

Crème De La Crème (Great British Bake Off)

Bake your way through the much-loved BBC1 series with this beautiful, fully photographic cookbook of 120 original recipes, including those from both the judges and the bakers. This book is for every baker – whether you want to whip up a quick batch of easy biscuits at the very last minute or you want to spend your time making a breathtaking showstopper, there are recipes and decoration options for creating both. Using straightforward, easy-to-follow techniques there are reliable recipes for biscuits, traybakes, bread, large and small cakes, sweet pastry and patisserie, savoury pastry, puddings and desserts. Each chapter transports you on set and showcases the best recipes from the challenges including Mary and Paul’s Signature Bakes, Technical Challenges and Showstoppers, plus the best bakers’ recipes from the show. There are step-by-step photographs to help guide you through the more complicated techniques and stunning photography throughout, making this the perfect gift for all bakers and Bake Off fans.

Use the new XPages Extension Library to build state-of-the art web and mobile applications more easily - and get them to market faster!
* *The first and only complete guide to next-generation Domino development with IBM’s powerful new XPages Extensibility Framework.
*Begins where Mastering XPages left off: gives a loyal community of IBM Lotus XPages users crucial information on the XPages Extension Library’s breakthrough capabilities.
*By an all-star team of XPages experts inside and outside IBM.
The XPages Extensibility Framework is one of the most powerful new features built into IBM Lotus Notes Domino 8.5.2. Using it, developers can build their own artifacts and move far beyond XPages’ out-of-the-box features. XPages extensibility has already spawned the creation of many exciting new user interface components that are freely available to the global Lotus development community. Now, a team of all-star XPages experts from inside and outside IBM show developers how to take full advantage of the XPages Extensibility Framework, Extension Library, Extensibility API, and the growing portfolio of components built with them. The authors walk through installing and configuring the XPages Extension Library, integrating it with Lotus Notes Designer, and using new XPages components to quickly build state-of-the-art web and mobile applications. Combining reference material and practical use cases, it serves as a step-by-step guide for XPages developers at all levels of experience.

Still the Greatest

A Cookbook to Give You the Cream of the Crop, These Recipes Truly Rose to the Top

The Royal Dictionary Abridged

Get inspired and plan your next trip with Fodor’s ebook travel guide to Dordogne and Southwest France (including Bordeaux, the Basque Country, and Paris with highlights in between). Intelligent Planning: Discover all of the essential, up-to-date travel insights you expect in a Fodor’s guide, including Fodor’s Choice dining and lodging, top experiences and attractions, and detailed planning advice. Easy Navigation for E-Readers: Whether you’re reading this ebook from start to finish or jumping from chapter to chapter as you develop your itinerary, Fodor’s makes it easy to find the information you need with a single touch. In addition to a traditional main table of contents for the ebook, each chapter opens with its own table of contents, making it easy to browse. Full-Color Photos and Maps: It’s hard not to fall in love with Southwest France as you flip through a vivid full-color photo album. Explore the layout of city centers and popular neighborhoods with easy-to-read full-color maps. Plus get an overview of French geography with the convenient atlas at the end of the ebook. What’s Covered? Get to Know Dordogne and the Best of Southwest France: One of the hottest destinations in France, the Dordogne is a stone-cottage pastoral studded with fairy-tale castles, storybook villages, and France’s top prehistoric sights. The wines of Bordeaux are the standard against which others are measured. They’ve made the city rich and the owners of its vineyards, like Château Mouton-Rothschild, even richer. The Basque Country will put you under its spell, whether you head for Bay of Biscay resorts like Biarritz, coastal villages such as St-Jean-De-Luz, or the Pyrenean peaks. No trip to France would be complete without a stop in Paris. A quayside vista that takes in the Seine, a passing boat, Notre-Dame, the Eiffel tower, and mansard roofs all in one generous sweep is enough to convince you that this is indeed the most beautiful city on Earth. Note: This ebook edition includes photographs and maps that will appear on black-and-white devices but are optimized for devices that support full-color images.

For dessert lovers everywhere, a mouthwatering illustrated history of cakes from around the globe.

Edinburch was the place where Miss Jean Brodie taught her girls to believe they were the 'creme de la creme', where there was a real St. Trinnean's, and where an unusually large ploportion of the city's girls went to independent schools. Alasdair Roberts has produced a social history of this special feature of Edinburgh life."

Great Neck, New York, is one of America's most fascinating suburbs. Settled by the Dutch in the 1600s, generations have been attracted to this once quiet enclave for its easy access to New York City and its tranquil setting by the Long Island Sound. This illustrious suburb has also been home to a number of film and theatrical luminaries from Groucho Marx and Oscar Hammerstein to comedian Alan King and composer Morton Gould. Famous writers who have lived there include Ring Lardner and of course, F. Scott Fitzgerald, who used Great Neck as the inspiration for his classic novel The Great Gatsby. Although frequently recognized as the home to well-known personalities, Great Neck is also notable for the conspicuous way it transformed itself from a Gentle community, to a mixed one, and, finally, in the 1960s, to one in which Jews were the majority. In Inventing Great Neck, Judith Goldstein tells this lesser known story. The book spans four decades of rapid change, beginning with the 1920s. Throughout the early half of the century, Great Neck was a leader in the reconfiguration of the American suburb, serving as a playground of rich estates for New York’s aristocracy. Throughout the forties, it boasted one of the country’s most outstanding school systems, served as the temporary home to the United Nations, and gave significant support to the civil rights movement. During the 1950s, however, the suburb diverged from the national norm when the Gentle population began to lose its dominant position. Inventing Great Neck is about the allure of suburbia, including the institutions that bind it together, and the social, economic, cultural, and religious tensions that may threaten its vibrancy. Anyone who has lived in a suburban town, particularly one in the greater metropolitan area, will be intrigued by this rich narrative, which illustrates not only Jewish identity in America but the struggle of the American dream itself through the heart of the twentieth century.

Romy smiled disarminglly at the Datin. But with her Versace shades still firmly on and her Cassey Can mask drawn equally firmly across her face, it was akin to trying to make eye contact with a ninja.. PI Romy is a small-time detective, working the angles to cari makan in a KL on the brink of dystopia because of Covid. Plagued by the demons of his own past, he stolidly bumbles along through life in his socially awkward way, bequiled yet bemused by the antics of his atas clients, whom he describes to himself as 'double confirm weird laikat.' Distinctively Malaysian in essence and locale, the PI Romy detective stories are a nostalgic and irreverent glimpse into the cultural melting pot of 20th century Malaysia in a 21st century setting. (Buku Piki) (Piki Now)

Have you heard from our hero? Have you heard from the hero within you? Has that inner voice ever compelled you to reach for an elusive dream, or did you turn away, and deny that dream as foolishness? What if fantasy and reality converged, and you were given the chance to make a dream come true? How far would you go? How much of yourself would you risk?

Idioms and idiomatic expressions classified into topics for easy reference during the writing of compositions. Includes quick translation in BM, description of meanings in English, sample sentences and sample essays.

Insiders' Guide@ to Greater Fort Lauderdale

Lippincott's Monthly Magazine

In Strong on Music Vera Brodsky Lawrence uses the diaries of lawyer and music lover George Templeton Strong as a jumping-off point from which to explore every aspect of New York City's musical life in the mid-nineteenth century. This third and final volume ranges across opera, orchestral and chamber music, blackface minstrels, military bands, church choirs, and even concert saloons. Among the many striking scenes vividly portrayed in Repercussions are the rapturous reception of Verdi's Ballo in maschera in 1861; the impact of the Civil War on New York's music scene, from theaters closing as their musicians enlisted to the performance of "The Star-Spangled Banner" at every possible occasion; and open-air concerts in the developing Central Park. Throughout, Lawrence mines a treasure trove of primary source materials including daily newspapers, memoirs, city directories, and architectural drawings. Indispensable for scholars, Repercussions will also fascinate music fans with its witty writing and detailed descriptions of the cultural life of America's first metropolis. Formerly a concert pianist, Vera Brodsky Lawrence spent the last third of her life as a historian of American music (she died in 1996). She was editor of The Piano Works of Louis Moreau Gottschalk and The Complete Works of Scott Joplin. On Volume 1: "A marvelous book. There is nothing like it in the literature of American music."—Harold C. Schonberg, New York Times Book Review On Volume 2: "A monumental achievement."—Victor Fell Yellin, Opera Quarterly The perfect gift to help a teenager get happy, be successful, and make good decisions. Being a teen ain't easy. And unfortunately, there aren't any classes to help navigate through those teen years. Luckily, Dad's Great Advice for Teens provides 25 short pieces of unorthodox Great Advice, filled with humor, wisdom, and inspirational quotes, to help teens:

The Big Book of Beastly Mispronunciations

As recommended by USA Today and excerpted on RollingStone.com! Still the Greatest is a love song to the songwriting and recording achievements of Paul, John, George, and Ringo after each struck out on his own. In this creative history, Jackson selects the best songs by each in his solo career and organizes them into fantasy albums they might have formed had they stuck it out. This romp through the post-Beatle history of each artist delves into the circumstances behind the composition, recording, and reception of each work, offering a refreshing take on how spectacular much of the Beatles' second act truly is. Jackson assesses the over seventy albums and nine hundred songs they collectively released, selecting the crème de la crème of their output.

As a speaker and author myself, I have spent the past thirty-five years both writing and gathering great, great stories and quotes to utilize in my own speaking engagements and book-writing. Why? Because I recognized early on that the best speakers and writers always employed stories to convey their messages. This book is literally filled the some of the best stories and quotes you can find!

Comic Relief: A Comprehensive Philosophy of Humor develops an inclusive theory that integrates psychological, aesthetic, and ethical issues relating to humor Offers an enlightening and accessible foray into the serious business of humor Reveals how standard theories of humor fail to explain its true nature and actually support traditional prejudices against humor as being antisocial, irrational, and foolish Argues that humor's benefits overlap significantly with those of philosophy Includes a foreword by Robert Mankoff, Cartoon Editor of The New Yorker
