mortensen rescues Faith Larson, a battered young waitress, from her abusive boyfriend and hides her in the castle amidst the Christmas chaos. But what Karl thought was a frail young teenager is actually a very tempting woman. And she thinks his fangs are sexy! But a strange "Christmas visitor" at the castle and demon vampires up to their old tricks could threaten the budding romance between Karl and Faith. It's an impossible match—a human and a vangel—but Christmas is a time for magic. Karl and Faith don't stand a chance ...

Shooting at the Stars is the moving story of a young British soldier on the front lines during World War I who experiences an unforgettable Christmas Eve. In a letter home to his mother, he describes how, despite fierce fighting earlier from both sides, Allied and German soldiers ceased firing and came together on the battlefield to celebrate the holiday. They sang carols, exchanged gifts, and even lit Christmas trees. But as the holiday came to a close, they returned to their separate trenches to await orders for the war to begin again.John Hendrix wonderfully brings this story to life, interweaving fact and fiction along with his detailed illustrations and hand-lettered text. His story celebrates the humanity and kindness that can persist even during the darkest periods of our history. Back matter includes a glossary, additional information about World War I and the Christmas Truce and its aftermath, and an archival photograph taken during the Truce. Also available by John Hendrix: Miracle Man Praise for Shooting at the Stars STARRED REVIEWS "Few titles at this level convey the futility of World War I as well as this one does. A first choice." --School Library Journal, starred review "Timed with the centenary of World War I but a lesson for always, Hendrix's tale pulls young readers close and shows the human side of war." --Kirkus Reviews, starred review

A Gospel Christmas: Our Journey Connecting Santa and His Elf to the Story of our Savior

Out-Of-This-World Aliens

An Animal-Invaded Christmas Tale

If you play hide-and-seek with a blizzard, the storm will undoubtedly win. Inside every adult rushing around to make things perfect for Christmas is a child living the perfect holiday. On the last day of school when children are let out for winter break, a young boy plays an unfortunate game of hide and seek. He ignores the signs of the oncoming blizzard and stays in his hiding spot, until it becomes his chilly tomb. Years later, an amateur sleuth Nicole Scott is carrying on her mother's holiday tradition of baking goodies for family and friends in her curious town of Eubanks. Her paranormal gift of being able to see and hear ghosts means the spirit of her mother, Martha is not very far away to hover over her while she bakes the cookies. Outside her home an antsy frozen ghost reaches out for answers this holiday season. He's still playing this game of hide and seek, but is ready to be found. Nicole listens to his sad tale and at the spot of his passing, reunites him with the family he thought he lost. Thawed On Christmas, is a behind the Lore short and part of Nikki Henley's, Curious in Eubanks Paranormal Cozy Mysteries series. Set in a small town of curiously quirky paranormal residents this short story can be read as a standalene. It is written to give you the reader an extended experience of the characters of Eubanks. Always, no cliffhangers. No swearing. No graphic scenes. Thank you for reading.

Twas the night (okay, more like the week) before Christmas and little Joshua Barker is in desperate need of a Christmas miracle. Josh is sure he saw Santa take a shovel to the head and now the seven year old has only one prayer: Please Santa, come back from the dead! But coming to Earth, seeking a small child whose wish needs granting, is none other than Archangel Raziel. Unfortunately, he's not sporting the brightest halo in the bunch and before you can say 'Kris Kringle,' he's botched his sacred mission and sent the residents of Pine Cove heading into Christmas chaos, culminating in the most hilarious and horrifying holiday party the town has ever seen.

Yuletide Blessings

It's beginning to look a lot like Christmas at the café at Seashell Cove, where there's hot chocolate to keep you warm – and the man of your dreams could be waiting... Interior designer Tilly Campbell loves being carefree and single. But her latest job is redecorating the cosy local café for a Christmas party, and when her friends confess their plans for the big night – including a proposal, a declaration of love and a pregnancy announcement – Tilly starts to wonder if she might be missing out... Transforming the café into gorgeous newcomer Seth, Tilly welcomes the distraction. Seth is a single father, struggling to settle his son Jack into their new cottage, and Tilly is determined to help them make their house into a home in time for Christmas. But with the café still in chaos just days before the party it looks like it's going to be a Christmas to remember for all the wrong reasons... With friends old and new relying on her, can Tilly save the Christmas party? And could she finally find love waiting for her under the mistletoe? A heart-w of Sue Moorcroft, Holly Martin and Debbie Johnson! What readers are saying about The Christmas Cafe at Seashell Cove: 'The absolute perfect read... Would definitely recommend this one without a shadow of a doubt! Fantastic!' Stardust Book Reviews, 5 stars 'I absolutely adore this ... The perfect Christmassy story... Absolutely perfect!' Goodreads reviewer, 5 stars 'A heart-warming, hilarious read about friendship, family and the meaning of Christmas... Get swept away as I did with this book.' Goodreads reviewer, 5

the first page – in fact make that funny from the first paragraph! I so enjoyed this light-hearted and feel-good read ... I found myself chuckling along ... Engaging and very witty.' Goodreads reviewer 'Oh how I love Seashell Cove! It's probably one of my favourite series – ever... It's funny throughout, it's engaging, and just written beautifully... I loved, loved, loved being back in Seashell Cove... Keeps you hooked to the story until the very last page.' The Coolest Corner, 5 stars 'If this book doesn't get you into the spirit of Christmas, I enjoy every aspect of this wonderful novel. The Christmas Cafe at Seashell Cove is one that will definitely warm your heart. It's a fabulous story... One to put a smile on your face and joy in your heart!' By the Letter Book Reviews, 5 stars 'A lovely, cosy and heartwarming Christmas story... Makes you laugh out loud.' B for Book Review, 5 stars 'A perfect read for the holidays.' Goodreads reviewer 'I love Seashell Cove!... Heartwarming.' Goodreads reviewer, 5 stars 'Fabulous... I loved reading every moment

lovely story from an author who is fast becoming a drop-everything-and-read-now author – in fact I pretty much did that with this book and didn't regret it. Such a pleasurable story to lose yourself in for a few hours.' Rachel's Random Reads, 5 stars 'I instantly fell for Seth... Full of Christmas cheer, romantic moments, and gives you that feel-good feeling... Real laugh-out-loud moments... Excellent.' Star Crossed Reviews 'Heartwarming... Perfect for cosy days in during the festive season.' Goodreads reviewer, 5 stars

"Illustrated scenes related to princesses invite readers to find a list of objects hidden within them"--Provided by publisher.

The title of this book, Very Short Reflections--for Advent and Christmas, Lent and Easter, Ordinary Time and Saints--through the Liturgical Year, accurately describes its contents. Chapter 1 presents a short reflection for every day of the Advent Season. Chapter 2 does the same for every day of the Christmas season. Lent is covered in chapter 3, the Sacred Paschal Triduum in chapter 4, and the fifty days of the Easter season in chapter 5. Chapter 6 covers Ordinary Time. And chapter 7 presents a short reflection for every year. The short reflections are based on sets of Mass texts--Entrance Antiphon, Collect, Prayer over the Offerings, Preface, Communion Antiphon, Prayer after Communion, and Prayer over the People--presented for every day of Advent and Christmas, Lent and Easter, Ordinary Time and saints in The Roman Missal. The reflection identifies the theme of the day and presents how it is manifested in the Mass texts. These very short reflections are designed to expose to the reader the liturgical spirituality that emanates

Chicken Soup for the Soul: The Cancer Book

On the first day of Christmas, my true love... dumped me. Poppy loves Christmas and always goes all out to make this magical time of the year extra special for her boyfriend George. But George is strangely not in the Yuletide spirit this year. As Poppy wrestles him into her Christmas jumper built for two for a holiday snapshot, she finds out why. He's leaving her. With only twelve days to spend together until Christmas, Poppy is heartbroken. George is the love of her life, and what would Christmas be without kisses under the mistletoe, his mum's delicious homemade gingerbread or their super-competitive games of Pictionary? She's determined to win George back. So, anxious to prove to him she can be spontaneous, she signs up as a Christmas volunteer at the local community centre. What she doesn't know is that there's a festive surprise coming her way... As Poppy throws herself into her new role – mulling vats of hot cider and hanging fairy lights off everything within reach – she discovers an inner strength she never knew she had. And there's also Theo. Her new boss. Grumpy and opinionated, he's everything she doesn't want. But as the snow starts to fall, she begins to notice other things about him – like his twinkling green eyes, how he makes her laugh, and how much he cares about the people he's trying to help. As the twelfth day approaches, Poppy might be about to discover that the most perfect Christmas might be the one that she didn't plan at all... Fans of One Day in December, Beth O'Leary and Mhairi McFarlane will be completely enchanted by this witty and warm festive story about friendship, love and finding yourself. Readers can't get enough of Elizabeth Neep: 'Loved loved loved this story... If you buy one book this year buy this one. Fabulous author, fantastic story...
