Princess Warrior. Dragon Shifter. Huntress. When it comes to protecting her family, eighteen-year-old Princess Huntress is known for kicking ass, taking names and then kicking a little more ass, just to be sure. She's the last of her kind—a glass dragon shifter—and no matter what the threat, Huntress always tracks it down solo. Then Huntress meets the leader of the L'Griffe crime family, Gage Beaufort, who is a dashing dragon shifter with a knee-melting stare. The attraction is instant, yet Huntress hates it. Why? Crime syndicates hurt royal authority, which means they threaten her family. Long story short, being with Gage is just wrong. Besides Huntress already has a rock-solid life plan, and that's to fight alone, forever. No relationships, thank you very much. But when a new danger threatens the royals, everything changes. Now Huntress needs a mercenary arm and fast, so she forges an alliance with L'Griffe. To protect those she loves, Huntress agrees to marry someone she loathes: Gage Beaufort. But will the threat be enough? Even worse, Huntress' family isn't the only thing at risk—the same is true for the princess' heart. Because Gage is a man who always got what he wants. In this case, the crime lord desires Huntress, body and soul. ~With Angelbound Offspring, every page is entertaining... an exciting story that unfolds with magic, dragons, a little romance and a villain to despise." ~ Tonja, Goodreads Perfect for readers seeking a clean fantasy adventure in the spirit of omegaverse romance Angelbound Offspring 1. Ezekiel is an insatiably lusty male, and Dillon is his full equal in all things carnal. She even claims her own female submissive after falling for the lavender eyed little demonech named, Siobhan. This title is chark full of erotica and some homosexual, (F/F) depictions. In book 1, Fire Clothed in Skin, Dillon is only a month from her fortieth birthday. Until she meets Ezekiel, she's thought herself a slightly above average female. She is athletic, she heals faster than most, and she is incredibly intelligent. She is a masochist and enjoys pain, and has sought out the world of BDSM since she was of legal age. Once Ezekiel finds her to his island home in Croatia, he explains she is not a human after all, but nothing other than a pre-pubescent Demon created specifically to be his mate. He informs her Demons go through puberty at the age of forty and once it begins, she will become immortal. He also initiates their irrevocable bonding which further cements her new preternatural body and mind. Book Two: Redemption of Fire Dillon is now a transformed and fully developed Demonech. Her new nickname is simply, Fire. She and Ezekiel have spent the better part of a year as each other's exclusive company and now it is time for her to be presented to the Demon Society for whom Ezekiel rules as King. Dillon is to be their queen once she and the King are officially pled by the Oracle. They've kept it a secret until now, but Dillon has also manifested shape shifting abilities and is capable of turning into the Dragon Empress of prophesy. Her purple kitenous scales and ability to breathe fire are only part of the majesty of her dragon shape. Book two has not only love and lust, but also adventure, battles, and injuries incurred during a small war with the vampires. There are also many soul searching moments as Dillon attempts to amalgamate her thirty nine years as a human into her new awareness as the Dragon Empress, Queen of the Demons. Part of her initiation into this new preternatural world involves her offering redemption to any who might have wronged her during her mortal human years. To a human's perceptions, redemption translates to revenge or retribution, but to a demon it is the ability to clear the slate for both parties, and hence equates to redemption. Dillon is a tall, curvy redhead with flaming green eyes. She is witty and hilarious and often confusing to the other demons who know nothing of the human world. Dillon promises to become the girl of your fantasies--male or female will enjoy this read! Ezekiel is dark and swarthy with cloud grey eyes that transform to flames. He is an immensely passionate mate and promises to become your newest fantasy lover.

The first book in the original best-selling Shifter Dating App series, relaunched for summer 2020! What if your fated mate was just an app swipe away? Curvy Dina Taylor hates the idea of online dating. It's something kids do, not 36-year old women, whose boyfriends have left them for the office intern. But her best friend Lauren has a secret she's bursting to share: there are men out there who absolutely love voluptuous girls like her. All Dina has to do is tap Shiftr, the cute little paw-print app that Lauren has just installed on her phone. In the time it takes Dina to get over a mood that there are guys who can shift into animals, she's hit up by Logan -- a dark-eyed bear--puy with a torso like sculpted marble and eyes like pools of just. He tells her that he feels a magnetic connection to her, but before she can tell him that the feeling's mutual, her clumsy thumb swipes the wrong way, and he's gone. Dina is distraught, but Tamika, the creator of Shiftr has a cunning plan that may just bring them together again. Will Dina find the sexy Logan in the midst of the eccentric matchmaker's beautiful, opulent summer garden party? And will they discover that they're fated to be together? This is a standalone, short, sweet, steamy read, perfect for a lunch break, bath time, or a little dose of me-time, wherever you are. HEA and no cliffhanger! Note: This book and all other fourteen books in the Shifter Dating App Romances series are standalone and can be read completely independently.
