Halo Mythos

Presents an illustrated, in-depth guide to the settings, characters, groups, weapons, vehicles, and protective gear in the fourth chapter of the adventure video game series.

Découvrez, pour la première fois, la grande saga de l'univers Halo, depuis le règne des majestueux Forerunners, des millénaires avant notre ère, jusqu'à la lutte acharnée opposant l'humanité aux troupes extraterrestres des Covenants et du Parasite. Ecrit par une équipe d'experts de 343 Industries, et illustré avec plus de cinquante extraordinaires visuels en couleurs, voici le guide officiel qui retrace les dix millions d'années de l'histoire de Halo.

"In the last years of the Forerunner empire, chaos rules. The Flood--a horrifying shape-changing parasite--has arrived in force, aided by unexpected allies. Internal strife within the ecumene has desperately weakened Forerunner defenses.Too little, too late, the legal rate of Juridicals is only now investigating possible crimes by the Master Builder and others. Evidence-gathering agents known collectively as Catalog have been dispatched to collect testimony from the Librarian and both Didacts: the Ur-Didact, treacherously abandoned in a Flood-infested system, and the Bornstellar Didact, who accompanies the Librarian as she preserves specimens against the dire possibility of Halo extermination.Facing the imminent collapse of their civilization, the Librarian and the Ur-Didact reveal what they know about the relationship between the long-vanished Precursors and the Flood. The Precursors created many technological species, including humanity and the Forerunners. But the roots of the Flood may be found in an act of enormous barbarity, carried out beyond our galaxy ten million years before...Because of that barbarism, a greater evil looms. Only the Ur-Didact and the Librarian--husband and wife pushed into desperate conflict--hold the keys to a solution. Facing the consequences of a mythic tragedy, one of them must now commit the greatest atrocity of all time--to prevent an insane evil from dominating the entire universe"--
