Visit spearheadbooks.com and christopherhopper.com today! DESCRIPTION: Read the story that turned in Dionia for generations-their kind and their king, Morgui, banished long ago from haunting paradise. But when creation shows signs of deterioration, the kings of the seven realms converge in the sacred Gvindollion gathering to arrive at one inexplicable conclusion: Morgui has returned. In the hopes of entrusting Dionia's brave history and perilous future to a generation that has never known war, the kings decide to raise up their young sons as an elite group of warriors, known only as the Dibor. Gorn, legendary hero a four-year adventure on the Isle of Kirstell. It is Luik, son of Lair, who soon emerges as the warband's spirited front man. But he is not the only one of his peers to grow in power: his dear friend Fane discovers hidden abilities among the Mosfar under the mentorship of Li-Saide of Ot, while Princess Anorra finds that her lifelong tutor knows as much about combat as he does about etiquette. There is little time for the Dibor to enjoy the satisfaction of graduation, however, as a sinister plot is discovered to dethrone with the rest of Dionia's fighting men. It is before the gates of Adriel Palace that Luik and his army face Morgui's prince, Valdeni, as well as the unending ranks of the Dairne-Reih.

A forbidden romance. A deadly plague. Earth's fate hinges on one girl. . . CINDER, a gifted mechanic in New Beijing, is also a cyborg. She's reviled by her stepmother and blamed for her stepstiser's sudden illness. But when her life becomes entwined with the handsome Prince Kai's, she finds herself at the centre of a violent struggle between the desires of an evil queen - and a dangerous temptation. Cinder is caught between duty and freedom, loyalty and betrayal. Now she must uncover secrets about her mysterious you won't forget.

The Dry Creek Chronicles offer a window onto the daily lives of Idaho families who owned and worked the land in the Dry Creek Valley and Green Meadow, southwestern Idaho, from 1863 to 1900. Two nineteenth century farming communities, one in the creek valley and one on the floodplain of the Boise River, forged an enduring social bond through marriage and shared economic fortunes in similar environments. Over the course of forty years, however, their destinies diverged: one remained rural for more than 150 families who created those communities.

Hearts and Hands

Sebastian is stolen away from his lover, Emily, and forced across the sea in order to allow his older brother to take Emily's hand instead. In the wild unknown colonies of Southern Africa, Sebastian becomes one of the first white elephant hunters. There he will see the bloodiest faces of man as loyalty and friendship are divided in the Boer War.

"A California classic. . . California, it should be remembered, was very much the wild west, having to wait until 1850 before it could force its way into statehood, so what tamed it? Mr. Starr 's answer is a combination of great men, great ideas and great projects. "—The Economist From the age of exploration to the age of Arnold, the Golden State 's premier historian distills the entire sweep of California 's history into one splendid volume. Kevin Starr covers it all: Spain 's conquest of the native peoples of

California in the early sixteenth century and the chain of missions that helped that country exert control over the upper part of the territory; the discovery of gold in January 1848; the incredible wealth of the Big Four railroad tycoons; the devastating San Francisco earthquake of 1906; the emergence of Hollywood as the world 's entertainment capital and of Silicon Valley as the center of high-tech research and development; the role of labor, both organized and migrant, in key industries from agriculture to aerospace. In a rapid-fire epic of discovery, innovation, catastrophe, and triumph, Starr gathers together everything that is most important, most fascinating, and most revealing about our greatest state. Praise for California "[A] fast-paced and wide-ranging history . . . [Starr] accomplishes the feat with skill, grace and verve. " —Los Angeles Times Book Review " Kevin Starr is one of california 's greatest historians, and California is an invaluable contribution to our state 's record and lore. " —Marla Shriver, journalist and former First Lady of California " A breeze to read. " —San Francisco

The tranquility of Mars is disrupted by humans who want to conquer space, colonize the planet, and escape a doomed Earth.

History LivesChronicles of the ChurchChristian Focus

I was thirteen years old when I originally thought of the story, and have written and rewritten it more times than I can count. But six years ago, I met my wife a Filipina from Manila, and there I discovered the wonderful and gracious people of the Philippines. After realizing I would have children of mixed racial birth, I decided I wanted to give them a hero to look up to from their own culture. I then re-did all nine books; this time the racial, religious and cultural differences gave the book a more defined nature, one of which I was proud. I had given up long ago on trying to get an agent or a publisher to take interest in my book, but that was never my goal. My goal was to give my children a hero of their own heritage, and to inspire them. Win or lose, they win. The Year is 2079 and the earth has recently been discovered by a ruthless alien race known as the T-Challa. Their plan is to enslave the population and to strip the earth of all its resources to maintain and expand their vast empire. However the earth is not without hope, another alien race called the X'ena's have sent a symbiotic probe to earth to help defend her from the T-Challa. The Probe which takes the name Paladin merges with a human named Caleb Ocoda as well as an ancient battleship from a century ago and transforms both into a force to protect the earth. Caleb then man's his ship with the best the earth has to offer as they go out and defend the earth successfully defeating the small fleet sent by the T-Challa. Unfortunately the ship suffers damage and it affects Caleb wounding him, it is quickly discovered that Caleb is dying and with him the mighty ship named Paladin, the only defense of earth. After searching all possible answers to save himself and protect the earth, Caleb decides to find the X'ena to see if they can cure him before his death, but time is short and the single ship must travel through the heart of the T-Challa Empire to find the X'ena and save Caleb. Will they succeed?

There's more to Los Angeles than lights, camera, action! From the city's early, devilish days populated by missionaries, robber barons, oil wells and orange groves, Chronicles of Old Los Angeles explains how the Wild West became the Left Coast. Learn how Alta California became the 31st state, and how ethnic waves built Los Angeles—from Native Americans to Spaniards, Latinos and Asians, followed by gangsters, surfers, architects and the Hollywood pioneers who brought fame to the City of the Angels. Then, discover the city yourself with six guided walking/driving tours of LA's historic neighborhoods, profusely illustrated

with color photographs and period maps.

Rolls Series

The seventh book in the bestselling Chronicles of St Mary's series which follows a group of tea-soaked disaster magnets as they hurtle their way around History. If you love Jasper Florde or Ben Aaronovitch, you won't be able to resist Jodi Taylor. Rules are meant to be broken, aren't they? 'I've done some stupid things in my time. I've been reckless. I've broken a few rules. But never before have I ruined so many lives or left such a trail of destruction behind me.' Max has never been one for rules. They tend to happen to other people. But this time she's gone too far. And everyone at St Mary's is paying the price. With the History Department disintegrating around her and grounded until the end of time, how can she ever put things right? Readers love Jodi Taylor: 'Once in a while, I discover an author who changes everything. . . Jodi Taylor and her protagonist Madeleine "Max" Maxwell have seduced me'"A great mix of British proper-ness and humour with a large dollop of historical fun" Addictive. I wish St Mary's was real and I was a part of it" Jodi Taylor has an imagination that gets me completely hooked" 'A tour de force'

A monk's chronicle offers a record of life and events in 13th-century England and further afield. Colour reproductions of the original manuscript decorations add to the detail. Let history come to life - just the way it should do.Read the stories of the reformers in the 16th and 17th centuries who changed the face of the Christian church forever.Meet the German monk, the French scholar, and the Scottish tutor who protested corruption in the church. Get to know the queens and explorers who risked everything for the freedom to worship according to their consciences.It was a time of war and upheaval, but also a time of promise and hope. From Erasmus and Luther to Katherine Parr and William Bradford, God used different personalities in different places to bring sweeping changes to church government and the way we worship. Learn from their mistakes and be encouraged by their amazing strengths and gifts. Extra features throughout this book look deeper into issues such as the Scientific Revolution, wars of religion, the Puritans, and the settling of the Americas. This is the third book in a series intended to cover the history of the Christian church through its people and key events. They are written with 9-14 year olds in mind but the modern, relaxed and enthusiastic style is infectious. This is history without the wooliness - and with all the wonder.

Let history come to life - just the way it should be.Read the stories of Gregory the Great, Boniface, Charlemagne, Constantine Methodius, Vladimir, Anselm of Canterbury, Bernard of Clairvaux, Francis of Assisi, Thomas Aquinas, Catherine of Sienna, John Wyclif and John Hus.From people of the Medieval church you can discover how the young Christian church moved on into another era of time. From Gregory I through to Wyclif and Hus you can discover about the crusades and the spread of Islam as well as the beginnings of universities and the Reformation.As the church moves on through the centuries you can see its people struggling against persecution and problems from inside and out.Learn from their mistakes and errors but more importantly learn from their amazing strengths and gifts. Marvel at God's wonderful care of his people - the church - the Christian church.Written in a modern and relaxed style this is a book that will introduce you to history without the tears and with all the wonder.Extra features throughout this book include looking deeper into issues such as Islam; Division; the crusades; the first university; Creeds and Councils and the Renaissance.

"As a bookseller, I loved Shelf Life for the chance to peer behind the curtain of Diwan, Nadia Wassef's Egyptian bookstore—the way that the personal is inextricable from the professional, the way that failure and success are often lovers, the relationship between neighborhoods and books and life. Nadia's story is for every business owner who has ever jumped without a net, and for every reader who has found solace in the aisles of a bookstore." —Emma Straub, author of All Adults Here "Shelf Life is such a unique memoir about career, life, love, friendship, motherhood, and the impossibility of succeeding at all of them at the same time. It is the story of Diwan, the first modern bookstore in Cairo, which was opened by three women, one of whom penned this book. As a bookstore owner I found this fascinating. As a reader I found it fascinating. Blunt, honest, funny." —Jenny Lawson, author of Broken (in the best possible way) The warm and winning story of opening a modern bookstore where there were none, Shelf Life: Chronicles of a Cairo Bookseller recounts Nadia Wassef's troubles and triumphs as a founder and manager of Cairo-based Diwan The streets of Cairo make strange music. The echoing calls to prayer; the raging insults hurled between drivers; the steady crescendo of horns honking; the shouts of street vendors; the television sets and radios blaring from every sidewalk. Nadia Wassef knows this song by heart. In 2002, with her sister, Hind, and their friend, Nihal, she founded Diwan, a fiercely independent bookstore. They were three young women with no business degrees, no formal training, and nothing to lose. At the time, nothing like Diwan existed in Egypt. Culture was languishing under government mismanagement, and books were considered a luxury, not a necessity. Ten years later, Diwan had become a rousing success, with ten locations, 150 employees, and a fervent fan base. Frank, fresh, and very funny, Nadia Wassef's memoir tells the story of this journey. Its eclectic cast of characters features Diwan's impassioned regulars, like the demanding Dr. Medhat; Samir, the driver with CEO aspirations; meditative and mythical Nihal; silent but deadly Hind; dictatorial and exacting Nadia, a self-proclaimed bitch to work with—and the many people, mostly men, who said Diwan would never work. Shelf Life is a portrait of a country hurtling toward revolution, a feminist rallying cry, and an unapologetic crash course in running a business under the law of entropy. Above all, it is a celebration of the power of words to bring us home.

Chronicles of the Medieval Church

Studies in General History

Three young children, Mal, Ari and Martha, have been "touched" and are in possession of enormous talents, bestowed on them by a chance encounter with the Young Master. Now Ari, Mal and Martha find themselves in the wrong place and time because Ari has done the unthinkable, resulting in a perpetual red dawn. But that is the least of their worries! Ari is on the run, while Mal and Martha attempt to keep their enemy at bay. The Strange Man is back and he's got even more sinister tricks up his sleeve ...

Let history come to life - just the way it should do! Read the stories of the gifted preachers and justice fighters who led the 1st & 2nd Great Awakenings in the 18th and 19th centuries. Meet the American preacher who started a national revival in his tiny church. Spend time with the wealthy English politician and the former American slave woman who helped abolish slavery in their countries. Get to know the missionaries who built lasting Christian communities in China, India, and Africa. For the first 1700 years of the church, God's people had worked to define Christian

teachings and secure their freedom to worship. Now they began to see, in a new way, how the power of the gospel should change their feelings both toward Jesus and their fellow human beings.

The Old Testament Books of Chronicles contain some of the most neglected passages in all of Scripture. Understanding their message can be a difficult and daunting task for the modern reader. Patrick Reardon brings these important books to life, unfolding their powerful message for our own day. Like any family history, the story of Chronicles is told with a distinct purpose in mind. It asks the question: "What was the real and lasting significance of King David and his house?" Beginning with the long list of names of the first chapter, this heritage is revealed in cosmic significance. It has in fact become the family tree of every true believer. One volume in the Orthodox Christian Reflections series, which also includes: Creation and the Patriarchal Histories: Orthodox Christian Reflections on the Book of Genesis The Trial of Job: Orthodox Christian Reflections on the Book of Job Wise Lives: Orthodox Christian Reflections on the Wisdom of Sirach
