This just happened to be one of the reasons why at this exact moment I was sitting in the conference room surrounded by the heads of the most prominent non-human crime organizations. Of course none of them know I'm the one they're looking for, except of course Jace and Gareth. But then, it was their conference room and their meeting.

One hybrid Fury queen. Three pure-blood Dragon Princes. A reverse harem with a dark fairy tale twist and an epic flair! My name is Daisy. I've been cursed to serve a bad-tempered elemental in my beastly form for centuries. There's only one way to lift the curse: a kiss from three true loves. To acquire even one is nearly impossible. How am I going to get three? Then three gorgeous-as-sin, yet clueless dragon princes stumble into my lair. Only they do not come to kiss me. They come to slay me without knowing who I really am. Unless they cut the three heads of the Furies-my heads-or make the Fury Queen fall in love with them, they'll never shift back to dragons. Not surprisingly, the princes all choose what they think is the easiest-to-behead the beasts. Warning: This is a reverse harem fantasy/paranormal romance that features one strong woman and her three sexy-as-sin Dragon princes. It contains battles, steamy sex scenes, raw language, magic, swordfights, dark fae, dragon shifters, vampires, and otherworldly nightmares of creatures, and at last, true loves, with a happy ever after at the end of series.
