

GOOD NIGHT, LIGHTNIN

Parker Duncan has sworn off love and forever since she discovered her wife—her ex-wife—cheating on her on their tenth anniversary. Sydney Hyatt doesn't even do overnight. She attracts women effortlessly, then discards them after an hour or two of mutual pleasure. They meet at a party celebrating Parker's divorce, and they're tailor-made for a no-strings encounter. Yet when their paths cross again, lightning strikes, and both women begin to question their life rules in the face of undeniable passion and growing love. But demons past and dangers present threaten the lovers, and Parker and Sydney must fight to find new traditions in dark spaces as they cling to the relationship neither of them thought she wanted. The first book in the Lightning series.

The first and only book to detail the history of Black images in animated cartoons. That's Enough Folks includes many rare, previously unpublished illustrations and original animation stills and an appendix listing cartoon titles with black characters along with brief descriptions of gags in these cartoons.

Presents the life of the acclaimed blues musician, known for songs whose topics ranged from his African American roots to space exploration, and focuses on his eccentric style of guitar playing and his lasting influences in music.

Describes the history of the music of southern Louisiana and examines the influence of Cajun songs on American popular music

Ellik the Lightning Horror

A New 50's Rock 'n Roll Musical : Book, Music and Lyrics

Mater and Lightning McQueen team-up to track down runaway tractors in this all-new Little Golden Book featuring all of your favorite characters from Disney/Pixar Cars. It's a must-have for children ages 3-7!

Phoebe Greenway never imagined when she landed her dream job as an historic interpreter in an 1800's house in Ohio, that her fascination with one of the home's former occupants would change her destiny. One stormy night while locking the museum, Phoebe is startled by a figure on the stair. Her pursuit of it teaches her the truth of the old adage, 'Be careful what you wish for...You just might get it.'Spanning one hundred and sixty years and the length and breadth of America, GOODNIGHT ROBINSON is a tale of an impossible love set against the back-drop of 21st century Ohio and 19th century California.

From Next Gen racers to the Legends, kids will love meeting a whole new crew of vehicles from the Cars world. This updated and expanded third edition introduces characters and "extras" from Cars 3, plus even more characters from the first and second movie. This deluxe edition will have a brand-new design and features a shiny metallic-looking cover!

Lightning McQueen is a hot-shot young race car competing for the coveted Piston Cup. But when he gets lost on the way to a big race, he realizes that he still has a lot to learn about what it takes to be a true friend. This exciting retelling of the newest Disney/Pixar film is sure to be a hit with young speedsters!

Lightnin' Charlie Off the Record the Trials and Tribulations of a Travelin' Troubadour Second Edition

It was an explosion that reverberated across the country—and into the very heart of early-twentieth-century

America. On the morning of October 1, 1910, the walls of the Los Angeles Times Building buckled as a thunderous detonation sent men, machinery, and mortar rocketing into the night air. When at last the wreckage had been sifted and the hospital triage units consulted, twenty-one people were declared dead and dozens more injured. But as it turned out, this was just a prelude to the devastation that was to come. In *American Lightning*, acclaimed author Howard Blum masterfully evokes the incredible circumstances that led to the original “crime of the century”—and an aftermath more dramatic than even the crime itself. With smoke still wafting up from the charred ruins, the city’s mayor reacts with undisguised excitement when he learns of the arrival, only that morning, of America’s greatest detective, William J. Burns, a former Secret Service man who has been likened to Sherlock Holmes. Surely Burns, already world famous for cracking unsolvable crimes and for his elaborate disguises, can run the perpetrators to ground. Through the work of many months, snowbound stakeouts, and brilliant forensic sleuthing, the great investigator finally identifies the men he believes are responsible for so much destruction. Stunningly, Burns accuses the men—labor activists with an apparent grudge against the Los Angeles Times’s fiercely anti-union owner—of not just one heinous deed but of being part of a terror wave involving hundreds of bombings. While preparation is laid for America’s highest profile trial ever—and the forces of labor and capital wage hand-to-hand combat in the streets—two other notable figures are swept into the drama: industry-shaping filmmaker D.W. Griffith, who perceives in these events the possibility of great art and who will go on to alchemize his observations into the landmark film *The Birth of a Nation*; and crusading lawyer Clarence Darrow, committed to lend his eloquence to the defendants, though he will be driven to thoughts of suicide before events have fully played out. Simultaneously offering the absorbing reading experience of a can’t-put-it-down thriller and the perception-altering resonance of a story whose reverberations continue even today, *American Lightning* is a masterpiece of narrative nonfiction.

Good Night, Lightning (Disney/Pixar Cars) Disney Books for Young Readers

Synopsis: When Joy gets on the Brooklyn Scallywags and meets the star, Lizzie Lightning, she and her long term partner Michelle find their lives turned upside down. For *The Love Of* asks how much you’re willing to sacrifice – or lose – in order to follow your heart. Cast Size: 9 Diverse Females “tough, thrilling, compelling, dramatic” —Stage Raw “raw and real and complicated” —Chicago Tribune “a seductively rousing show.” —LA Weekly

Based on scores of interviews with the artist's relatives, friends, lovers, producers, accompanists, managers, and fans, this brilliant biography reveals a man of many layers and contradictions. Following the journey of a musician who left his family's poor cotton farm at age eight carrying only a guitar, the book chronicles his life on the open road playing blues music and doing odd jobs. It debunks the myths surrounding his meetings with Blind Lemon Jefferson and Texas Alexander, his time on a chain gang, his relationships with women, and his lifelong appetite for gambling and drinking. This volume also discusses his hard-to-read personality; whether playing for black audiences in Houston's Third Ward, for white crowds at the Matrix in San Francisco, or in the concert halls of Europe, Sam Hopkins was a musician who poured out his feelings in his songs and knew how to endear himself to his audience--yet it was hard to tell if he was truly sincere, and he appeared to trust no one. Finally, this book moves beyond exploring his personal life and details his entire musical career, from his first recording session in 1946--when he was dubbed *Lightnin'*--to his appearance on the national charts and his rediscovery by Mack McCormick and Sam Charters in 1959, when his popularity had begun to wane and a second career emerged, playing to white audiences rather than black ones. Overall, this narrative tells the story of an important blues musician who became immensely successful by singing with a searing emotive power about his country roots and the injustices that informed the civil rights era.

Mojo Hand

Lightnin' Hopkins

Terror, Mystery, the Birth of Hollywood, and the Crime of the Century

In the clubs, ballrooms, and barbecue joints of neighborhoods such as Third Ward, Frenchtown, Sunnyside, and Double Bayou, Houston's African American community birthed a vibrant and unique slice of the blues. Ranging from the down-home sounds of Lightnin' Hopkins to the more refined orchestrations of the Duke-Peacock recording empire and beyond, Houston blues was and is the voice of a working-class community, an ongoing conversation about good times and hard times, smokin' Saturday nights and Blue Mondays. Since 1995, Roger Wood and James Fraher have been gathering the story of the blues in Houston. In this book, they draw on dozens of interviews with blues musicians, club owners, audience members, and music producers, as well as dramatic black-and-white photographs of performers and venues, to present a lovingly detailed portrait of the Houston blues scene, past and present. Going back to the early days with Lightnin' Hopkins, they follow the blues from the streets of Houston's Third and Fifth Wards to its impact on the wider American blues scene. Along the way, they remember the vigorous blues community that sprang up after World War II, mourn its decline in the Civil Rights era, and celebrate the lively, if sometimes overlooked, blues culture that still calls Houston home. Wood and Fraher conclude the book with an unforgettable reunion of Houston blues legends that they held on January 3, 1998. Lightnin' Charlie's second edition of **OFF THE RECORD The Trials and Tribulations of a Travelin' Troubador**, includes a collection of new side-splitting short stories and amazing anecdotes from his experiences as a professional touring musician, reformed saloon singer, and ultimately, his unique and extraordinary testimony as a born-again Christian. You'll laugh till you cry at these hysterical, tall and true tales.

Time traveling was not on today's agenda. Racing to intercept her thieving soon-to-be-ex, Evy Rivera is thrown back to ancient Spain with no rules, no guidance, and brand new, badass lightning bullwhips. ~ ~ ~ Tesla's Time Travelers. Book 1 ~ ~ ~ Nikola Tesla's time machine is no secret. But what of his time-travelers? Men and women hand-selected and trained to alter history and save mankind. Again and again and again. Evy Rivera is one, as is her father and his father before. Too bad they didn't know until yesterday. Now, Evy must come to grips with being mankind's guardian while learning the craft of arcing-traveling through time via white-hot bolts of lightning. Following orders has never been her strong suit and with a misogynistic tutor, she'll be lucky to survive her first alteration: assassination of a Spanish legend. **Lightning Rider** is the first book in the Tesla Time Travel series--stories full of action, adventure, and a romance that spans centuries.

A Disney/Pixar **Cars 3** board book with sturdy tabs--just in time for the **Cars 3** Blu-ray and DVD release! Blindsided by a new generation of blazing-fast racers, the legendary **Lightning McQueen** (voice of Owen Wilson) is

suddenly pushed out of the sport he loves. 'A true testimonial and epic love letter to the soul saving power of rock & roll . . . Read it and be inspired, as I was' Bobby Gillespie 'Lenny Kaye has illuminated ten facets of the jewel called rock and roll from a uniquely personal and knowledgeable perspective. He draws from a lifetime of inspiration and experience. A youth plugging in his first electric guitar, a fan taking the dance floor, a propelling player, a humble guardian of history, and the writer I have always known him to be' Patti Smith Memphis, 1954. New Orleans 1957. Philadelphia 1959. Liverpool, 1962. San Francisco 1967. Detroit 1969. New York, 1975. London 1977. Los Angeles 1984 / Norway 1993. Seattle 1991. Rock and roll was birthed in basements and garages, radio stations and dance halls, in cities where unexpected gatherings of artists and audience changed and charged the way music is heard and

celebrated, capturing lightning in a bottle. Musician and writer Lenny Kaye explores ten crossroads of time and place that define rock and roll, its unforgettable flashpoints, characters and visionaries, how each generation came to be, how it was discovered by the world. Whether Elvis Presley's Memphis, the Beatles' Liverpool, Patti Smith's New York or Kurt Cobain's Seattle, LIGHTNING STRIKING reveals the communal energy that creates a scene, a guided tour inside style and performance, to see who's on stage, along with the movers and shakers, the hustlers and hangers-on, and why everybody is listening. Grandly sweeping and minutely detailed, informed by Kaye's acclaimed knowledge and experience as a working musician, LIGHTNING STRIKING is an ear-opening insight into our shared musical and cultural history, a carpet ride of rock and roll's most influential movements and moments.

The author of the instant New York Times bestseller This Tender Land returns with a powerful prequel to his acclaimed Cork O'Connor series—a book about fathers and sons, long-simmering conflicts in a small Minnesota town, and the events that echo through youth and shape our lives forever. Aurora is a small town nestled in the ancient forest alongside the shores of Minnesota's Iron Lake. In the summer of 1963, it is the whole world to twelve-year-old Cork O'Connor, its rhythms as familiar as his own heartbeat. But when Cork stumbles upon the body of a man he revered hanging from a tree in an abandoned logging camp, it is the first in a series of events that will cause him to question everything he took for granted about his hometown, his family, and himself. Cork's

father, Liam O'Connor, is Aurora's sheriff and it is his job to confirm that the man's death was the result of suicide, as all the evidence suggests. In the shadow of his father's official investigation, Cork begins to look for answers on his own. Together, father and son face the ultimate test of choosing between what their heads tell them is true and what their hearts know is right. In this masterful story of a young man and a town on the cusp of change, beloved novelist William Kent Krueger shows that some mysteries can be solved even as others surpass our understanding.

After racing all day, Lightning McQueen returns to Radiator Springs to relax and sleep.

The Life and Music of Lightnin' Hopkins

Leo the Lightning Bug

South to Louisiana

Lightning McQueen, a hotshot rookie racing car, wants to become the youngest car ever to win the Piston Cup. When the race ends in a threeway tie, Lightning heads to California for a decider race and makes an unexpected pit stop in a small town called Radiator Springs. Enjoy this large size Disney-Pixar storybook, featuring illustrated pages fans can treasure for years to come.

A sturdy, shaped book featuring the popular Cars character Lightning McQueen features large-size spreads and a foil-accented front cover, in a lighthearted story that follows themes of adventure and friendship. Movie tie-in.

Instructions and illustrations demonstrate how to draw various motorized vehicles, including the Ford Model T, Chevy Bel Air, Corvette, Volkswagen Beetle, and Hummer.

In a career that took him from the cotton fields of East Texas to the concert stage at Carnegie Hall and beyond, Lightnin' Hopkins became one of America's greatest bluesmen, renowned for songs whose topics effortlessly ranged from his African American roots to space exploration, the Vietnam War, and lesbianism, performed in a unique, eccentric, and spontaneous style of guitar playing that inspired a whole generation of rock guitarists. Hopkins's music directly and indirectly influenced an amazing range of artists, including Jimi Hendrix, Stevie Ray Vaughan, Miles Davis, John Coltrane, Tom Waits, and Bob Dylan, as well as bands such as the Grateful Dead, Jefferson Airplane, and ZZ Top, with whom Hopkins performed. Mojo Hand follows Lightin' Hopkins's life and music from the acoustic country blues that he began performing in childhood, through the rise of 1950s rock 'n' roll, which nearly derailed his career, to his reinvention and international success as a pioneer of electric folk blues from the 1960s to the 1980s. The authors draw on 130 vivid oral histories, as

well as extensive archival and secondary sources, to provide the fullest account available of the development of Hopkins's music; his idiosyncratic business practices, such as shunning professional bookers, managers, and publicists; and his durable and indelible influence on modern roots, blues, rock 'n' roll, singer-songwriter, and folk music. Mojo Hand celebrates the spirit and style, intelligence and wit, and confounding musical mystique of a bluesman who shaped modern American music like no one else.

2019 LOCUS AWARD WINNER, BEST FIRST NOVEL 2019 HUGO AWARD FINALIST, BEST NOVEL 2019 NEBULA AWARD FINALIST, BEST NOVEL One of TIME magazine's 100 Best Fantasy Books of All Time 'Someone please cancel Supernatural already and give us at least five seasons of this badass indigenous monster-hunter and her silver-tongued sidekick' The New York Times While most of the world has drowned beneath the sudden rising waters of a climate apocalypse, Dinétah (formerly the Navajo reservation) has been reborn. The gods and heroes of legend walk the land, but so do monsters. Maggie Hoskie is a Dinétah monster hunter, a supernaturally gifted killer. When a small town needs help finding a missing girl, Maggie is their last best hope. But what Maggie uncovers about the monster is much more terrifying than anything she could imagine. Maggie reluctantly enlists the aid of Kai Arviso, an unconventional medicine man, and together they travel the rez, unravelling clues from ancient legends, trading favours with tricksters, and battling dark witchcraft in a patchwork world of deteriorating technology. As Maggie discovers the truth behind the killings, she will have to confront her past if she wants to survive. Welcome to the Sixth World. 'An excitingly novel tale' Charlaine Harris 'Fun, terrifying, hilarious, and brilliant.'" Daniel José Older 'Crafts a powerful and fiercely personal journey through a compelling postapocalyptic landscape' Kate Elliott

Gypsy wanderer Lightning has a problem. Actually, he has tons of them, from his responsibility as the leader of his Caravan to the fact that he has to find his soul mate before his fast approaching twenty-first birthday. When he meets Traveler, a man he thinks is a Deserter of the Road, or a gypsy who has turned his back on the nomadic lifestyle he so loves, Lightning refuses to believe that he's found what he's been searching for. There's no way that Traveler can be the answer to the curse that will fall on his people. No way. So when the ancients insist that Traveler is the one, Lightning is less than thrilled. Even if Lightning is willing to give it a try,

Traveler has problems of his own. His past is full of intrigue and danger, forcing him to hide his true identity from Lightning. When his former life catches up with him, Traveler has to leave Lightning behind, and they might never find each other again. Can Lightning get past his natural suspicion and the wounds of his childhood to make a life with Traveler? Will Traveler's past mistakes cost them both their chance at happiness and bring more than one curse down upon their heads? Magic, mayhem and true love reign in this gypsy tale! Gathers unusual and little-known facts about rock and roll performers, groups, recordings, and history
