

Don't Spill The Milk!

From Onjali Q. Rauf, the award-winning and best-selling author of The Boy at the Back of the Class, comes another incredible story, told with humour and heart. 'The boy's an absolute menace.' 'He's a bully. A lost cause!' 'Why can't he be more like his sister?' I've been getting into trouble for as long I can remember. Usually I don't mind 'cos prove them all wrong... Told from the perspective of a bully, this book explores themes of bullying and homelessness, while celebrating kindness, friendship and the potential everyone has to change for the good.

Oops! One morning, while a pig family was sitting down to breakfast, a little milk spills to the floor. That shouldn't be any problem at all! And it wouldn't, except that the milk seeps through a crack in the floor and drips down to the workshop below onto a tray that tips and flips the switch on the grinder whose spinning wheel catches the loose end of a clothesline which gets wound around the leg of a table saw . . . and that is just the beginning of a series of chain reactions that lead from a little spill on the table to a giant boulder in the breakfast room! With each disastrous step depicted as only Arthur Geisert could, a seemingly ordinary incident spills out of control. They say you shouldn't cry over spilled milk, but what if it destroys your whole house?

From acclaimed Nigerian storyteller Atinuke, the first in a series of chapter books set in contemporary West Africa introduces a little girl who has enchanted young readers. Anna Hibiscus lives in Africa, amazing Africa, with her mother and father, her twin baby brothers (Double and Trouble), and lots of extended family in a big white house with a beautiful garden in a compound in a city. Anna is never lonely—there are always cousins to play and fight with, aunts and uncles laughing and shouting, and parents and grandparents close by. Readers will happily follow as she goes on a seaside vacation, helps plan a party for Auntie Comfort from Canada (will she remember her Nigerian ways?), learns firsthand what it’s really like to be a child selling oranges outside the gate, and longs to see sweet snow. Nigerian storyteller Atinuke’s debut book for children and its sequels, with their charming (and abundant) gray-scale drawings by Lauren Tobia, are newly published in the US by Candlewick Press, joining other celebrated Atinuke stories in captivating young readers.

Zoffness relives her childhood anxiety disorder as she witnesses it manifest in her firstborn; endures brazen sexual advances by a student in her class; grapples with the implications of her young son's cop obsession; and challenges her Jewish faith. Steve Coll’s Private Empire is winner of the FT/GOLDMAN SACHS BUSINESS BOOK OF THE YEAR AWARD 2012. In this prize-winning book, the author of Ghost Wars and The Bin Ladens investigates the notoriously mysterious ExxonMobil Corporation and the secrets of the oil industry In many of the nations where it operates, ExxonMobil has a greater sway than that of the US embassy, its annual revenues are larger than the total economic activity in most countries and in Washington it spends more on lobbying than any other corporation. Yet despite its outsized influence, it is to outsiders a black box. Private Empire begins with the Exxon Valdez accident in 1989 and closes with the Deepwater Horizon oil spill. Steve Coll’s narrative spans the globe, taking readers to Moscow, impoverished African capitals, Indonesia and elsewhere as ExxonMobil carries out its activities against a backdrop of blackmail threats, kidnapping, civil wars, and high-stakes struggles at the Kremlin. In the US, Coll goes inside ExxonMobil’s ruthless Washington lobbying offices and its corporate headquarters in Irving, Texas, where top executives oversee a bizarre corporate culture of discipline and secrecy. Private Empire is the masterful result of Steve Coll’s indefatigable reporting, from the halls of Congress to the oil-laden swamps of the Niger Delta; previously classified U.S. documents; heretofore unexamined court records; and many other sources.
