Doctor Who: Four Doctors

The Doctor discovers a Neanderthal man in modern day London, so he takes a trip back to the dawn of humanity to find out how he became displaced.

When an unseen enemy maneuvers the three Doctors into an impossible meeting, the future of the universe itself is put at stake. It will take all of the Doctor's innate cunning and adaptability to team up with his past and present selves to uncover the immensely powerful culprit, fix the time stream, and right an ancient wrong! What mysterious event from the Doctors' collective past will have an unforgettable effect on their future?! Four Doctors is the blockbuster next chapter in the stunning ongoing adventures of each Doctor - and also stars TV companion Clara Oswald alongside comics companions Gabby Gonzalez and Alice Obiefune. It's an

How does a boy labeled "slow" go on to graduate with honors and distinction-not only from college, but then earn a PhD and his medical degree? How does a doctor with severe colorblindness become a renowned surgeon? How does a surgeon dedicated to saving patients on the verge of death respond when told his own death is imminent? Paul Nemiroff was a boy who dreamed of becoming a doctor. Labeled slow and told he would never finish high school, he overcame numerous obstacles and went on to college, a masters, a PhD and medical school. He became a top head and neck surgeon at leading medical centers, a pioneer of hyperbaric oxygen wound treatment, a worldwide published researcher and lecturer, an award winning TV medical

correspondent, and a runner of 13 marathons. At the peak of his career, his life trajectory was abruptly altered when he received a call-he had become the patient and was told he only had two years to live-facing a crossroads of formidable choices. Undaunted, Dr. Paul discovered and experimented with a revolutionary treatment protocol that he believes has kept him alive and in reasonably good health for 15 years-allowing him to share this knowledge which he hopes will inspire others and be a catalyst in the quest for a cure. The greatest mash-up in the Whoniverse continues in this adventure starring the Ninth Doctor! With a little help from Rose and Jack, Dr. Ninth sets out to prevent an otherworldly invasion. A Story of Survival and Hope: Overcoming Obstacles, Labels and Beating the Odds

The idea of "The Green Book" is to give the Motorist and Tourist a Guide not only of the Hotels and Tourist Homes in all of the large cities, but other classifications that will be found useful wherever he may be. Also facts and information that the Negro Motorist can use and depend upon. There are thousands of places that the public doesn't know about and aren't listed. Perhaps you know of some? If so send in their names and addresses and

Louis miraculously survives - but the family has been shattered. Louis' father has vanished, his mother is paralysed by shock, and Louis lies in a deep coma from which he may never emerge. In a clinic in Provence, Dr Pascal Dannachet tries to coax Louis back to consciousness. But the boy defies medical logic, startling Dannachet out of his safe preconceptions, and drawing him inexorably into the dark heart of Louis' buried world. Only Louis holds the key to the mystery surrounding his fall - and he can't communicate. Or can

After three years, First Doctor William Hartnell left, prompting the BBC to recast their hit rather than end it, giving us the first “regeneration” and making TV history. We follow the succession of Doctors—including Third Doctor Jon Pertwee, exiled to Earth and targeted by the Master—and see how the program reflected the feminism of the 1970s while gaining mainstream popularity with Fourth Doctor Tom Baker . . . until declining support from the BBC eventually led to cancelation. Fan outcry saved the series only for it to suffer a repeat cancelation. Yet many continued to enjoy the Whoniverse in syndication, novels, audio dramas, and Doctor Who Magazine. Paul
