

Golden Grey: The Nightmares That Ghosts Have (Golden Grey (Paperback))

After his triumph over a ghost collector and a doctor who does no good, Tom Golden thinks life is finally...well, golden. Grey Arthur and his ghostly crew have happily settled into their roles as Invisible Friends while Tom has made a new human friend with Pick-Nose Pete. But when one friendly ghost is overly enthusiastic about his duties, the TV show Exceedingly Haunted Homes of England is called in to investigate. A hysterical fear of ghosts takes over the school, and the Invisible Friends are glad that they witness the chaos unheard and unseen. Too bad that the same cannot be said for the ghosts in the world beyond. The disappearance of the Crown Jewels in a rather Poltergeist-like manner is trouble enough, but a frightening specter caught on film and a knight seen charging through streets and pedestrians spell trouble. Restoration of the peace between the ghostly and human realms may be too much for one boy to handle, but Tom hopes that the help of Grey Arthur and the Invisible Friends may be just what he needs to track down the cause of this supernatural chaos. In this third installment to the Golden & Grey series, Louise Arnold takes the reader on an exciting adventure full of Laundry Runs, ancient castles, and the ever dark and dangerous woods.

Golden & Grey: The Nightmares That Ghosts Have Simon and Schuster

Large Print's increased font size and wider line spacing maximizes reading legibility, and has been proven to advance comprehension, improve fluency, reduce eye fatigue, and boost engagement in young readers of all abilities, especially struggling, reluctant, and striving readers.

Ghosts are just like humans, except they are never born and they never die. One day they appear and then one day they're gone. But recently, more ghosts than usual have been disappearing. Just vanishing into even thinner air. So many, so quickly, that it can only mean one thing.

A Supernatural Gothic Mystery

The Lathe Of Heaven

A Gathering Midnight

Glory

City of Dreams & Nightmare

Series covers individuals ranging from established award winners to authors and illustrators who are just beginning their careers. Entries cover: personal life, career, writings and works in progress, adaptations, additional sources, and photographs.

A collection of tales to invade and paralyse the mind as the safe light of day is infiltrated by the shadows of the night. As you read, the clutching fingers of terror brush lightly across the nape of the neck, reach round from behind to clutch and lock themselves, white-knuckled, around the throat. This is the horror of ordinary people and everyday objects that become strangely altered; a world where nothing is ever quite what it seems, where the familiar and the friendly lure and deceive. A world where madness and blind panic become the only reality.

Want to identify fiction books that boys in grades three through nine will find irresistible? This guide reveals dozens of worthwhile recommendations in categories ranging from adventure stories and sports novels to horror, humorous, and science fiction books.

Tal tries to steal a sunstone, but during his act of thievery is thrown off the Castle of Seven Towers by a powerful Spiritshadow Keeper. He falls down to the iceworld below, where he is captured by Icecarls. To save his life, he must team up with Milla - a Shield-Maiden in training - and offer his aid to the nomads.

Shade's Children

Daisy Jones and the Six

House of Hollow

Golden & Grey: A Good Day for Haunting

Song & Poem of Praise

At fourteen, Liliana Velásquez walked out of her village in Guatemala and headed for the U.S. border, alone. On her two-thousand-mile voyage she was robbed by narcos, rode the boxcars of La Bestia, and encountered death in the Sonoran Desert.

In addition to continuing their work to stop school bullies while training ghosts to be invisible friends, eleven-year-old Tom Golden and Grey Arthur--along with several spectral friends--try to discover why ghosts across England are vanishing.

Inspired by the McMartin preschool trials and the Satanic Panic of the '80s, the critically acclaimed author of *The Remaking* delivers another pulse pounding, true-crime-based horror novel. Richard doesn't have a past. For him, there is only the present: a new marriage to Tamara, a first chance at fatherhood to her son Elijah, and a quiet but pleasant life as an art teacher at Elijah's elementary school in Danvers, Virginia. Then the body of a rabbit, ritualistically murdered, appears on the school grounds with a birthday card for Richard tucked beneath it. Richard doesn't have a birthday--but Sean does . . . Sean is a five-year-old boy who has just moved to Greenfield, Virginia, with his mother. Like most mothers of the 1980s, she's worried about bills, childcare, putting food on the table . . . and an encroaching threat to American life that can take the face of anyone: a politician, a friendly neighbor, or even a teacher. When Sean's school sends a letter to the parents revealing that Sean's favorite teacher is under investigation, a white lie from Sean lights a fire that engulfs the entire nation--and Sean and his mother are left holding the match. Now, thirty years later, someone is here to remind Richard that they remember what Sean did. And though Sean doesn't exist anymore, someone needs to pay the price for his lies.

When the television show "Exceedingly Haunted Homes of England" hears rumors of ghosts at Tom Golden's school, he and his "invisible friends" must track down some ghosts that have turned visible in order to restore the balance between the ghost and human worlds.

The Nightmare That Ghosts Have

'This story will steal up your spine, slip beneath your skin, and stick to you like honey.' -- **Samantha Shannon** **The Hollow sisters - Vivi, Grey and Iris - are as seductively glamorous as they are mysterious. They have black eyes and hair as white as milk. The Hollow sisters don't have friends - they don't need them. They move through the corridors like sharks, the other little fish parting around them, whispering behind their backs. And everyone knows who the Hollow sisters are. Because one day the three Hollow sisters simply disappeared. And when they came back, one month later, with no memory of where they had been, it was as if nothing had changed. Almost nothing, Apart from, for example, the little scar that had appeared in the hollow of their throats ... and a whispering sense that something is not quite right about them, despite (or maybe because of) the terrible passion to be with them that they can exert on anybody at will... A thrilling, twisting, novel that is as seductive and glamorous as the Hollow sisters themselves....**

When the mysterious Nowhere Emporium arrives in Glasgow, orphan Daniel Holmes stumbles upon it quite by accident. Before long, the 'shop from nowhere' -- and its owner, Mr Silver -- draw Daniel into a breathtaking world of magic and enchantment. Recruited as Mr Silver's apprentice, Daniel learns the secrets of the Emporium's vast labyrinth of passageways and rooms -- rooms that contain wonders beyond anything Daniel has ever imagined. But when Mr Silver disappears, and a shadow from the past threatens everything, the Emporium and all its wonders begin to crumble. Can Daniel save his home, and his new friends, before the Nowhere Emporium is destroyed forever? Scottish Children's Book Award winner Ross MacKenzie unleashes a riot of imagination, colour and fantasy in this astonishing adventure, perfect for fans of Philip Pullman, Corneila Funke and Neil Gaiman.

The sequel to the funny and scary bestselling novel Nightmares! by multi-talented actor, Jason Segel, and bestselling author, Kirsten Miller. You thought the nightmares were over? You'd better keep the lights on! Since Charlie escaped from Netherworld, the land of nightmares, he's been sleeping soundly once more. But he can't shake the feeling that something strange is going on - his creepy stepmother's plant store is losing customers as everyone heads to the town of Orville Falls. Stranger still, Orville Falls is suddenly full . . . of zombies? At least, they sure look like the walking dead . . . Could it be that the inhabitants of the town are also starting to lose sleep? Charlie knows one thing for sure: things are about to get weird again.

Naomi Novik has once again been influenced by classic folktales, following Uprooted - her standalone novel. Taking Rumpelstiltskin as her starting point, Spinning Silver is rich, original and a joy to read. Will dark magic claim their home? Miryem is the daughter and granddaughter of moneylenders, but her father's too kind-hearted to collect his debts. They face poverty, until Miryem hardens her own heart and takes up his work in their village. Her success creates rumours she can turn silver into gold, which attract the fairy king of winter himself. He sets her an impossible challenge - and if she fails, she'll die. Yet if she triumphs, it may mean a fate worse than death. And in her desperate efforts to succeed, Miryem unwittingly spins a web which draws in the unhappy daughter of a lord. Irina's father schemes to wed her to the tsar - he will pay any price to achieve this goal. However, the dashing tsar is not what he seems. And the secret he hides threatens to consume the lands of mortals and winter alike. Torn between deadly choices, Miryem and Irina embark on a quest that will take them to the limits of sacrifice, power and love. 'Dire and wonderful; I loved this book so much' Laini Taylor 'Pits the cold of endless winter against the fires of duty, love and sacrifice. I couldn't put it down' Katherine Arden

A Life of Sir Edward Grey

The Graveyard Book

It's Alive

Get Those Guys Reading!

The Nymph's Oath

NATIONAL AND NEW YORK TIMES BESTSELLER WINNER OF THE 2019 GOODREADS CHOICE AWARD FOR HISTORICAL FICTION A NEW YORK TIMES EDITORS' CHOICE NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Washington Post - Esquire - Glamour - CBC - NPR - Marie Claire - Real Simple - Good Housekeeping - Parade - Shelf Awareness - BookRiot - E! News - Mental Floss - Paste "I devoured Daisy Jones & The Six in a day, falling head over heels for it. Daisy and the band captured my heart." --Reese Witherspoon

(Reese's Book Club x Hello Sunshine book pick) A gripping novel about the whirlwind rise of an iconic 1970s rock group and their beautiful lead singer, revealing the mystery behind their infamous breakup. Everyone knows Daisy Jones & The Six: The band's album Aurora came to define the rock 'n' roll era of the late seventies, and an entire generation of girls wanted to grow up to be Daisy. But no one knows the reason behind the group's split on the night of their final concert at Chicago Stadium on July 12, 1979 . . . until now. Daisy is a girl coming of age in L.A. in the late sixties, sneaking into clubs on the Sunset Strip, sleeping with rock stars, and dreaming of singing at the Whisky a Go Go. The sex and drugs are thrilling, but it's the rock 'n' roll she loves most. By the time she's twenty, her voice is getting noticed, and she has the kind of heedless beauty that makes people do crazy things. Also getting noticed is The Six, a band led by the brooding Billy Dunne. On the eve of their first tour, his girlfriend Camila finds out she's pregnant, and with the pressure of impending fatherhood and fame, Billy goes a little wild on the road. Daisy and Billy cross paths when a producer realizes that the key to supercharged success is to put the two together. What happens next will become the stuff of legend. The making of that legend is chronicled in this riveting and unforgettable novel, written as an oral history of one of the biggest bands of the seventies. Taylor Jenkins Reid is a talented writer who takes her work to a new level with Daisy Jones & The Six, brilliantly capturing a place and time in an utterly distinctive voice.

An unforgettable, New York Times bestselling fantasy adventure for fans of AN EMBER IN THE ASHES, SHADOW AND BONE and THE GILDED ONES. Soon to be a major Netflix movie. 'The hunt for your next YA fantasy book trilogy obsession has ended' Entertainment Weekly 'The next big thing in YA fantasy . . . Dazzling' Kirkus 'A fast-paced, rip-roaring ride . . . A masterpiece of magic' - Namina Forna, New York Times bestselling author of The Gilded Ones Magic doesn't exist in the broken city of Lkossa anymore, especially for girls like sixteen-year-old Koffi. Indentured to the notorious Night Zoo, she cares for its fearsome mythical creatures to pay off her family's debts. But when they are threatened by the Zoo's cruel master, Koffi unleashes a power she doesn't fully understand. As the son of a decorated hero, Ekon destined to become an elite warrior. Until a fire at the Night Zoo upends his future and, on the brink of his final rite of passage, Ekon is cast out - his reputation left in tatters. For Koffi and Ekon, the outlook is bleak - unless they can capture the Shetani, the vicious monster that plagues their city. As Koffi and Ekon enter the Greater Jungle, a world steeped in wild magic and danger, the tentative alliance between them is tested to the extreme. The hunt begins - but are they the hunters or the hunted? An extraordinary adventure inspired by Pan-African mythology, from exciting debut author Ayana Gray.

The Strange Case of Dr. Jekyll and Mr. Hyde is about a London lawyer named Gabriel John Utterson who investigates strange occurrences between his old friend, Dr. Henry Jekyll, and the evil Edward Hyde. There are two personalities within Dr. Jekyll, one apparently good and the other evil; completely opposite levels of morality. The novel's impact is such that it has become a part of the language, with the very phrase "Jekyll and Hyde" coming to mean a person who is vastly different in moral character from one situation to the next. 'The Strange Case of Dr. Jekyll and Mr. Hyde' is a thrilling Gothic horror novel. John Utterson, a prosecutor, is on his weekly walk with his relative, who proceeds to tell him of an encounter with a man he had seen some months ago while coming home late at night from Cavendish Place. The tale describes a sinister figure named Edward Hyde who tramples a young girl, disappears into a door on the street, and re-emerges to pay off her relatives with 10 pounds in gold and a cheque signed by respectable gentleman Dr. Henry Jekyll (a client and friend of Utterson's) for 90 pounds. Jekyll had recently and suddenly changed his will to make Hyde the sole beneficiary. This development concerns and disturbs Utterson, who makes an effort to seek out Hyde. Utterson fears that Hyde is blackmailing Jekyll for his money. Upon finally managing to encounter Hyde, Hyde's ugliness, as if deformed, amazes Utterson. Although Utterson cannot say exactly how or why, Hyde provokes an instinctive feeling of revulsion in him. Much to Utterson's surprise, Hyde willingly offers Utterson his address. After one of Jekyll's dinner parties, Utterson stays behind to discuss the matter of Hyde with Jekyll. Utterson notices Jekyll turning pale, yet he assures Utterson that everything involving Hyde is in order and that he is to be left alone. Book two in Crystal Lake Publishing's The Dream Weaver series picks up where the Bram Stoker Award-nominated Where Nightmares Come From: The Art Of Storytelling In The Horror Genre left off.

Nightmares! The Sleepwalker Tonic

Statesman of Europe

Doors of Gold and Rust

Whisper Down the Lane

A Monster Calls

When a downhearted ghost becomes the "invisible friend" of an eleven-year-old boy who is an outcast in his new school, the two help each other find their place in their respective worlds.

In a city that sleeps, the darkness is gathering ... For Londoner Fern King, Annwn is her second home - the dream mirror of London, the city she loves. An astonishing world, a world where Dreamers walk in their slumber, their dreams playing out all around them. And Fern, along with her twin brother Ollie, is now a Knight, a trusted guardian and protector of those Dreamers - and every night is spent in Annwn, fulfilling that previously only-imagined destiny to guard those who sleep. But Annwn, this dark and golden city, is a fragile place. There are those who seek to control and to ruin it - mistrust and secrets are rife, and as the delicate symbiotic balance between Annwn and our own world begins to topple, rifts begin to appear between the fabric of the worlds. And Fern and Ollie will have to do all in their power to protect this place that has become so precious to them ...

It takes a graveyard to raise a child. Nobody Owens, known as Bod, is a normal boy. He would be completely normal if he didn't live in a graveyard, being raised by ghosts, with a guardian who belongs to neither the world

of the living nor the dead. There are adventures in the graveyard for a boy—an ancient Indigo Man, a gateway to the abandoned city of ghouls, the strange and terrible Sleer. But if Bod leaves the graveyard, he will be in danger from the man Jack—who has already killed Bod's family.

When you have a ghost as your friend, like Tom Golden does, you quickly learn the benefits. Grey Arthur supplies Tom with pens in class, grabs Tom's lunch when he forgets it, and generally helps him out as any best friend would. It's just that, in this case, no one else can see Grey. But right as Tom is settling into a comfortable routine, his life is once again turned on its ear when Grey Arthur starts a school for Invisible Friends in Tom's house. Ghosts are crowding into Tom's room and setting up camp in his attic with hopes of learning the art of the newest job in the ghost world. Meanwhile, other ghosts are mysteriously disappearing, and the repercussions are felt throughout the human world, even by Tom's parents. There are sinister forces at play, and it's up to Tom and Grey to figure out what's going on.

The Fall

Spinning Silver

The Ballad of Reading Gaol

A Novel

Wildwood Road

Sarah Weisman keeps running away from her feelings; to a college far away to avoid her high school crush, then back home to avoid her first love... All she wants now is to study, keep her head down, and ignore the feelings she keeps having for the wrong gender. So when she meets Letty Ortiz, an animal activist, outspoken lesbian who catches her eyes at first glance, she knows she should run again. But she doesn't. As they get to know each other, Sarah is once again faced with conflicting emotions...but while she's coming to terms with her feelings for Letty...the Latino woman is now the one confused. What if she had another agenda? Could she still get on with it? And would Sarah survive the betrayal?

A NEW STATESMAN BOOK OF THE YEAR 2020 'The lamps are going out all over Europe. We shall not see them lit again in our life-time.'

The words of Sir Edward Grey, looking out from the windows of the Foreign Office in early August 1914, are amongst the most famous in European history, and encapsulate the impending end of the nineteenth-century world. The man who spoke them was Britain's longest-ever serving Foreign Secretary (in a single span of office) and one of the great figures of late Victorian and Edwardian Britain. Statesman of Europe is a magnificent portrait of an age and describes the three decades before the First World War through the prism of his biography, which is based almost entirely on archival sources and presents a detailed account of the main domestic and international events, and of the main personalities of the era. In particular, it presents a fresh understanding of the approach to war in the years and months before its outbreak, and Grey's role in the unfolding of events.

The Nymph's Oath, curse or blessing? A yearly ritual where all nymph kind will go into heat, sending their sexual hormones into overdrive, but there's a catch. If the females are not mated by the time they reach the age of thirty, they die tragically. For years, Rose has been dreaming the same intimate dream with two men, only to wake up alone. Time is running out for her as the Oath quickly approaches, a death sentence reigning above her head. Two men on a mission. Trent and Kraven are so close to finding their mate they can almost taste her. But will they be able to claim the woman that they were destined to be mated with? Or will it all be in vain... A lost cause.

In a long-forgotten room, something evil is waiting...All she has to do is open the door. The conclusion to the two-part Byrne House Duology. It's been four months since Evelyn Ashwood escaped from the tunnels beneath Byrne House, and nothing about her life is the same. Alex Evans still hasn't returned to Castle Heights. She's spending more time with Jake—her former enemy—whose macabre sense of humor conceals a darker affliction. And she's plagued by disturbing visions of the past that she cannot control, much less explain. When Evelyn is forced to return to Byrne House, she discovers another murder in the mansion's history. The victim is someone with close ties to her family, someone who supposedly left Castle Heights years ago. As Evelyn tries to uncover what really happened, she must face not only her family's true history, but the darkest truth about Byrne House itself. Because the mansion hasn't yet given up all of its secrets...In a long-forgotten room beneath the gardens, something malevolent is waiting. All Evelyn has to do is open the door.

Gray's Anatomy

Bringing Your Nightmares to Life

Fiction and Series Books that Boys Will Love

A Little Bit of Grey

Michael and Jillian Dansky seemed to have it all—a happy marriage, two successful careers, a bright future. But late one October evening, all that changed. Driving home from a Halloween masquerade, Michael momentarily nods off behind the wheel—and wakes to find nothing is the same. Standing by his car is the little girl he came within a breath of running down. She leads Michael to her “home,” an empty house haunted by whispers, and sends him away with a haunting whisper of her own: “come find me.” But in the weeks to follow, it's clear that someone—or some thing—doesn't want Michael to find her: ominous figures in grey coats with misshapen faces are following him everywhere. And then Jillian wakes one morning replaced by a cold, cruel, vindictive woman Michael hardly recognizes as his wife. Michael must now search not only for the lost girl, but for a way to find the Jillian he's always loved, and to do so he must return to where the nightmare began. Down an isolated lane where he'll find them, or die trying. From the Trade Paperback edition.

On your 14th birthday, you're dead meat... Chilling SF adventure from international bestselling author Garth Nix.

Night Shift

Nightmare Fuel

(Descriptive and Surgical)

City of a Hundred Rows

Glory is a two-hundred volume long song and poem of praise and worship to God and to the saving grace of Jesus Christ, it is for praise and thankfulness, for gratefulness and our complete adoration for the King of Heaven, the creator of our souls. May we always praise Him and give thanks here and now and in Heaven within eternity. God inspires me to write every day, I try to write whenever I can, He has put on my heart that I should do whatever I can to write and praise Him in my writings, these writings are no my own but God's, He has done all the inspiring and given me the strength and life to write what I have, he gives my fingers the strength to go on and write more and express my soul and heart, he is life. Let us continue to be inspired by Him every day and be encouraged through His word of life, the Bible, let us continue to read and express the love that is within the Bible, the truth and mercy and compassion, the forgiveness and justice.

THEY THOUGHT THEY WERE SAFE . . . The Sanctum is a luxurious, self-sustaining survival condominium situated underground. It's a plush bolt-hole for the rich and paranoid - a place where they can wait out the apocalypse in style. When a devastating super-flu virus hits, several families race to reach The Sanctum. All have their own motivations for entering. All are hiding secrets. But when the door locks and someone dies, they realize the greatest threat to their survival may not be above ground - it may already be inside . . . Under Ground is a page-turning locked-room mystery from the combined talents of Sarah Lotz and Louis Greenberg, writing as S. L. Grey. It is perfect for fans of Under the Dome by Stephen King and films such as The Hole and The Descent (with a pinch of And Then There Were None by Agatha Christie).

Jennifer Merrick, a headstrong Scottish woman, is abducted from her convent school by the English warrior Royce Westmoreland, but her disdain and impatience with her captor give way to her growing attraction

Originally published in 1898, "The Ballad of Reading Gaol" is a poem written by Oscar Wilde.

Composed after his release from the titular prison whilst he was in exile in Berneval-le-Grand, the poem deals with the hanging at Reading Goal of Charles Thomas Wooldridge, a 30-year-old man who was imprisoned for cutting his wife's throat. Within the poem, Wilde narrates the execution in full and explores the brutal nature of the punishment that all inmates must endure. Oscar Fingal O'Flahertie Wills Wilde (1854-1900) was an Irish poet and playwright who became one of the most popular in London during the 1880s and 1890s. Well-known for his sharp wit and extravagant attire, Wilde was a proponent of aestheticism and wrote in a variety of forms including poetry, fiction, and drama. He was famously imprisoned for homosexual acts from 1895 to 1897 and died at the age of 46, just three years after his release. Other notable works by this author include: "Picture of Dorian Gray" (1890), "Salome" (1891), and "The Importance of Being Earnest" (1895). Ragged Hand is proudly republishing this classic poem now complete with a specially-commissioned new biography of the author.

Under Ground

The Nowhere Emporium

Dreams and Nightmares

The Strange Case of Dr. Jekyll and Mr. Hyde

Something about the Author

No one told Trey Grey that life could be dark and unpredictable. With the death of his father when he was eight, his mother's departure from Earth on a syringe full of heroin, and the brutal abuse of his stepfather, Trey learned these lessons all too well on his own. Now at twenty years of age, he is nearing the completion of his accounting degree and can finally glimpse the end of his life as a prostitute. The only profession he has ever known. Wracked by nightmares of Willie's years of abuse, and controlled by severe obsessive-compulsive disorders as a result, he seems to have a tentative handle on his own life. That is, as long as he keeps a death-grip and no one touches his Camaro, kitten. But even the best laid plans can be torn to gory bits. His savior comes in the unlikely form of a spiky-haired blond named Justin, after a night of drunken debauchery that neither of them seems able to forget. Justin might just need Trey as much as Trey needs him. Trey travels through his fearscapes and begins to find his own forgiveness, but at what cost to the manic-depressive Justin? Will they be able to live through the trauma of each other's lives and find their own version of normal? This is a gritty and raw story about escapism, and how one's life can alter course when you least expect it. Trey looks at his own life with an irony that is both amusing and shocking, yet quickly draws the reader to his corner. Public Press Review Winner of nine hook and opener awards as well as several awards for character development.

Four men who reunite every year during hunting season in the woods of Maine, encounter a disoriented, incoherent stranger who drags the men into a terrifying struggle with a creature from another world, and their only chance for survival lies in their shared past.

George Orr discovers that his dreams possess the remarkable ability to change the world, and when he falls into the hands of a power-mad psychiatrist, he counters by dreaming up a perfect world that can overcome his nightmares, in a new edition of the classic science fiction novel. Reprint. 20,000 first printing.

THIS VALUABLE ANATOMY BOOK, Written in the 1850s by a young doctor, Henry Gray. Gray's Anatomy was the most comprehensive and accessible anatomy of its time. This beautifully produced slipcased volume contains the historic text of the second edition and all of Henry Vandyke Carter's masterly drawings. It is essential reading for anyone with an interest in the history of medicine or in the amazingly complex machine that is the human body. HENRY GRAY [1827 - 1861] was an English anatomist and surgeon most notable for publishing the book Gray's Anatomy. He was elected a Fellow of the Royal Society (FRS) at the age of 25. While still a student, Gray secured the triennial prize of Royal College of Surgeons in 1848 for an essay entitled The Origin, Connexions and Distribution of nerves to the human eye and its appendages, illustrated by comparative dissections of the eye in other vertebrate animals. In 1852, at the early age of 25, he was elected a Fellow of the Royal Society, and in the following year he obtained the Astley Cooper prize of three hundred guineas for a dissertation "On the structure and Use of Spleen."
