Fresh discloses advanced tips and techniques as well as industry trade secrets. Includes music lists and marketing tips.

An explosive insider account of grime, from subculture to international phenomenon. \*\*\*\*\* A group of kids in the 2000s had a dream to make their voice heard - and this book documents their seminal impact on today's pop culture. DJ Target grew up in Bow under the shadow of Canary Wharf, with money looming close on the skyline. The 'Godfather of Grime' Wiley and Dizzee Rascal first met each other in his bedroom. They were all just grime kids on the block back then, and didn't realise they were to become pioneers of an international music revolution. A movement that permeates deep

into British culture and beyond. Household names were borne out of those housing estates, and the music industry now jumps to the beat of their gritty reality rather than the tune of glossy aspiration. Grime has shaken the world and Target is revealing its explosive and expansive journey in full, using his own unique insight and drawing on the input of grime's greatest names.

DJ Skills: The Essential Guide to Mixing & Scratching is the most comprehensive, up to date approach to DJing ever produced. With insights from top club, mobile, and scratch DJs, the book includes many teaching strategies developed in the Berklee College of Music prototype DJ lab. From scratching and mixing skills to the latest trends in DVD and video mixing this book gives you access to all the tools, tips and techniques you need. Topics like hand position are taught in a completely new way, and close-up photos of famous
