The woman behind the icon known as Elvira, Mistress of the Dark, the undisputed Queen of Halloween, reveals her full story, filled with intimate bombshells, told by the bombshell herself. On Good Friday in 1953, at only 18 months old, 25 miles from the nearest hospital in Manhattan, Kansas, Cassandra Peterson reached for a pot on the stove and doused herself in boiling water. Third-degree burns covered 35% of her body, and the prognosis wasn't good. But she survived. Burned and scarred, the impact stayed with her and became an obstacle she was determined to overcome. Feeling like a misfit led to her love of horror. While her sisters played with Barbie dolls, Cassandra built model kits of Frankenstein and Dracula, and idolized Vincent Price. Due to a complicated relationship with her mother, Cassandra left home at 14, and by age 17 she was performing at the famed Dunes Hotel in Las Vegas. Run-ins with the likes of Frank Sinatra, Sammy Davis Jr., and Tom Jones helped her grow up fast. Then a chance encounter with her idol Elvis Presley, changed the course of her life forever, and led her to Europe where she worked in film and traveled Italy as lead singer of an Italian pop band. She eventually made her way to Los Angeles, where she joined the famed comedy improv group, The Groundlings, and worked alongside Phil Hartman and Paul "Pee-wee" Reubens, honing her comedic skills. Nearing age 30, a struggling actress considered past her prime, she auditioned at local LA channel KHJ as hostess for the late night vintage horror movies. Cassandra improvised, made the role her own, and got the job on the spot. Yours Cruelly, Elvira is an unforgettable wild memoir. Cassandra doesn't shy away from revealing exactly who she is and how she overcame seemingly insurmountable odds. Always original and sometimes outrageous, her story is loaded with twists, travails, revelry, and downright shocking experiences. It is the candid, often funny, and sometimes heart-breaking tale of a Midwest farm girl's long strange trip to become the world's sexiest, sassiest Halloween icon.

'We have all caught fleeting glimpses of them: the monster under the bed, the dark shadow just out of sight, the knot of unexpected terror in the pit of your stomach' – Kahlan Amnell. The world has been forged anew. Tyranny vanquished, the breach between the living and the dead healed, the stars themselves realigned. It is the triumph Richard Rahl and his wife Kahlan Amnell fought so hard, over so many years, for. Ruling a vast realm encompassing lands and peoples unknown, they have vowed to bring a golden age of peace to a world shattered by terror and war. What Richard does not expect is a demand for his immediate, unconditional surrender. Not of D'Hara, but of the entire world... The Scribbly Man is the first episode in Terry Goodkind's new serial novel, The Children of D'Hara. Told in irresistibly intense instalments, this is the story of a world confronted by an apocalyptic nightmare. If you've read Terry Goodkind before, welcome back. If you haven't, there's no better place to start than here. 'I want to introduce everyone to THE CHILDREN OF D'HARA, a new series that continues the story of the lives of Richard and Kahlan. This is a journey that began 25 years ago with the 1994 release of WIZARD'S FIRST RULE, when Richard first met Kahlan that fateful day in the Hartland woods. After the Sword of Truth series ended, I knew there was more to Richard and Kahlan's story. Much more. A whole world more. For years, readers have asked me about Richard and Kahlan's lives after the Sword of Truth series... and importantly, about their children. While my masterwork, Sword of Truth, concluded with WARHEART – 20 languages and 26 million books sold – I was burning to tell readers more about Richard and Kahlan. For that reason, this new series starts immediately after the 'Sword of Truth' books ended. Without skipping a beat, readers will plunge back into Richard and Kahlan's lives, with new episodes releasing every three months. So it is that I want to welcome you all back into the Sword of Truth world with many of the characters besides Richard and Kahlan, such as the Mord-Sith, that we have come to love. Learn what the star shift has done to their world and what monsters now lurk in shadows. I promise an arresting, beautiful, and sometimes tragic adventure that will keep you glued to this irresistible story.' – Terry Goodkind.

Women in Love follows lives of the Brangwen sisters, Ursula a schoolteacher, and Gudrun a painter. They meet two men who live nearby, school inspector Rupert Birkin and Gerald Crich, heir to a coal-mine, and the four become friends. Ursula and Birkin begin a romantic friendship, while Gudrun and Gerald eventually begin a love affair. The emotional relationships thus established are given further depth and tension by an intense psychological and physical attraction between Gerald and Rupert. All four are deeply concerned with questions of society, politics, and the relationship between men and women. The novel ranges over the whole of British society before the time of the First World War and eventually concludes in the snows of the Tyrolean Alps.

Return to the the epic tale of the Lord of the Isles, David Drake's saga of magic and might. For the first time in a thousand years, the Kingdom of the Isles has a government and a real ruler: Prince Garric of Haft. The enemies joining against him intend to destroy not only the kingdom but humankind as well. The rebels gathering in the West outnumber the royal army and the magic they wield can strike into the heart of the palace itself, but far greater dangers lie behind those. On the far fringes of the Isles, ancient powers ready themselves for a titanic struggle in which human beings are mere pawns—or fodder! Reptilian and insect monsters from out of the ages march on the kingdom, commanded by wizards no longer human or never human at all. If unchecked, their ravering slaughter will sweep over the Isles as destructively as a flood of lava. Garric, ripped from his time and body, must make new allies if he and his Kingdom are to survive. Watching them all from the blackness of a tomb walled off in time and space, the Mistress waits... And her fangs drip poison! Roger and Carolyn Perron purchased the home of their dreams and eventual nightmares in December of 1970. The Arnold Estate, located just beyond the village of Harrisville, Rhode Island seemed the idyllic setting in which to raise a family. The couple unwittingly moved their five young daughters into the ancient and mysterious farmhouse. Secrets were kept and then revealed within a space shared by mortal and immortal alike. Time suddenly became irrelevant; fractured by spirits making their presence known then dispersing into the ether. The house is a portal to the past and a passage to the future. This is a sacred story of spiritual enlightenment, told some thirty years hence. The family is now somewhat less reticent to divulge a closely-guarded experience. Their odyssey is chronicled by the eldest sibling and is an unabridged account of a supernatural excursion. Ed and Lorraine Warren investigated this haunting in a futile attempt to intervene on their behalf. They consider the Perron family saga to be one of the most compelling and significant of a famously ghost-storied career as paranormal researchers. During a seance gone horribly wrong, they unleashed an unholy hostess; the spirit called Bathsheba; a God-forsaken soul. Perceiving herself to be the mistress of the house, she did not appreciate the competition. Carolyn had long been under siege; overt threats issued in the form of fire...a mother's greatest fear. It transformed the woman in unimaginable ways. After nearly a decade the family left a once beloved home behind though it will never leave them, as each remains haunted by a memory. This tale is an inspiring testament to the resilience of the human spirit on a pathway of discovery: an eternal journey for the living and the dead.

Set in medieval England, this chilling novel combines the best of modern forensic thriller with the drama of historical fiction, as a mistress of the art of death--an early version of a medical examiner--arrives in Cambridge from Italy to investigate the suspicious deaths of four children.
