

Emergency!: Board Book (Awesome Engines)

George and his pet dragon, Sparky, return for another adventure in this e-book edition of a funny new picture book from the author of *Aliens Love Underpants*. Open Day at the fire station turns into chaos when George takes Sparky. But when a call comes in for a real emergency Sparky is able to save the day - and a scared cat from a tree!

Elephants driving diggers? Gorillas on scooters? A shark in the bath? A kangaroo ... on the loo? Join in with the fun as an array of improbable creatures tries to be helpful (with hilarious consequences) in this laugh-out-loud picture book. The brilliant follow-up to the bestselling *You Can't Take an Elephant on the Bus*. This eBook comes with a glorious audio accompaniment, read by CBeebies star Justin Fletcher.

Invites young children to practice calling 911 on a telephone keypad as they react to accidents, fires, and other emergencies. On board pages.

In this urgent, authoritative book, Bill Gates sets out a wide-ranging, practical - and accessible - plan for how the world can get to zero greenhouse gas emissions in time to avoid a climate catastrophe. Bill Gates has spent a decade investigating the causes and effects of climate change. With the help of experts in the fields of physics, chemistry, biology, engineering, political science, and finance, he has focused on what must be done in order to stop the planet's slide toward certain environmental disaster. In this book, he not only explains why we need to work toward net-zero emissions of greenhouse gases, but also details what we need to do to achieve this profoundly important goal. He gives us a clear-eyed description of the challenges we face. Drawing on his understanding of innovation and what it takes to get new ideas into the market, he describes the areas in which technology is already helping to reduce emissions, where and how the current technology can be made to function more effectively, where breakthrough technologies are needed, and who is working on these essential innovations. Finally, he lays out a concrete, practical plan for achieving the goal of zero emissions—suggesting not only policies that governments should adopt, but what we as individuals can do to keep our government, our employers, and ourselves accountable in this crucial enterprise. As Bill Gates makes clear, achieving zero emissions will not be simple or easy to do, but if we follow the plan he sets out here, it is a goal firmly within our reach.

Emergency Kittens!

Look Inside Things That Go (NEW)

Got a problem? Having a tough day? Maybe you need . . . EMERGENCY

KITTENS!!!! Who needs boring ol' superheroes who leap giant buildings and run faster than locomotives when your day can be saved by the cuddly, super-cute, full-on feline charm of Mimi, Twee-Twee, and Adorbs, aka EMERGENCY KITTENS!!!

Meet the EMERGENCY KITTENS, a trio of furry, gentle superheroes who come to the rescue with their incredible cuteness when the going gets tough. When bullies steal Sheldon's ball in the playground, a pack of your usual, everyday, human caped crusaders leaps to the rescue. But when their showy feats of strength and agility fail to impress, some real heroes step in to save the day: EMERGENCY KITTENS!!!

With their unending cuteness and unforgivably adorable purrs, this mighty trio of fluffy goodness turns any sticky situation into one of pure cuddles. Pages of silly, good-natured giggles await any kid who loves superheroes, cats, or really funny read-alouds. And parents and teachers will like the gentle way this story subtly teaches that kindness and cuddles can often solve a problem that strength and muscle cannot. And reviewers love the EMERGENCY KITTENS! "These kitties will win hearts with a glossy-eyed glance."—Kirkus "radiant preciousness. . . . Even hardened skeptics will fall to helpless babbling at each glimpse of the fuzzy felines gamboling through Mottram's bright suburban scenes."—Booklist "A winning, child-pleasing combo: superheroes and fuzzy kittens. In this Batman-meets-Fluffy tale of rescue, the Emergency Kittens bound off the page and come out victorious."—BookPage Fully up to date with recent research and practice, including the most recent AHA guidelines, this model resource for the practising emergency medicine resident allows for a case-based interactive approach to studying for the Oral Boards examination, while also providing an excellent introduction to the field. Featuring 126 cases derived from the Model of Clinical Practice of Emergency Medicine, with an emphasis on EKGs, CT scans, X-rays and ultrasounds, it now includes diagnoses such as nursemaid's elbow, multiple sepsis cases, the suicidal patient, and Cushing's syndrome, as well as a chapter on the scoring of Oral Boards. Practising alone or with a partner, the reader can review critical actions and key clinical pearls for each case. The appendices contain high-yield information on subjects emphasised in the Oral Boards examination, such as pediatric, cardiovascular, traumatic, and toxicological disorders. This book truly allows the reader to feel actively immersed in the case.

THE FUNNIEST BOOK OF THE YEAR. GUARANTEED TO TURN AN AWKWARD SILENCE INTO AN AWKWARD CONVERSATION. Now updated with new answers from: David Mitchell, Sara Pascoe, Charlie Brooker and Stephen Fry, among others! 'Ridiculously funny and (unexpectedly) genuinely useful' ADAM KAY 'A perfect way to pretend you're interested in people you're not that interested in' KATHY BURKE 'Most of this book is pointless filth, all of it is hilarious, and my answer to question 715(a) is "Yes thank you and it was very tasty"' DAWN FRENCH If you had to wear somebody's guts for garters - if you had to - who would you disembowel in order to facilitate your socks staying up?

What do you consider your median achievement? Would you rather have pubic hair made of unremovable barbed wire or to be attacked by a rabid badger in your sleep once a week? We've all been there. Stuck at a boring family party, on an awkward date, in a below-par job interview, or any number of other situations in which conversation has become more of a trickle than a flow. Well, fear the excruciation no more, as Richard Herring's EMERGENCY QUESTIONS is about to change your life. Containing 1,001 conversation starters from one of our most cherished comedians, along with plenty of answers from the many household names who've appeared on his podcast, this book is virtually guaranteed to remove any social

anxiety from your life, and will raise your repartee-game to new heights. 'Of all the clever people I know, Richard is the stupidest. And of all the stupid people I know, Richard is the cleverest. That's why this is such a brilliant book for everyone'

RICHARD OSMAN 'Perhaps if Michael Parkinson had asked Mohammad Ali if he'd ever seen a Bigfoot he might be remembered as a great interviewer. Instead it is Richard Herring who has perfected the art of creating funny, interesting and offensive questions that will supercharge even the dullest encounter' ADAM BUXTON 'Richard Herring bullied me into claiming this book, which I haven't yet read, is brilliant' CHARLIE BROOKER

With 18 cool vehicle sounds, including an amazing song, this fantastic book is an action-packed adventure. Press the sound buttons to hear Police Car, Ambulance, Fire Engine, and lots of noisy rescue boats, trucks and bikes. A rhyming story and awesome artwork make this the perfect book for noisy vehicle fun.

Told almost entirely in sound words, this day-in-the-life look at firefighters and their fire truck will appeal to the youngest vehicle enthusiasts and to parents with a penchant for exuberant read-aloud sessions. With art reminiscent of Donald Crews's transportation books, Mike Austin evokes the excitement of a 911 call as we follow firefighters sliding down the fire pole, racing through town, and up the ladder truck. Includes fire safety tips from the Federal Emergency Management Agency.
