

Girls Who Rocked The World: Heroines From Joan Of Arc To Mother Teresa

The Girls Who Rocked the World series shows teens that they don't have to wait until they're grownups in order to make a difference and rock the world.

A gripping and dark fictionalised account of life inside the Manson family from one of the most exciting young voices in fiction. If you're lost, they'll find you... It's the summer of 1969. Evie Boyd is fourteen and desperate to be noticed. Restless, empty days stretch ahead of her. Until she sees them. The girls. Hair long and uncombed, jewelry catching the sun. And at their centre, Suzanne, black-haired and beautiful. If not for Suzanne, she might not have gone. But, intoxicated by her and the life she promises, Evie follows the girls back to the decaying ranch where they live. Was there a warning? A sign of what was coming? Or did Evie know already that there was no way back? The only novel from bestselling author Alice Munro, winner of the Nobel Prize in Literature Catching frogs, grazing knees, singing songs to save England from Hitler - that was childhood for Del Jordan, and now she's impatient for more. More than she can find in the encyclopedias sold by her mother, or in the half-understood innuendos dispensed by best friend Naomi, or in the whispers of boys during Friday night dances. Just like the girls in the movies, she wants to get started on real life. In her only novel, Alice Munro turns her eye to the frustrations, embarrassments, glee and bewilderment of adolescence, and to the brushes with sex, death, violence and birth that shape the lives of girls and women. 'I am the perfect audience for her brand of quiet, seething feminism' Lena Dunham 'Superb' Independent 'In Munro's work, nothing can be predicted. Emotions erupt. Preconceptions crumble. Surprises proliferate' Margaret Atwood 'Exact and unflinching' Guardian 'She is one of the handful of writers, some living, most dead, whom I have in mind when I say that fiction is my religion' Jonathan Franzen

"The future belongs to those who believe in the beauty of their dreams" Eleanor Roosevelt Get ready to meet some incredible young women who made their mark on the world before turning twenty and prove that when it comes to having an impact, there’s no such thing as too young! Whether designing famous momuments, fighting for their countries’ freedom or being political pioneers these gutsy girls have changed the way we view the world and ourselves. From Florence Nightingale to Anna Pavlova, Coco Chanel to Eva Peron, The Bronte Sisters to Indira Gandhi, this book features women from across history and around the globe, who have all achieved remarkable things.

Interspersed with the amazing accounts of girls throughout history are stories of powerful young women who are changing the world right now - girls like Winter Vinecki, the creator of the non-profit organization Team Winter, and Jazmin Whitley, the youngest designer to show at L.A. Fashion Week. It's never too soon to start making a difference - be inspired and empowered by this fun collection that shows girls really can rock the world!

This updated edition of the bestselling Girls Think of Everything, by Sibert-winner Catherine Thimmesh and Caldecott Honor winner Melissa Sweet, retains all the integrity of the original but includes expanded coverage of inventions (and inventors) to better reflect our diverse and technological world. In kitchens and living rooms, in garages and labs and basements, even in converted chicken coops, women and girls have invented ingenious innovations that have made our lives simpler and better. What inspired these girls, and just how did they turn their ideas into realities? Retaining reader-tested favorite inventions, this updated edition of the best-selling Girls Think of Everything features seven new chapters that better represent our diverse and increasingly technological world, offering readers stories about inventions that are full of hope and vitality--empowering them to think big, especially in the face of adversity.

Chronicles the history of women in rock music, taking readers backstage to meet Bessie Smith, Mahalia Jackson, Debbie Harry, Patti Smith, Coutney Love, Cher, and Lauryn Hill.

A stellar and unprecedented celebration of 104 musical artists, Women Who Rock is the most complete, up-to-date history of the evolution, influence, and importance of women in music. A gorgeous gift book, it includes a stunning, specially commissioned, full-color illustrated portrait of every musician and group. From Bessie Smith and The Supremes to Joan Baez, Madonna, BeyoncéAmy Winehouse, Dolly Parton, Sleater-Kinney, Taylor Swift, and scores more, women have played an essential and undeniable role in the evolution of popular music including blues, rock and roll, country, folk, glam rock, punk, and hip hop. Today, in a world traditionally dominated by male artists, women have a stronger influence on popular music than ever before. Yet, not since the late nineteen-nineties has there been a major work that acknowledges and pays tribute to the female artists who have contributed to, defined, and continue to make inroads in music. In Women Who Rock, writer and professor of journalism Evelyn McDonnell leads a team of women rock writers and pundits in an all-out celebration of 104 of the greatest female musicians. Organized chronologically, the book profiles each artist and places her in the context of both her genre and the musical world at large. Sidebars throughout recall key moments that shaped both the trajectory of music and how those moments influenced or were influenced by women artists. With full-color illustrated portraits by women artists, Women Who Rock will be THE long-awaited gift book for every music fan, feminist, and female rocker. young and old musicians.

Girls Who Rocked the World

Then He Kissed Me, He's A Rebel, Chains, Stop! In the Name of Love all these songs capture the spirit of an era and an image of "girlhood" in post-World War II America that still reverberates today. While there were over 1500 girl groups recorded in the '60s--including key hitmakers like the Ronettes, the Supremes, and the Shirelles - studies of girl-group music that address race, gender, class, and sexuality have only just begun to appear. Warwick is the first writer to address '60s girl group music from the perspective of its most significant audience--teenage girls--drawing on current research in psychology and sociology to explore the important place of this repertoire in the emotional development of young girls of the baby boom generation. Girl Groups, Girl Culture stands as a landmark study of this important pop music and cultural phenomenon. It promises to be a classic work in American musicology and cultural studies.

Showcasing three decades of Glamour’s Women of the Year, this book is a record of the ceiling-shattering achievements that have reshaped our world, and a manual for success for the women of today—and tomorrow For over 80 years, Glamour has been the preeminent female empowerment title in America. From Glamour’s origin as the magazine “for the girl with a job” to today, strong, ambitious women have always taken center stage, and no place more so than at Glamour’s annual Women of the Year Awards. Launched in 1990, the annual awards have become a 30-year living, breathing history, mapping out the evolution of women’s power across the worlds of film, politics, sports, activism, and more. Many of the names are familiar. We’ve grown up with Billie Jean King, Madonna, Nora Ephron, and Ruth Bader Ginsburg. Titans of change like Michelle Obama and Malala Yousafzai have rocked our world in lasting ways. Stars such as Reese Witherspoon, Ava DuVernay, Julianne Moore, Lupita Nyong’o, and Ashley Graham have used their global influence to shift the needle in filmmaking, reproductive rights, criminal justice, and representation. Other names you may not know so well include women who have transformed the futures of school children in local communities, and teens who organized millions to fight against gun violence. Glamour: 30 Years of Women Who Have Reshaped the World touches on some of the most culturally important moments of our recent history. Additionally, it includes original content from Shonda Rhimes, Diane von Furstenberg, Arianna Huffington, and more to inspire future generations. Most importantly, the book offers inspiration and service, reminding today’s women and girls that, in the words of 2015 Women of the Year honoree Reese Witherspoon, ambition is not a dirty word.

The True, Tough Story of Women in Rock

An inspiration for any young person who loves the outdoors, wildlife, or science, A World of Her Own tells the stories of 24 brave women from different cultures, epochs, and economic backgrounds who have shared similar missions: to meet the physical and mental challenges of exploring the natural world, to protect the environment and native cultures, and to leave a mark in the name of discovery. Among the many bold women profiled are Rosaly Lopes, who worked for NASA and discovered 71 volcanoes on one of Jupiter’s moons; Helen Thayer, the first woman to walk and ski the Magnetic North Pole accompanied by only her dog; Kay Cottee, the first woman to successfully sail nonstop around the world completely unassisted; and Anna Smith Peck, who set the record for the highest climb in the Western Hemisphere at the age of 58. These and other engaging profiles, based on both historical research and firsthand interviews, stress how childhood passions and interests, perseverance, and courage led these women to overcome challenges and break barriers to achieve great success in their adventurous pursuits and careers. A bibliography and annotated list of exploration resources and organizations make this an invaluable resource for young explorers, parents, and teachers alike.

Girls on Fire

We expect an enormous amount from our teenage girls in a world where they are bombarded with messages about how they should look, behave, succeed. Yet we also speak as though adolescence is a nightmare rollercoaster ride for both parent and child, to be endured rather than enjoyed. In Untangled, world authority and clinical psychologist Lisa Damour provides an accessible, detailed, comprehensive guide to parenting teenage girls. She believes there is a predictable blueprint for how girls grow; seven easily recognisable 'strands' of transition from childhood through adolescence and on to adulthood. Girls naturally develop at different rates, typically on more than one front, and the transition will be unique to every girl. Each chapter describes a phase, such as 'contending with adult authority' and 'entering the romantic world', with hints and tips for parents and daughters, and a 'when to worry' section. Damour writes sympathetically and clearly, providing a practical and helpful guide for any parent, and for teenage girls too.

'A sincere, poignant and moving story of a group of teenage girls coming to terms with the world they've inherited' Taylor Jenkins Reid, New York Times bestselling author of Daisy Jones and the Six An all-girls boarding school in a hilly corner of Connecticut, Atwater is a haven for progressive thinking and feminist intellectuals. The students are smart, driven and worldly; they are also teenagers, learning to find their way. But when they arrive on campus for the start of the fall term, they're confronted with startling news: an Atwater alumna has made a troubling allegation of sexual misconduct against an unidentified teacher. As the weeks wear on and the administration's efforts to manage the ensuing crisis fall short, these extraordinary young women come to realise that the adults in their lives may not be the protectors they previously believed. All Girls unfolds over the course of one tumultuous academic year and is told from the point of view of a small cast of diverse, interconnected characters as they navigate the social mores of prep school life and the broader, more universal challenges of growing up. The trials of adolescent girlhood are pitched against the backdrop of sexual assault, consent, anxiety and the ways that our culture looks to young women as trendsetters, but otherwise silences their voices and discounts their opinions. The story that emerges is a richly detailed, impeccably layered, and emotionally nuanced depiction of what it means to come of age in a female body today.

With the birth of rock 'n' roll, popular culture was changed completely. Before the rebellious sounds of Bill Haley and the Commets, Buddy Holly, or Elvis Presley, the music scene was far more conventional, as was the lifestyle. Activities such as unwed sexual relations, motorcycle rides, and certain types of dancing were socially prohibited. Rock 'n' roll music was first introduced by small, independent record companies and promoted by radio disc jockeys like Alan Freed, who used the term rock 'n' roll to help attract white audiences unfamiliar with black music. Music That Rocked the World features more than 270 artists who have influenced music over four decades.
