Annotated bibliography of the Arthurian legend in modern English-language fiction, not only in literary texts, but in television, music, and art.

Plutarch's writings, for long treated in a fragmentary way as a source for earlier periods, are now increasingly studied in their own right. The thirteen original essays in this volume range over Plutarch's relations with his contemporaries and his engagement in philosophical debate, his views on social issues such as education and gender, his modes of expression and his construction of argument. Also treated here are Plutarch's understanding and use of his antecedents, literary and historical, and the sophisticated techniques with which he conveyed his own vision. It is a theme of the present book that the writings of Plutarch should be seen as the product of a single, extraordinarily capacious, intelligence.

Part coming-of-age, part call to action, this fast-paced non-voivics novel about a Deaf teenager is a unique and inspiring exploration of what it means to belong. Smart, artistic, and independent, sixteen year old Piper is tired of trying to conform. Her mom wants her to be "normal", to pass as hearing, to get a good job. But in a time of food scarcity, environmental collapse, and political corruption, Piper has other things on her mind--like survival. Piper has always been told that she needs to compensate for her Deafness in a world made for those who can hear. And where resilience means taking action, building a community, and believing in something better. Published to rave reviews as Future Girl in Australia (Allen & Unwin, Sept. 2020), this empowering, unforgettable story is told through a visual extravaganza of text, paint, collage, and drawings. Set in an ominously prescient near future, The Words in My Hands is very much a novel for our turbulent times.
