

## French Kissing Series Box Set: Seasons 1 3

Leigh Sterling and Jodie Whitehouse share a deep love and extreme passion in the bedroom. But when Jodie's desire for a child becomes inevitable, it clashes with Leigh's career ambitions as well as with her lack of maternal instinct, and forces them apart. They go through life separately and, as years go by, their attempts at other relationships fail to measure up to the power of the union they once shared. When they see each other again eleven years after their painful breakup, an opportunity arises to explore if they really were each other's one true love.

New! Revised Author's Edition. "The songs we sang, the clothes we wore, the way we made love. Absolutely perfect!" —Publisher's Weekly Spanning the years from the optimistic post-War 1940s to the Mad Men 1950s and rebellious "Make Love, Not War" 1960s, DECADES is about three generations of women and the dynamic but flawed man they all loved. Evelyn, talented but insecure, faithful to the traditional values she grew up with, is a loyal and loving wife whose marriage means everything to her. Nick, handsome and ambitious, a chameleon who changes with the changing times, is her successful but restless husband. Joy, their daughter, coming of age at a time of anger and rebellion, needs them both but is torn between them. Barbara is the other woman. Younger than Evelyn, accomplished but alone, she wonders if she can have everything—including another woman's husband. But can she? Is she willing to pay the price? And how will Evelyn handle her rebellious daughter, her straying husband and the threat to her marriage? Sweeping in scope yet intimate in detail, DECADES is the emotional, compelling story of family and marriage, betrayal and healing. DECADES REVIEWS: "A brilliant book. Three generations of women are succinctly capsuled in this novel by a writer who has all the intellect of Mary McCarthy, all the insight of Joan Didion. Rarely have attitudes been so probingly examined—tough, trenchant, chic and ultra-sophisticated, Ms. Harris recreates the decades in which her heroines lived, from zoot suits and Sammy Kaye, through Eisenhower, Elvis and poodle-cut hairdos to moon walks, Mick Jagger and micro-minis. Readers will be entertained and few will be able to forget what Decades has to say about men and women and the games people play." —Fort Worth Star-Telegram "A terrific novel about a singular single girl." —Cosmopolitan "Ruth Harris has re-created both the style and substance of three decades of American life—from the bobby socks and innocence of the Forties, to the crinolines and caution of the Fifties, to the bra-less T-shirts and alienation of the Sixties." —Book-of-the-Month Club "Powerful. A gripping novel that depicts the lives and loves of three generations of women." —Women Today Book Club "I read Decades straight through at one sitting and the more I think about that, the more impressive the novel seems." —Houston Post DECADES, Book #3 in the Park Avenue Series, was originally published in hard cover by Simon & Schuster. All 5 books in the Park Avenue Series are all available on GooglePlay. Love And Money (Book #1)—Rich girl, poor girl. Three full-length sensual Regency romances make up this boxed set about a trio of widows. Extra! Extra! Read all about it ... In THE GOSSIP OF AN EARL, The Earl of Fennington has a secret identity—that of Mr. Pepperidge, editor of London's premiere gossip rag, The Tattler. While attending a garden party as Fennington, he meets and falls in love with Lady Emelia. The attraction is mutual, for despite knowing better, she allows him to kiss her behind a hedgerow. Who will know but them? Why, Mr. Pepperidge, of course! Desperate to spend more time with Emelia, Fennington employs a bit of blackmail to force Emelia to meet with him. Disguised as Mr. Pepperidge, he insists she provide him the on-dit she hears in Mayfair parlors. That, or he'll print the news of her kiss with the earl in The Tattler! With mistaken identities ruling the reports in the rag and a new Gossip Goddess spreading news of obscure aristocrats, is it any wonder the members of the ton love to hate gossip? Or do they really love gossip? When a widow just out of mourning returns to her position as an operative with the Foreign Office, she's assigned to help another spy regain his abilities after his experience with the horrors of war. What she doesn't know is that he's been assigned to her for an entirely different reason. Deception and intrigue highlight THE ENIGMA OF A WIDOW, a sensual tale of two spies with the same insane assignment—each other. Nothing makes a man more lonely than his secrets. The same might be said for women. THE SECRETS OF A VISCOUNT finds Godfrey, Viscount Thorncastle, with a secret he'd rather not tell anyone, including the woman for whom he has held a candle for over twenty years. Elise, the widow of Lord Lancaster, has had enough of marriage, but pining for the chance at motherhood, she may just have to consider Godfrey's proposal. If he can just get it right. The man has some preconceived notions about his true love, none of which are true. But then, she has some of the same notions about him. And none of them are real! Misunderstandings must be overcome in this sensual tale of secrets and numbers.

Acting Naughty; Book 1 Keith O'Leary has been trying to break into acting for ages. Adam Lewis, his agent, persuades Keith to accept the role, knowing it's a chance to star in the biggest new hit on TV. He has to kiss this man on camera, and much more. Playing Dirty; Book 2 Their love or their careers. This sequel to Acting Naughty shows just how bad the Hollywood hypocrisy could be when it comes to gay men coming out of the closet. It appears that playing dirty, is the only choice they have. Agonizing over having to pretend they are straight for any possibility of a leading man part in a motion picture, both men have to come to a decision as to what they value most. Getting it in the End: Book 3 You know him. You've seen him attempt to marry Sharon Tice in Mark and Sharon, be swept off his feet by the ex-LAPD cop, Steve Miller in Capital Games, begging forgiveness from his best friend Jack Larsen in When Adam Met Jack, seduced by two young handsome television stars in Playing Dirty, but who is Mark Antonious Richfield? In Los Angeles, California where everyone is a ten, Mark is an eleven. Too gorgeous for everyone's good, Mark is terribly flawed, and knows it. Find out Mark's side of the story, and fly with him as he falters through his life, trying, pleading, and usually not succeeding. Mark Richfield. Love him or hate him, he is a fascinating study in human nature. Behaving Badly; Book 4 For once, Mark Antonious Richfield thought everything was going well in his life. His full time job at Parsons and Company was fulfilling and his side career of modeling for a cologne ad was enjoyable. He and the love of his life, ex-LAPD officer, Steve Miller, as well as their best friends Jack Larsen and Adam Lewis, seemed to be getting along perfectly. What could possibly go wrong? When a young eighteen year old man appears at their door, their whole world turns on its head. Though Mark at first couldn't see anything unusual about the teenager, the minute Steve set eyes on Alexander Lehman, he knew he was a Richfield clone. Mark had an illegitimate son, one as sensual, gorgeous, and mischievous as himself. Dripping Hot; Book 5 With the Christmas party approaching, Mark Richfield is trying to cope with the pressure of the holidays, his out of control son, Alex, and too many men involved in his life to keep his sanity intact. It seems the popular idea at Parsons and Company is to have Mark play Santa Claus at the office gala. His latest ad for cologne has all of LA buzzing as his image hit all the billboards on Santa Monica Boulevard and the Sunset Strip; a half naked sexpot, Mark Antonious is exposed to entice the masses, not to mention the gay men in his office.*

Crazy For You is Book 8 in Harper Bliss' acclaimed Pink Bean Series.

A French Kiss with Death: Steve McQueen and the Making of Le Mans: The Man--The Race--The Cars--The Movie examines the life of actor Steve McQueen, the films in which he appeared and his love affair with the many cars and motorcycles he owned during his lifetime. The book details the history of the 24 Hours of Le Mans and the backgrounds of Alfa Romeo, Ferrari, Lola, Matra and Porsche leading up to the 1970 Manufacturers' Championship Series. You're there when Steve hones his driving skills in his Porsche 908 at Willow Springs, Phoenix and Riverside; and at the 1970 Daytona 24 Hours, 12 Hours of Sebring, and 24 Hours of Le Mans, on which the film Le Mans was based. A major portion of the book gives a detailed behind-the-scenes account of the making of Le Mans--from start to finish--with insightful and entertaining stories from some of the key players involved in the making of the film, both from behind the cameras and behind the wheels of the more than 25 cars used during the production: Alfa Romeo's, Corvettes, Chevrons, Ferraris, Porches, Lotas, & Matras. **Z-Burbia: A Post Apocalyptic Zombie Adventure Novel Description- When the zombie apocalypse hits the quiet Asheville, NC subdivision of Whispering Pines, the residents don't turn to the police or the military. Nope. They rely on their iron-fisted Home Owners Association! Which Jace Stanford and his family aren't too keen on. Undead hordes are hard enough to deal with in a post-apocalyptic hellscape, who needs HOA fines too? Filled with blood, gore, plenty of bad jokes, cannibals, dreaded HOA covenants, and a whole lot of snark, Z-Burbia is guaranteed to thrill and entertain! Welcome to life in Z-Burbia! Reviews- "The first novel in Jake Bible's series Z-Burbia hooked me. What appeared to be a jokey take on zombie fiction quickly develops some great characters and story." -BoingBoing.net "For those still not convinced about the zombie genre, Z-Burbia is worth a read if only for its female characters: Jake Bible doesn't have time for vapid whimpering damsels in distress. Oh no. Bible's characters are thinking, acting, feisty sorts." -Lee Murray, Bram Stoker Award-winning novelist Z-Burbia 2: Parkway To Hell: Description- With Whispering Pines refusing to give up and die, Jace "Long Pork" Stanford has nothing better to do than find out who the heavily-armed newcomers in town are. Well, while he's not busy dealing with the ever present Z hordes. Or running for his life from paramilitary mercenaries. Or possibly blowing up more of the zombie-infested city because he can't help pressing buttons. Buttons are meant to be pressed, even in the apocalypse, right? Looks like it's just another day in Z-Burbia! Z-Burbia 3: Estate of the Dead: Description- Jace Stanford has lost family, friends, and his arm to the zombie apocalypse that hit his subdivision of Whispering Pines. But he's also gained something he never in a million years would have thought would be a plus: the cannibal savant known as Elsbeth. Now Jace needs Elsbeth's help more than ever. But is she up to the task when her past is revealed? A past that is possibly more shocking than the zombie apocalypse itself? Jace is gonna find out the hard way. And, as everyone knows, in Z-Burbia the hard way usually means a whole lot of people are going to die! Welcome back to Z-Burbia, y'all! Z-Burbia 4: Cannibal Road: Description- Forced out of Asheville, Jace Stanford's family, along with a convoy of suburbanites, misfits, criminals, and soldiers, must battle their way through the I-40 corridor of Eastern Tennessee. When they are separated from their friends and allies in Knoxville, the Stanfords have to rely on their skills as post-apocalyptic survivors to fight off the Zs, insane Vols fans, homicidal sorority girls, and the most deadly of the post-apocalyptic threats- cannibal gangs! No longer are the Stanfords trying to survive day by day, but hour by hour and minute by minute, as they flee Z-Burbia and race through the hellscape of Cannibal Road! Reviews- "Once again Mr. Bible has cracked me up in the zombie apocalypse! Jace is still funny as hell, I love him. Elsbeth is still bad ass and she is my favorite. Stella and the kids brought out some cans of whoop ass as well!" -Melissa Martin, 5-star Goodreads review "I'm running out of things to say about how much I love this series. Each book is just as good as the last." -Jennifer Wheeler, 5-star Goodreads review Z-Burbia 5: The Bleeding Heartland: Description- The American Midwest was a bucolic landscape that didn't quite adjust to the zombie apocalypse. Instead of open arms and welcoming faces, there are now open mouths and venomous Zs. The blue collar drive to work hard has become a red-mouthed hunger for flesh. Jace Stanford, his family, and the rag tag bunch of Whispering Pines survivors, private military contractors, laborers, and former (hopefully?) cannibals now must face the vast, exposed space of America's Heartland in order to get to a possible sanctuary in the post-apocalyptic ruins of Boulder, Colorado. Just a simple convoy from point A to point B, right? Yeah, right. Nothing is ever simple in Z-Burbia! Z-Burbia 6: Rocky Mountain Die: Description- With the plains to their backs, Jace Stanford and crew are just steps from their destination: the Stronghold of Boulder, CO. All they have to do is battle the mega-powerful, corporate/political/military entity that is the Consortium, survive the brainwashed killing machines that call themselves the Sisters, and deal with a mad scientist hell bent on making life really, really hard for everyone because he's just a f\*ing jerk. Not a problem! If anyone can get his friends and family through a nightmare like this, it's Jace Stanford! What's that? There's a horde of zombies that's close to half a million strong coming for them all? Okay, everyone's screwed... It is Z-Burbia after all! **A boxed set of the three books in the Walnut Grove Romance series. 1. We Can Laugh Together Too 2. His Past Came Calling 3. No Smoke Without Fire Each book in the trilogy follows young widow Livi as she meets and falls in love with Matt, a veterinarian. They first meet when he arrives at the California horse farm she's struggling to run single handed following the tragic death of her husband and their farm manager in a road accident. We Can Laugh Together Too a year ago, Livi was tragically widowed and faced with the daunting prospect of running a thoroughbred horse farm alone. Matt is a veterinarian with a reputation for unreliability. Livi and Matt are brought together by an injured foal. Despite the fact that neither of them is interested in embarking on any kind of a romance, a growing mutual attraction is undeniable. Both support each other as even further complications develop. But Matt is only working locally temporarily, he'll soon be gone . The setting for this romance series is the beautiful Santa Ynez Valley as well as the wild Central California Coast. With a great descriptive talent, Cindy Baker takes her readers by the hand and molds them into the scenery as they follow the story in the second chance romance. Will a love story develop? Will Matt move on leaving Livi behind? This contemporary romance novel has been described as "... a great story that allows you curl up and escape into on a cozy evening . . ." What more do you need to tug at your heartstrings than a handsome veterinarian in sexy scrubs and a young, widowed mother, struggling to survive? His Past Came Calling Escape to California's beautiful Santa Ynez Valley and follow the heartwarming love story between Livi, widowed with a young daughter, and Matt, the handsome vet, who befriended her, then set out to win her broken heart. This is the second book in the Walnut Grove Series. The first book, 'We Can Laugh Together Too' quickly earned the following impressive review: After meeting and falling in love with locum veterinarian, Dr. Matt Allen, recently widowed Livi Leonard thought the seemingly insurmountable trials and tribulations that had been dogging her life for the past year were, at last, over. But this proves not to be the case. Livi's fifteen year old daughter, Chrissy, vanishes without trace while riding her newly acquired horse in the foothills of the San Rafael Mountains, bordering the farm where they live, and the investigating detectives seem to view Matt as their prime suspect. Far from ceasing, Livi's problems seem to be escalating. Surely the man she adores and she believes adores her could not turn out to be so calculating and deceiving. No Smoke Without Fire After the trauma of her daughter, Chrissy being abducted by Karen, her new love's jealous ex-partner, Livi hopes her life, in the idyllic setting of California's Santa Ynez Valley, may finally settle down. This is not to be. Karen continues to explore ways to torment Livi with the clear intention of driving Livi and Matt apart. But the love for each other that Livi and Matt discovered endures and grows stronger. Karen's plotting does not overcome the bonds they've forged. This contemporary adult romance novel has been described as "... a great story that allows you curl up and escape into on a cozy evening . . ." It's the first novel in the Walnut Grove second chances trilogy. Borrowing Bentley Bentley
Maisy Turner and I had been butting heads since we were 5 years old. That girl knew all my buttons and loved to push 'em. Folks said we had a love/hate relationship, but I'd never felt much of the love, from her side, that is. So when I got roped into working side by side with her, I was expecting sparks to fly—I just thought they'd be from us rubbing each other the wrong way, not the right one. Maisy When scandal broke in Wishing Well and I was called in to right the wrongs, I jumped at the chance to finally be seen as an individual, and not just a Turner Triple. I was prepared to do whatever it took to advance my career and stand on my own two feet...even if it meant working side by side with him. Bentley Calhoun had been a thorn in my side since kindergarten. He was like an annoying itch that drove me crazy. Problem with itches was, it felt so good to scratch 'em. Loving Jackson
Jackson I was known for 2 things: my career and bachelorhood. The former had a lot do with the latter. As a cinematographer I'd spent my life traveling the world, leaving no time for anything else—including love. But one NSFW text from a hot redhead whose beauty and charm made everyone she met instantly fall in love with her had me rethinking my priorities. Josie I was known for 2 things: a scandal in my teens and being the granddaughter of Hollywood Royalty from the Golden Age. Thanks to the former, I'd spent my adult life closed off from love. But one unfortunate autocorrect incident sent to a sexy man with a commanding presence and a smile that made my toes curl might just change all of that. Educating Holden
Holden In the blink of an eye, my whole world changed. One minute I was riding high at the peak of my career, the next I woke up flat on my back in a hospital bed. Returning to my hometown a broken man had never been part of the plan. Neither was my best friend's little sister, the only woman I'd ever loved, and the person who had always been off-limits. All my life I'd run away from my feelings for her, which was a lot easier before I looked out my bedroom window and saw her naked. Olivia
Nothing in my life ever changed. I went to bed at the same time. Woke up at the same time. Saw the same people. It was a Groundhog Day existence. I had to shake things up. When my brother's best friend and my lifelong crush, suffers a career-ending injury that lands him back in Wishing Well & living next door, I figure I this is my chance. What have I got to lose...besides my dignity and clothes, that is? Kissing Beau
Beau Exes & weddings don't mix. I hate weddings. So when my first love, who I hadn't seen in ten years since she cheated on me with and married my best friend, slid into the seat beside me and announced that she was getting a divorce, I almost got up and left. I should have. I spent the entire wedding fielding questions about my ex being there. I was just about to leave before the first dance when I saw a woman that made me forget everything, including where I was...so I stuck around. Sasha
Heartbreak & alcohol don't mix. I love weddings. So when I showed up unannounced at my grandma's house after finding out my live-in boyfriend/on-screen husband was a cheating pig and she asked me to be her plus one, I figured it might cheer me up to see true love. I was wrong. I spent the entire wedding fielding questions about the show and my soon-to-be ex, which is why I may have had one too many cocktails before the first dance. I was about to make a graceful exit when I saw a man that made me forget any other man on the planet even existed. I mean, one more drink couldn't hurt.
