What Is A Real Estate Wholesale Contract? A real estate wholesale contract is a legal document between a real estate wholesaler and a seller, essentially giving the investor the right to buy the property. As a wholesaler, you are essentially setting up the game for others to play. Your job as the middleman is to locate a potential deal, secure the rights (much how a real estate agent would), and then assign the contract to a real estate investor.

Understanding The Wholesale Real Estate Contract ...

Wholesaling real estate is when a real estate wholesaler puts a distressed home under contract with the intent to assign that contract to another buyer. The wholesaler doesn't plan on fixing up or selling the property. Instead, they market the home to potential buyers for a higher price than they have the property under contract for.

How to Wholesale Real Estate the Right Way

In real estate wholesaling, you will have no expenses other than the costs related to getting to know the local real estate market, searching for real estate properties for sale, meeting with and contracting with sellers, marketing the property for sale, looking for buyers, and finalizing the deal.
