corruption of America's culture. Part 1 has Lucifer, the master of a convention, introducing eight professors of evil whose names describe Lucifer from scripture. For example, Professor Falsifier (see John 8:44) teaches how he

how to survive foreign attacks and the perils of assimilation. But today, with the Middle East in turmoil, they face greater challenges than ever before. In Heirs to Forgotten Kingdoms, former diplomat Gerard Russell ventures to the distant, nearly impassable regions
