Bigby Wolf has been around for a good long while, and he's investigated pretty much every crime imaginable-but even an immortal Fable like him can still stumble across a once-in-a-lifetime case. As the sheriff of the magical New York City neighborhood known as Fabletown, Bigby is hot on the trail of the killer who beheaded a princess and then unleashed a horde of gangsters and monsters to cover his tracks. But even as Bigby reels from attempts on his life and watches his trail of suspects go cold, an old evil reappears to wreak havoc once more. Is the urban legend known as Bloody Mary to blame? Or is she just one more tortured pawn in an even bigger game, with an even more crooked opponent waiting to make his move? The acclaimed adaptation of the hit mystery from Telltale Games-inspired by Bill Willingham's best-selling Vertigo series FABLES-concludes in this second volume of FABLES: THE WOLF AMONG US, written by Matthew Sturges and Dave Justus and featuring a powerful pack of artists, including Travis Moore, Shawn McManus, Eric Nguyen and Steve Sadowski. "The creative team of Assassin's Creed: Odyssey presents a fantastical world inspired by Greek mythology. This volume offers an inside look at the craft behind a massive and magical land, wherein readers will find themselves taking part in a heroic journey that spans from Mount Olympus, and down into the darkest corners of the underworld!"--

Based on the best-selling video game Fables: The Wolf Among Us! Bigby Wolf used to break every law in the books. Now, as the sheriff of Fabletown-New York City's magically concealed neighborhood of mythical, legendary and fairy tale figures-he is the law, and keeping the streets safe for Fables and Mundanes alike is his beat. So when a beautiful princess-turned-prostitute is decapitated on his watch, Bigby must unleash the wolf within to catch the killer. There's

certainly no shortage of suspects. Was it Mister Toad, whose wild ride has brought him to the end of the road? Was it the Woodsman, who's been a pain in the axe ever since little Red put on a hood and rode through the woods? Was it Tweedle-Dee and Tweedle-Dum, the towering twin goons-for-hire? Or maybe Grendel, the man-monster who's been causing trouble since before Beowulf could grow a beard? With the help of Snow White, his only friend, and Mayor Ichabod Crane, his longtime enemy, Bigby must crack the case soon. He may be the law, but some people can't wait to break him... Telltale Games' prequel to Bill Willingham's legendary series FABLES springs to comic book life in this first volume of FABLES: A WOLF AMONG US, written by Matthew Sturges and Dave Justus and illustrated by Steve Sadowski, Shawn McManus, Travis Moore and Eric Nguyen. Collects issues #1-7.

Bigby finally stumbles upon the location of The Crooked Man's lair, and the accusations fly... As Bigby and Snow travel uptown in search of a suspect, they ponder the murder mystery...but both could turn out to be full of holes by the end of this chapter!

Fables for 'you'.

It all starts with a simple domestic disturbance... but when it's Bigby's old nemesis the Woodsman who

has an axe to grind, things go downhill fast. Room 207 at the Open Arms Hotel is sealed shut--just like the lips of anyone who might know what went down in there. But when a high-status Fable turns up at that low-class joint, well, people are gonna talk.

Fables is the hugely imaginative story of a group of fairy tale characters exiled from their mythical homelands and forced into a secret existence in modern-day America. Early in Fabletown's existence, Snow White is sent to the Arabian Fables world, as seen in Fables: Arabian Nights (and Days).

Captured, she has no choice but to entertain the Sultan with an amazing array of tales...

Licking his wounds, Bigby must continue his detective work back at Toad's grungy apartment where things just aren't what they seem...

When a savage creature known only as the Adversary conquered the fabled lands of legends and fairy tales, all of the infamous inhabitants of folklore were forced into exile.

Disguised among the normal citizens of modern-day New York, these magical characters have created their own peaceful and secret society within an exclusive luxury apartment building called Fabletown. But when Snow White's

party-girl sister, Rose Red, is apparently murdered, it is up to Fabletown's sheriff, a reformed and pardoned Big Bad Wolf, to determine if the killer is Bluebeard, Rose's ex-lover and notorious wife killer, or Jack, her current live-in boyfriend and former beanstalk-climber.

With Bloody Mary shattered into nothingness, nothing stands between Bigby and the Crooked Man.

Rumors of a certain prince's death have been greatly exaggerated. Well slightly exaggerated. But just as Bigby and Snow get to the heart of his story, they're interrupted by a Fable we've never met before.

The brutal showdown with the Woodsman continues as Bigby Wolf attempts to find out why the crazed axeman is involved with the mysterious Fable Faith. While Faith confesses to nothing, Bigby still finds himself enamored, unknowingly plunging himself into a vile and sadistic conspiracy involving the Fables community.
