

Evalene's Number: The Number Series

Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.

How can she protect her kingdom, if she can't protect herself? Princess Arie never expected to manifest a Jinni's Gift. When she begins to hear the thoughts of those around her, she hides it to the best of her ability. But to her dismay, the forbidden Gift is growing out of control. When a neighboring king tries to force her hand in marriage and steal her kingdom, discovery becomes imminent. Just one slip could cost her throne. And her life. A lamp, a heist, and a Jinni hunter's crew of thieves are her only hope for removing the curse. How do they protect the STOLEN KINGDOM is a loose Aladdin retelling. Set in a world that humans share with Mermaids, Dragons, and the elusive Jinni, this isn't the fairytale you remember...
If you enjoy clean romance, adventure and intrigue, then grab your copy today to enjoy these interconnected fairy tale retellings. Each book features a different princess in the same magical world who has to fight for her happily ever after!
PRAISE FOR THE STOLEN KINGDOM: "A dainty princess and a friendly genie are replaced and a magical race everyone fears in this addicting fairy tale twist on Aladdin." - Vivien Reis, author of The Elysian Prophecy "A beautifully whimsical story in a new fantasy retelling series, which pays lovely homage to its predecessor. The Stolen Kingdom is a creative take on a classic that is sure to enrapture readers." - Jessi Elliott, author of Twisted Fate "The Stolen Kingdom is a spellbinding story that pulled me in from the first page. Atazadeh has created a fantasy world that's both beautiful and frightening, and that's what makes this novel so k-tale." - Natalia Leigh, author of Song of the Dryad "The Stolen Kingdom takes a completely new direction to the classic fairy tale, one that is familiar, refreshing, and unlike anything in the current YA genre." - J. L. Willow, author of Missing Her "The Stolen Kingdom series is a fresh breath of air into the fairy-tale retelling genre. Bethany has a unique way of intertwining her characters into one story that will leave you begging for the next book in the series." - Mandi Lynn, author of She's Not H-pounding suspenseful experience that will have you reading as fast as you can. Atazadeh delivers characters that you will fall in love with and root for until the very end." - Bri R. Leclerc, author of Beaconfield THE STOLEN KINGDOM SERIES READING ORDER. Book 1: The Stolen Kingdom: An Aladdin retelling Book 2: The Jinni Key: A Little Mermaid retelling Book 3: The Cursed Hunter: A Beauty and the Beast retelling (releasing June 30th & available for preorder) Book 4: The Enchanted Crown: A Sleeping Beauty retelling (coming soon)
If you ask the confident and snarky skater girl, and she's in the mood to share, she'll tell you her name is Cat. She might even tell you that she's hooked on graffiti. 80s movies, and having fun--the riskier the better. Cat will share a good time with you, but she won't ever trust you enough to share her heart. It's protected by secrets and she'd like to keep it that way. Cat knows one thing for certain: Love isn't really her thing. If you ask the confident and rich pretty boy, he might tell you his name is Huck. He might even say he won't let you that his life is a mess because he risked his heart by trusting the wrong girl. Huck is ready for a change, he just wasn't ready to get hooked on someone like Cat. Huck knows one thing for certain: Love hasn't done him any favors, but Cat just might be worth the risk. Cat and Huck think a one-night stand seems harmless, but when all the little secrets they didn't share turn out to be toxic truths, they realize how easily a one-night stand (or a few) could ruin everything. The thing is, you can be who you want, but you can't be who you need.
If you're looking for a new series to read, this is the one to read. It's a beautiful, heartwarming, and suspenseful experience that will have you reading as fast as you can. Atazadeh delivers characters that you will fall in love with and root for until the very end.
AN INDIE BESTSELLER Most Anticipated by ELLE • Bustle • Bloomberg • Kirkus • Hiplatina • SheReads • BookPage • The Millions • The Mjuzerista • Ms. Magazine • and more "Unflinching" —Ms. Magazine • "Phenomenal" —BookRiot • "An essential read" —Kirkus, starred review • "Necessary" —Library Journal • "Powerful" —Joaquin Castro • "Illuminating" —Reyna Grande • "A love letter to our people" —José Olivarez • "I have been waiting for this book all my life" —Paul Ortiz Bestselling author Julissa Arce calls for a celebration of our heritage, and the beauty of the differences that make us Americans in this powerful polemic against the myth that assimilation leads to happiness and belonging for immigrants. "You sound like a white girl." These were the words spoken to Julissa by a high school crush as she struggled to find her place in America. As a brown immigrant from Mexico, assimilation had been demanded of her since the moment she set foot in San Antonio, Texas, in 1994. She'd spent so much time getting rid of her accent so no one could tell that moment she felt those words—you sound like a white girl?—were a compliment. As a child, she didn't yet understand that assimilating to 'American' culture really meant imitating 'white' America—that sounding like a white girl was a racist idea meant to tame her, change her, and make her small. She ran the race, completing each stage, but never quite fit in, until she stopped running altogether. In this dual polemic and manifesto, Julissa dives into and tears apart the lie that assimilation leads to belonging. She goes down this myth, arguing that assimilation is a moving finish line designed to keep Black and brown Americans and immigrants chasing racist American ideals. She talks about the Lie of Success, the Lie of Legality, the Lie of Whiteness, and the Lie of English—each promising that if you obtain these things, you will reach acceptance and won't be an outsider anymore. Julissa deftly argues that these demands leave her and those like her in a purgatory—neither able to secure the power and belonging within whiteness nor able to demand immigrants and people of color leave behind. In You Sound Like a White Girl, Julissa offers a bold new promise: Belonging only comes through celebrating yourself, your history, your culture, and everything that makes you uniquely you. Only in turning away from the white gaze can we truly make America beautiful. An America where difference is celebrated, heritage is shared and embraced, and belonging is for everyone. Through unearthing veiled history and reclaiming her own identity, Julissa shows us how to be who we are and who we need to be.

The Stolen Kingdom: An Aladdin Retelling
There's more than lies in a reflection... Amid secrets and rumours, follow twins Brittany and Charli Matthews as they fight inner demons, dividing them, in the hell that is high school. At a party, Brittany gets her first taste of popularity, but when another girl eyes the boy she likes, things take a few wrong turns. Whilst branding herself a loser, Brittany tries to keep her cool and joins the cheer squad and befriends the queen bees. Her obsession with her dream boy intensifies, but as they get closer, he seems to be holding secrets of his own. Brittany must decide whether popularity or the chance at love is what she really wants. But will she ever stop calling herself a loser and be happy in her own skin? When Charli is at a party, uninvited guests shake up the dynamics with her friends and cause her to doubt the boyfriend she trusted. Attempting to avoid the moons at school, Charli focuses on her studies, hoping to bring her dad home. But she overdoes it and loses who she is. Charli must drop her single-minded approach if she wants to keep her loved ones close. But that means deciding who to trust and who to push away. If Charli puts herself first, will she find where her true happiness lies? In A Mirror is a dramatic Australian beach read, the first book in a coming-of-age series, perfect for all lovers of contemporary young adult fiction. This book is your next guilty pleasure, full of teen angst, gushy romance, and a tragic heartbreak.

Introduce students to the social sciences of gender
Everyone in Eden is assigned a Number, tattooed on their neck, which determines their value and place in the world. On her Numbering Day, Evalene Vandereth anticipates joining the é lite. Born in an upper-class family, she knows exactly who she is and what she is worth. Even as the needle breaks her skin, she is blissfully happy. She never considers another outcome, until it's too late. Now 18-year-old Evalene lives in fear, struggling with her new identity, stripped of her freedom and basic human rights. Can she escape her Number? Is anyone else asking the same question?Fans of The Hunger Games and Divergent will love Evalene's Number and its incredible dystopian tale.
Twelve-year-old Sunny Nwazue, an American-born albino child of Nigerian parents, moves with her family back to Nigeria, where she learns that she has latent magical powers which she and three similarly gifted friends use to catch a serial killer.

Evalene struggles to adjust to un-Numbered life, along with the rest of Eden. But none of that matters once she learns her mother, Pearl Vandereth, is still alive. There's only one thing she can do: find her. Evalene hunts down a cold trail, afraid she'll never locate her mother. And terrified Pearl may not want to be found...
WHEN THE NATION DIVIDES, THE INFIDELS MUST RISE.
Princess Leonie Kolburg, aged nineteen and heir to a faded European spaceship, enters the engagement season hoping only to save her family from financial ruin, but is soon falling for her first, rejected love.
A Spiritual Warfare Suspense NovelSome pregnancies are celebrated. Some are not. Those that are not attract demons.Little Becca is thrust into spiritual warfare while she is still in her mother's womb. She's only the size of a pea. But size means nothing to the evil spirits who roam the earth in search of victims. Victims who under the right circumstances may become homes for demonic invaders. One day a roaming demon of rejection is drawn to the baby by the power of negative words being spoken about her by her parents. Inside the home, Vincent and Heather are discussing why they can't have this baby. The demon watches hungrily and waits patiently for the would-be parents to finalize their plans about the baby, and to speak the right words that will cross a spiritual line and give him permission to invade Little Becca's life. His aim? To establish a stronghold of demonic power so powerful that the child never becomes the person God created her to be.Vincent and Heather don't want their child.A demon of rejection does.But so does God.

"Laugh-out-loud humor & top-notch mysteries! Absolute MUST-READS!"—Darynda Jones, New York Times/USA TodayBestselling Author of the Charley Davidson Series "Smart, entertaining, and laugh-out-loud funny!"—Liliana Hart, New York Times Bestselling Author Meet gutsy beautician, part-time sleuth, Valentine Beaumont. Quick thinker? Check. Risk-taker? Check. Catching killers with her beauty tools has never been so much fun! MURDER, CURLERS & CREAM Valentine Beaumont is a beautician with a problem. Not only has she got a meddling mother, a woaky staff, and a dying business, but now she's got a dead client who was strangled while awaiting her facial. With business the way it is, combing through this mystery may be the only way to save her salon. Until a second murder, an explosion, a kidnapping, death threats, and the hard-nosed Detective Romero complicate things. But Valentine will do anything to untangle the crime. That's if she can keep her tools of the trade in her bag, keep herself alive, and avoid falling for the tough detective. In the end, how hard can that be? MURDER, CURLERS & CANES Valentine Beaumont is back in her second hair-raising mystery, this time, trying to find out who had it in for an elderly nun. Only trouble is there are others standing in her way: hot tough Detective Romero, sexy new stylist Jock de Marco, and some yucky locals who all have a theory on the nun's death. Making things worse: the dead nun's secret that haunts Valentine, another murder, car chases, death threats, mysterious clues, and a crazy shift. Between brushing off Jock's advances and splitting hairs with handsome Detective Romero, Valentine struggles to comb through the crime, utilizing her tools of the trade in some outrageous situations. Question is, will she succeed? MURDER, CURLERS & CRUISES In her third fast-paced mystery, beautician Valentine Beaumont and her madcap crew sail the high seas on a Caribbean "Beauty Cruise." When a bizarre murder takes place onboard, Valentine finds herself swept into the middle of the investigation. If things aren't had enough, her mother is playing matchmaker, a loved one is kidnapped, drug smuggling is afoot, a hair contest proves disastrous, and a strange alliance between tough Detective Romero and sexy stylist Jock de Marco rubs Valentine the wrong way. Will this impulsive beauty sleuth comb through the catastrophes and untangle the mystery, or will this voyage turn into another fatal Titanic? With Jock and Romero onboard, it's destined to be a hot cruise!

When exploring the course of events at Salem, historians have often ignored assumptions about gender embedded within Puritan cosmology. The author of this work examines how gendered systems cut across religious belief, showing the prescription of women's sinful natures' and men's 'natural sins'.
An Atoll Island. An ancient curse. A society determined to gain power. When a violent attack leaves their father in the hospital, Abigail and Benjamin Cole discover there's more to their family history than mental illness. But after fifteen-year-old Abi is abducted, she learns the attack wasn't random. Thrust into an exotic and beautiful world part of a multi-millennial feud, she must decide who to trust in a society built on secrets. Questioning everything she's ever known, she enlists the help of a boy connected to her in impossible ways and uncovers a dangerous secret stretching generations. Seventeen-year-old Ben desperately searches for both his sister and his mother, but his hold on reality is fading. Something dark has latched onto him. In a race against his own falling mind, where violent hallucinations and paranoia force him to believe he's next in line for the family curse, he learns he's the only one that can save his family. When darkness is coming, who do you trust? Magic. Deceit. War. Perfect for fans of Libba Bray, Cassandra Clare, and Leigh Bardugo.

Willow watched her father diminish in front of her as Alzheimer's pulled him further away each day. When a fire creates the perfect disaster, Willow's desperation to find a cure to the disease causes her to change Samantha Ellison's life forever. Treated as an experiment, Willow injects Samantha with a serum that mimics Alzheimer's and deteriorates her brain. With Sam's mental capacity declining at an alarming rate, it won't be long until people start looking for answers. With Willow's husband as the doctor, it's only a matter of time before he uncovers the truth. The only question is whether he discovers Willow's secrets in time to save the innocent life at stake.

Georgia Blain has published novels for adults and young adults, essays, short stories and a memoir. Her first novel was the bestselling Cold for Winter, which was made into a feature film. She has been shortlisted for numerous awards including the NSW and SA Premier's Literary Awards, and the Nita B. Kibble Award for her memoir Births, Deaths and Marriages. Georgia's most recent works include The Secret Lives of Men, Too Close to Home and YA novel Darkwater. In 2016 she will publish Between a Wolf and a Dog (Scribe) and Special (Random House Australia), a speculative fiction novel that explores science, technology and commerce and how they could affect our lives in the near future. She lives in Sydney, where she works full-time as a writer.

Nesrin Ahmadi needs a dragon's egg, no matter the cost. The money from its sale could cancel her father's enormous debt and keep them in the lavish lifestyle they're accustomed to. Only one problem. A dragon's egg is incredibly rare; and no one has ever found one fully intact before. After years of searching, she's about to give up, when creditors come to threaten her family. Climbing to heights she's never dared to go before, Nes risks everything to find an egg...and finds a dragon instead. The Cursed Hunter is a loose "Beauty and the Beast" retelling. Set in a world that humans share with mermaids, dragons, and the elusive Jinn, this is not the fairytale you remember... If you enjoy fantasy worlds, magical races, and surprising spins on classic fairy tales, then you'll love this enchanting retelling of Beauty and the Beast. This Dictionary is part of the Oxford Reference Collection: using sustainable print-on-demand technology to make the acclaimed backlist of the Oxford Reference programme perennially available in hardback format. The fascinating and informative Dictionary of First Names covers over 6,000 names in common use in English, including the very newest names as well as traditional names, from Alice to Zanna and Adam to Zola this book will answer all your questions: it will tell you the age, origin, and meaning of the name, as well as how it has fared in terms of popularity, and who the famous fictional or historical bearers for the name have been. It covers alternative spellings, short forms and pet forms, and masculine and feminine forms, as well as help with pronunciation. The book includes extensive appendices covering names from languages including Scottish, Irish, French, German, Italian, Arabic, and Chinese names. Tables of the most popular names by year and by region are also included. From the traditional to the rare and unconventional, this book will tell you everything you need to know about names.

Life is passing Brittany by, as she nears the end of her first year at University. None of her choices feel right, rendering everything meaningless. Globetrotting from one humanitarian project to the next, and casually dating the new people she meets, Charli soaks up life experience. Until the loneliness of home catches her. After a traumatic ordeal, the sisters reunite. This time, they won't leave each other's side. Pure understanding radiates between them, and together, they will find their true paths to happiness. In It Together deals with depression, mental health issues, and depicts suicidal scenes. Reader discretion is advised if this subject matter is personally concerning.

Being a Sophisticate of the Program seems like it'd be a pretty sweet deal: a little genetic alteration and anyone can be smarter, faster, and stronger. It's a dream come true. All you have to give up is your freedom. Cleo is a Sophisticate and she has a bright future in the Program. But she has a secret. When she gets upset, bad things happen. Explosive things. Things she can't control. When her secret is discovered, she's sent to the Academy to train in the military branch of the Program. She's destined to be a human weapon in the war that's been going on since Wormwood occurred nearly 30 years ago. She soon learns that although her ability is unique, there are others like her — other Sophisticates with lethal skills and odd code names like Archerfish and Mimic Octopus. Immersed in a dangerous game of supernatural powers and dubious motives, Cleo doesn't know who to trust. Oozy, the annoyingly attractive code name who has perfect aim in weapons class and deviant lips behind closed doors, begs her not to use her powers. He's the golden boy of the Program, but can she trust him? Or will she find herself a target, caught in his crosshairs?

Rotten Perfect Mouth is a wonderfully fresh first book by a poet with an intuitive ear for colourful, musical language. The poems are loose enough for the reader to flip down inside and stay awhile. They are a little goofy, personal, confessional, noisy, nostalgic, and maybe a little bit broken. They often contain boats, boys, and Toronto (street names and railroad tracks, dives and parks and kitchens) because those are the sorts of things Eva Hd is in love with.

Rotten Perfect Mouth, readers will discover a writer with her heart on her sleeve and her hand on her pen, capturing the world around her with startling immediacy.

A classic, the baby name countdown (over 120,000 copies sold) is now fully revised and updated for the first time in a decade. Featuring more names than any other guide and based on more than 2.5 million birth records, the book includes brand-new data, a new introduction, a revised section on the most popular baby names of the past year and decade, and updated popularity ratings throughout. Discover at a glance the most popular given names from each decade of the 20th and 21st centuries, meanings and origins of the 3,000 top names, and thousands of rare and exotic monikers. Whether your taste in names is trendy, traditional, or international, The Baby Name Countdown is the ideal resource for every parent searching for the perfect name.

A National Bestseller! What does an undocumented immigrant look like? What kind of family must she come from? How could she live in this country? What is the true price she must pay to remain in the United States? JULISSA ARCE knows firsthand that the most common, preconceived answers to those questions are sometimes far too simple-and often just plain wrong. On the surface, Arce's story reads like a how-to manual for achieving the American dream: growing up in an apartment on the outskirts of San Antonio, she worked tirelessly, achieved academic excellence, and landed a coveted job on Wall Street, complete with a six-figure salary. The level of professional and financial success that she achieved was the very definition of the American dream. But in this brave new memoir, Arce digs deep to reveal the physical, financial, and emotional costs of the stunning secret that she, like many other high-achieving, successful individuals in the United States, had been forced to keep not only from her bosses, but even from her closest friends. From the time she was brought to this country by her hardworking parents as a child, Arce-the scholarship winner, the honors college graduate, the young woman who climbed the ladder to become a vice president at Goldman Sachs-had secretly lived as an undocumented immigrant. In this surprising, at times heart-wrenching, but always inspirational personal story of struggle, grief, and ultimate redemption, Arce takes readers deep into the little-understood world of a generation of undocumented immigrants in the United States today- people who live next door, sit in your classrooms, work in the same office, and may very well be your boss. By opening up about the story of her successes, her heartbreaks, and her long-fought journey to emerge from the shadows and become an American citizen, Arce shows us the true cost of achieving the American dream-from the perspective of a woman who had to scale unseen and unimaginable walls to get there.

How did the dark fairy in every fairytale become the villain anyway? Maybe she started out as an innocent—but powerful—Jinni girl, who lost her way... In the realm of jinn, enchantments and magical abilities are conceived and often exploited. At 17-years-old, Jezebel has developed a powerful shape-shifting Gift—and she's determined to keep it a secret. When her friends find a portal to the human world, she reluctantly follows. There, she's tempted to embrace her Gift. After all, no one but the humans will see. Unfortunately, one of her friends witnesses her secret, and he won't let it go. He pushes her to explore the full extent of her ability, no matter the cost. But Jezebel hits her breaking point when he crosses a line. She has to decide if she'll continue letting others see her like she's always feared, or find a way to shift her future in a new direction. THE SECRET GIFT is the first book in the QUEEN'S RISE series, which is a villain origin story that can be read on its own, or before or after The Stolen Kingdom Series. Over a century before the evil Queen Jezebel crosses paths with Arie, Rena, and Nesrin, she's just an innocent Jinni girl... who was betrayed. Reading order for THE QUEEN'S RISE series: Book 1: The Secret Gift Book 2: The Secret Shadow Book 3: The Secret Curse FIVE STAR REVIEWS OF THE BOOK: "From the very first chapter, I'd dare say even the first page, I was completely and utterly enthralled with the story." - Breyri, Amazon Reviewer [★★★★] "The story of Jezebel is beautifully written... I cared for Jezebel, I understood her and felt for her in her dilemma. I can understand why she made the choices that she did. Because if all of that, even though so becomes a villain I still can't help but want her success. I honestly didn't think I would enjoy this book when I picked it up... This story blew my expectations out of the water." - Ashley, Amazon Reviewer [★★★★] "Jezebel is definitely a villain to love!" - Denise, Amazon Reviewer [★★★★] "I loved seeing things from Jezebel's perspective and learning how she started. Crossing my fingers Bethany chooses to continue Jezebel's story so we can see exactly how she wormed her way into power!" - Mandi, Amazon Reviewer [★★★★] "Fast paced read and had me hooked immediately!" - librarycutie, Amazon Reviewer [★★★★] "If you like The Lunar Chronicles writing style and feel then you will like this series! I really enjoyed it!" - StoriedAdventures, Amazon Reviewer [★★★★] "Self-Publishing Your Book" provides an introduction to self-publishing book, in print and ebook formats; in particular, it examines: the rise of self-publishing, why an author would want to self-publish their book (control over the editorial process, problems with finding a publisher etc.), how Kingsford Self-Publishing can help an author self-publish their book; how to sell and distribute an author's book. BioWare's newest game Dragon Age: Inquisition will expand the universe of their epic series in profound ways. This comprehensive book of lore features exclusive art and information, exploring every corner of this dark fantasy masterpiece! Newcomers will appreciate how this volume covers everything they need to know about the world and characters of these smash-hit games! Dedicated fans will revel in the abundance of never-before-revealed secrets, the perfect companion to Dragon Age: The World of Thedas Volume 1! From heroes to villains, to songs and food, and everything in between, this book puts the breath and depth of this inimitable fantasy at your fingertips.

The majestic conclusion to Maggie Silevater's Dreamer Trilogy. This is the story of the Lynch family. Niall and Mór escaped their homeland for a new start, and lost themselves in what they found. Declan has grown up as the responsible son, the responsible brother—only to find there is no way for him to keep his family safe. Ronan has always lived on the edge between dreams and waking... but now that edge is gone, and he is falling. Matthew has been the happy child, the brightest beam. But rebellion beckons, because it all feels like an illusion now. This story was not made for such a family—a family with the power to make a world and break it. If they cannot save each other or themselves, we are all doomed.

Capturing the attention of a dangerously sexy fate leader was never part of my plan. I wanted to finish college, get a job, and maybe find a nice guy to date. Instead, I end up forced to work alongside the very fate who gets under my skin like no man ever has. I can't stand him, but I also can't deny the tension that ignites whenever he's close. After surviving my run-in with the fae, I planned to go back to my perfectly mapped future and forget they existed. Silly me, I should have known that silver-tongued Tristan wouldn't leave me alone. And maybe I don't want him to. But when my brother falls ill to a sickness not even fate magic can cure, none of my plans matter anymore. And before I have a moment to catch my breath, both my life and my heart are put in danger when Tristan's fate nemesis emerges and forces me to make a terrible choice. One I don't know I'll survive.

Dedicated fans will revel in the abundance of never-before-revealed secrets, the perfect companion to Dragon Age: The World of Thedas Volume 1! From heroes to villains, to songs and food, and everything in between, this book puts the breath and depth of this inimitable fantasy at your fingertips.

The majestic conclusion to Maggie Silevater's Dreamer Trilogy. This is the story of the Lynch family. Niall and Mór escaped their homeland for a new start, and lost themselves in what they found. Declan has grown up as the responsible son, the responsible brother—only to find there is no way for him to keep his family safe. Ronan has always lived on the edge between dreams and waking... but now that edge is gone, and he is falling. Matthew has been the happy child, the brightest beam. But rebellion beckons, because it all feels like an illusion now. This story was not made for such a family—a family with the power to make a world and break it. If they cannot save each other or themselves, we are all doomed.

Capturing the attention of a dangerously sexy fate leader was never part of my plan. I wanted to finish college, get a job, and maybe find a nice guy to date. Instead, I end up forced to work alongside the very fate who gets under my skin like no man ever has. I can't stand him, but I also can't deny the tension that ignites whenever he's close. After surviving my run-in with the fae, I planned to go back to my perfectly mapped future and forget they existed. Silly me, I should have known that silver-tongued Tristan wouldn't leave me alone. And maybe I don't want him to. But when my brother falls ill to a sickness not even fate magic can cure, none of my plans matter anymore. And before I have a moment to catch my breath, both my life and my heart are put in danger when Tristan's fate nemesis emerges and forces me to make a terrible choice. One I don't know I'll survive.

How did the dark fairy in every fairytale become the villain anyway? Maybe she started out as an innocent—but powerful—Jinni girl, who lost her way... In the realm of jinn, enchantments and magical abilities are conceived and often exploited. At 17-years-old, Jezebel has developed a powerful shape-shifting Gift—and she's determined to keep it a secret. When her friends find a portal to the human world, she reluctantly follows. There, she's tempted to embrace her Gift. After all, no one but the humans will see. Unfortunately, one of her friends witnesses her secret, and he won't let it go. He pushes her to explore the full extent of her ability, no matter the cost. But Jezebel hits her breaking point when he crosses a line. She has to decide if she'll continue letting others see her like she's always feared, or find a way to shift her future in a new direction. THE SECRET GIFT is the first book in the QUEEN'S RISE series, which is a villain origin story that can be read on its own, or before or after The Stolen Kingdom Series. Over a century before the evil Queen Jezebel crosses paths with Arie, Rena, and Nesrin, she's just an innocent Jinni girl... who was betrayed. Reading order for THE QUEEN'S RISE series: Book 1: The Secret Gift Book 2: The Secret Shadow Book 3: The Secret Curse FIVE STAR REVIEWS OF THE BOOK: "From the very first chapter, I'd dare say even the first page, I was completely and utterly enthralled with the story." - Breyri, Amazon Reviewer [★★★★] "The story of Jezebel is beautifully written... I cared for Jezebel, I understood her and felt for her in her dilemma. I can understand why she made the choices that she did. Because if all of that, even though so becomes a villain I still can't help but want her success. I honestly didn't think I would enjoy this book when I picked it up... This story blew my expectations out of the water." - Ashley, Amazon Reviewer [★★★★] "Jezebel is definitely a villain to love!" - Denise, Amazon Reviewer [★★★★] "I loved seeing things from Jezebel's perspective and learning how she started. Crossing my fingers Bethany chooses to continue Jezebel's story so we can see exactly how she wormed her way into power!" - Mandi, Amazon Reviewer [★★★★] "Fast paced read and had me hooked immediately!" - librarycutie, Amazon Reviewer [★★★★] "If you like The Lunar Chronicles writing style and feel then you will like this series! I really enjoyed it!" - StoriedAdventures, Amazon Reviewer [★★★★] "Self-Publishing Your Book" provides an introduction to self-publishing book, in print and ebook formats; in particular, it examines: the rise of self-publishing, why an author would want to self-publish their book (control over the editorial process, problems with finding a publisher etc.), how Kingsford Self-Publishing can help an author self-publish their book; how to sell and distribute an author's book. Importantly, all of this is considered in the context of both print and ebook formats (suitable for ebook reader formats). Readership includes: all authors wishing to self-publish: novels, fiction, non-fiction, family histories, history (local or national), poetry etc. Contents includes: Introduction; About us; Background to self-publishing; Why self-publish your book?; Self-Publishing Services Offered; Selling and distributing your book - selling printed books; selling ebooks: Kindle, iPad, Nook, Kobo and many, many others; How to order your book; How do you contact us and what does it cost? Examples of books produced by Kingsford Self-Publishing

Conceptions of Modern Psychiatry

"A compelling story of first love and battling racism with a magical twist." —Kirkus Reviews (starred review) "Well-told, fast-paced." —School Library Journal (starred review) From the award-winning author of *The Truth of Right Now* comes a stunning, grounded fantasy in the vein of *Dread Nation* that follows a black teen as she finds her place among a family of women gifted with magical abilities. In the Jim Crow South, white supremacy reigns and tensions are high. But Evalene Deschamps has other things to worry about. She has two little sisters to look after, an overworked single mother, and a longtime crush who is finally making a move. On top of all that, Evvie's magic abilities are growing stronger by the day. Her family calls it jubilation—a gift passed down from generations of black women since the time of slavery. And as Evvie's talents waken, something dark comes loose and threatens to resurface... And when the demons of Evvie's past finally shake free, she must embrace her mighty lineage, and summon the power that lies within her.

A genealogy and some biographical sketches of the descendants of Matthew Hennen born 21 Nov 1752 in the Province of Ulster, Ireland. His will was written 15 Jan 1834 and probated 6 Jan 1840 in Greene County, Pennsylvania.
