Romania stays vacant, and the people stay far away from the predator of the night. Lucian stays in his castle in slumber by day and attacks by night. He finds himself craving for blood, but what he finds is beyond a surprise. Young Erin mistakenly flees out as the night grows darker. Yet the presence stays colder. What this vampire is wanting is something he can't take away. But a love blossoms from out of the shadows, and the attraction is more than a simple feeding. In this poetic romance, you see prey meet the predator. With action enticing the chapters and twisting, chilling details, this is Forever More. And love casts all fear aside in Forever No Less. It is about a mother’s instinct and a child’s cry. Erin is alone, and her lover is nowhere to be found. Doubt catches her off guard. And the search for truth causes her fears to become a cycle of ruin. Time remains unfazed and changes us in the most fascinating ways. The journey is more than what the eye can see. What is is not reality. And what was comes knocking. The door for hope is one to be yet opened when words remain unspoken. Erin finds a family curse and a path to the other side. She carries on and walks to the light. Lucian is searching for his lost child. Fate shows the destination. And hope is not compensated. Forever and always, time shows to be an advantage of surprising demands. What is to be of the land of Eden? Will all be free? Here beauty is but a figment of imagery. It is a kingdom of royal decrees, and fate becomes a mockery. An enemy changes the heart of one hero. But good has plans to overcome all evil and to forgive all against them. Love triumphs, and hate breeds. What you’re expecting is not a clichéd ending, but a story of the ages. Words bounce for off these pages. And faith has unsatisfying wages. Death is a foe and cannot prevail. Sink your teeth into love everlasting. For what history shows is a passage way unto the unknown.

An Arizona sheriff takes an impossible job: arresting Wyatt Earp. Wyatt Earp rides the train to Tucson alongside his brother Morgan, who makes the trip in the comfort of a wooden casket. Earp comes from Tombstone, along with his two surviving brothers and Doc Holliday, on a mission of vengeance for his murdered kin. They suspect Frank Stillwell of being the shooter, and are not interested in the bandit's denials. Earp is hardly off the train before he kills Stillwell, and he's on his way north before the body is cold. Unfortunately for the Earp gang, Stillwell had friends in high places. The governor issues warrants for their arrest, and sends a pair of lawmen north to Colorado to apprehend them. Jeremiah Tree, a sheriff nicknamed 'Sliphammer' for his choice of pistol, is given the unenviable task of arresting Wyatt and his brother Warren. It's a suicide mission, but Sliphammer is too cool to fear any gunman, legendary or not.

An omnibus edition of the last two books books in Jake Bible's Reign of Four series. Millennia ago, planet Helios held a grand technological civilization. But the Cataclysm tore the land apart, and the survivors were forced to flee to the Six Stations, the artificial planetoids that orbited Helios. It did not take long for their society to devolve into a virtual medieval world, with barely enough technology to survive the harshness of life in space. Out of this culture arose a line of monarchs called the Reign of Four. This edition features the previously published Book III and Book IV of Jake Bible's Reign of Four series.

"In the beginning of the grieving process survival seems an impossible feat. The mourners challenge lies in Facing Tomorrow. After the death of her first husband, author Phyllis McElwain found herself unequipped to deal with grieving. Yet eventually, she managed to cope with it, learning there are many losses to grieve besides death itself. Conceived during the mourning process, Facing Tomorrow offers discussions that may be helpful to you in your journey of grief. It is not a how-to guide, but simply a description of the process of moving from the moment of loss toward healing and restructuring ones life.".
