

His Counterfeit Campfire Bride (Camp Firefly Falls Book 2)

The first edition was called "the most valuable film reference in several years" by Library Journal. The new edition published in hardcover in 2001 includes more than 670 entries. The current work is a paperback reprint of that edition. Each entry contains a mini-essay that defines the topic, followed by a chronological list of representative films. From the Abominable Snowman to Zorro, this encyclopedia provides film scholars and fans with an easy-to-use reference for researching film themes or tracking down obscure movies on subjects such as suspended animation, viral epidemics, robots, submarines, reincarnation, ventriloquists and the Olympics ("Excellent" said Cult Movies). The volume also contains an extensive list of film characters and series, including B-movie detectives, Western heroes, made-for-television film series, and foreign film heroes and villains.

This book is a history of the Whore of Babylon image found in the book of Revelation, with an emphasis upon the use and influence of the text on the Brethren of the nineteenth century. The Brethren developed a multi-layered exegesis of the text, using Babylon as a form of vituperative rhetoric through which to vilify all other Christians in order to define their own religious identity. Those with divergent doctrinal beliefs belonged to an epistemological Babylon; those polluted by the world belonged to secular Babylon. Babylon was contagious! It is from the pens of these writers that the Secret Rapture of the Church doctrine developed as a biological "fight or flight" response, and a psychological "fear and fantasy" response. Whilst the Brethren of the nineteenth century are the central focus, the book will have a wider appeal to those interested in the history of exegesis, hermeneutics, and Apocalypse studies, for it also offers an overview of hermeneutical approaches to the reading of Revelation, a survey of Babylon's "afterlife" throughout the history of the church, and new insights into the ways in which readers, texts, and contexts interact in the broader context of sectarian biblical exegesis.

Although much of Carter's work is considered part of the contemporary canon, its true strangeness is still only partially understood. Lorna Sage argues that one key to a better understanding of Carter's writings is the extraordinary intelligence with which she read the cultural signs of our times. From structuralism and the study of folk tales in the 1960s to fairy stories, gender politics and the theoretical 'pleasure of the text', which she makes so real in her writing. Carter legitimised the life of fantasy and celebrated the fertility of the female imagination more than any other writer. Lorna Sage's authoritative study explores the roots of Carter's originality, covering all her novels as well as some short stories and non-fiction.

It begins with the origin of coins in ancient Sumer, and follows advancements in metallurgy and minting machines to paper, plastic, and electronic moneys designed to ease trade and halt counterfeiting and other forms of theft. A timeline of monetary history is provided along with a glossary and bibliography. Numerous photographs of coins and bills provide an up-close look at beautiful and ingenious artifacts.

I accepted Jesus Christ as my savior when I was nine years old. I fell in love with the Lord because I found out He loved me. I went to church all my life, raised my children in church, but I was still bound up with insecurities inside until I was forty-eight years old. When God set me free, I became determined to help others be set free. I was like Lazarus at the tomb, free and yet still bound. So many people are living in an inner hell. Satan is in control of their lives, and they don't even realize it. Not only lost people are living in a private hell, but so many Christian are too. I am tired of saved people living in defeat. I am spending the rest of my life declaring war on the devil. I am spending the rest of my life helping God expose the enemy in our lives. I want people set free and living the abundant life in Christ Jesus. It is time for Christians to take a stand in their own lives if they ever want to make a difference in someone else's life. It is up to us to show them the way. We can no longer be content to go through life allowing the devil to manipulate us like puppets on a string. We have got to start recognizing the enemy at work in our lives and start taking control over him. We have the weapons and the authority to use them on him. Let's begin to take control of our lives the way God meant for us to. It is time to declare war and start marching against the strife in our lives, Satan's counterfeit, and start living in peace, God's perfect gift.
