The story of the eventful and controversial life of Margery Kempe - wife, mother, businesswoman, pilgrim and visionary - is the earliest surviving autobiography in English. Here Kempe (c.1373-c.1440) recounts in vivid, unembarrassed detail the madness that followed the birth of the first of her fourteen children, the failure of her brewery business, her dramatic call to the spiritual life, her visions and uncontrollable tears, the struggle to convert her husband to a vow of chastity and her pilgrimages to Europe and the Holy Land. brutally ousted from Combe-Raven, the idyllic country estate which has been their peaceful home since childhood, the two young women are left to fend for themselves. While the submissive Norah follows a path of duty and hardship as a governess, her high-spirited and rebellious younger sister has made other decisions. Determined to regain her rightful inheritance at any cost, Magdalen uses her unconventional beauty and dramatic talent in recklessly pursuing her revenge. Aided by the audacious swindler Captain Wragge, she braves a series of trials leading up to the climactic test: can she trade herself in marriage to the man she loathes? Written in the early 1860s, between *The Woman in White* and *The Moonstone*, *No Name* was rejected as immoral by critics of its time, but is today regarded as a novel of outstanding social insight, showing Collins at the height of

instances of war by a man who not only shaped events but was molded by them. The genre of the book can be related to many broad subjects like political history, military strategy, pathology or travel story. Lawrence, known as the defender of the empire, had found war in the Arab world and a long-lasting sideline to the War to End All Wars. This war produced more war during the time, in which, along with many other eminent writers, Lawrence was also involved. Seven Pillars of Wisdom provides a unique portrait of this extraordinary man and an insight into the birth of the Arab nation. Build an outstanding outline every time! In the present book, How to Win Friends and Influence People, Dale Carnegie says, "You can make someone want to do what you want them to do by seeing the situation from the other person's point of view and arousing in the other person an eager want." You learn how to make people like you, win people over to your way of thinking, and change people without causing offense or arousing resentment. For instance, "let the other person feel that the idea is his or hers" and "talk about your own mistakes before criticizing the other person." This book is all about building relationships.

ULYSSES James Joyce's novel *Ulysses* is said to be one of the most important works in Modernist literature. It details Leopold Bloom's passage through Dublin on an ordinary day: June 16, 1904. Causing controversy, obscenity trials and heated debates, *Ulysses* is a pioneering work that brims with puns, parodies, allusions, stream-of-consciousness writing and clever structuring. Modern Library ranked it as number one on its list of the twentieth

parallels between its characters and events and those of the poem (the correspondence of Leopold Bloom to Odysseus, Molly Bloom to Penelope, and Stephen Dedalus to Telemachus). Joyce divided Ulysses into 18 chapters or "episodes". At first glance much of the book may appear unstructured and chaotic; Joyce once said that he had "put in so many enigmas and puzzles that it will keep the professors busy for centuries arguing over what I meant", which would earn the novel "immortality". James Joyce (1882-1941) was an Irish novelist and poet, considered to be one of the most

which has now become a somewhat scarce book. There are some- and I confess myself to be one- for whom Shelton's racy old version, with all its defects, has a charm that no modern translation, however skilful or correct, could possess. Shelton had the inestimable advantage of belonging to the same generation as Cervantes; "Don Quixote" had to him a vitality that only a contemporary could feel; it cost him no dramatic effort to see things as Cervantes saw them; there is no anachronism in his language; he put the Spanish of Cervantes into the English of Shakespeare. is highly recommended for fans of his work and of the science fiction genre. Herbert George Wells (1866 - 1946) was a prolific English writer who wrote in a variety of genres, including the novel, politics, history, and social commentary. Today, he is perhaps best remembered for his contributions to the science fiction genre thanks to such novels as "The Time Machine" (1895), "The Invisible Man" (1897), and "The War of the Worlds" (1898). Many vintage books such as this are becoming increasingly scarce and expensive. We are republishing this book now in an affordable,
