Are you seeking a Dominant woman but are you repeatedly striking out? The bad news is you have competition. LOTS OF IT. The good news is, all YOU have to do is be better than the rest. "Dom's Guide to BDSM" was specifically written for Doms/Masters. In Volume 2 of this series, we're going to focus on how to better communicate with a sub, and how to go back and forth with role playing. We're going to teach you how to express yourself, how to read your sub and look for cues, and how to go about getting a real life BDSM relationship started. We're also going to discuss how to train your sub accordingly and with a purpose. This is important and is an often-neglected part of the BDSM community. The highly sensationalized, "purely sexual" relationships you read about or see depicted in TV or movies is not the only type of relationship forged. Some relationships really are all about personal missions, self-improvement and getting in touch with suppressed

inner feelings. We will cover this as well as the most important part of BDSM dominance—having a plan. You will learn how to be an excellent Dom and it all starts with a few simple steps. Note: If you have not read Volume 1 in this series (Dom's Guide To BDSM Vol. 1: 49 Must-Know Tips On How To Be The Perfect Dom/Master Your submissive Will Truly Respect & Admire), it is highly recommended that you do so before taking on this book. Jolynn Raymond has written a book that shares the details of her own long lasting domestic discipline marriage and her experience surrounding power exchange relationships. It explains why these unconventional relationships work so well for so many couples. The book is an in-depth tutorial that takes the relationship past the simple act of discipline, to building a rock solid foundation that will ultimately create a deep bond of trust and love between those involved. Taken In Hand will guide those interested in adding consensual domestic discipline, dominance and submission, and structure to their own relationship through the initial steps of communication, understanding and discovering both partner's needs, creating mutual and realistic expectations, rules, and consequences, to the inevitable first spanking. Taken In Hand will prove useful to those just starting out, as well as to those with some experience, as Ms. Raymond outlines the pitfalls, difficulties, and successes she has encountered in her own marriage. She also emphasizes the importance of consent, and pays special attention to the fine line between discipline and abuse. The last part of the book examines the styles and types of spanking, gives an anal

sex tutorial, talks about the responsibilities or being a dominant and gives tips for the submissive partner. Whether you need insight into BDSM as it relates to relationships or are trying to build a domestic discipline marriage from scratch, Taken In Hand will prove to be a comprehensive and practical guide.

"The other day my girlfriend pushed me down and looked me in the eye. 'I'm going to make you cry, ' she said. She began to hit me in earnest, and made me count the blows." Why would we ever want someone we love to hurt us? Why would we ever want to hurt someone we love? And why do some of us crave it? "Later, as I sobbed and she held me, I felt the therapy of that release: the effect of dealing with PTSD and trauma with pain that I can end any

time by saying my safe word. Pain that comes from someone who I know is doing it for both of our pleasure, and not out of a desire to actually hurt me." Julie brown, a queer trans woman, shared this anecdote with me after responding to my call for personal stories about BDSM. Over the past week, I've conducted interviews with a dozen members of the BDSM and kink community, ranging across identities, age, gender, and location. By now, the general mechanics of BDSM are familiar to anyone who's had even a passing encounter with Fifty Shades of Grey-the whips, crops, and handcuffs all recognizable accoutrement of kinky sex-but I was interested in exploring the personal, psychological side. BDSM is an acronym with several constituent parts: bondage and discipline, dominance/submission, sadism and masochism. Collectively, these behaviors might be referred to as aspects of kink, a term which covers the broad expanse of non-normative sexuality. It includes BDSM; it can also encompass things like watersports and various fetishes, like latex or balloons. I use "we" when referring to this community because I find myself a member of it, though, like any imagined community, membership is as much self-designated as it is given. I'm interested in BDSM. In particular, I like submission. I've explored rope bondage, been to play parties, and incorporated it into many of my romantic and sexual relationships. For Julie, the appeal lies in how it allows her to access pain while being in full control of that pain-she can end it at any time with her safe word. BDSM allows her to process complex, traumatic experiences in a way that's safe and consensual. Her story resonated with my own

experiences with BDSM, too: trusting a beloved partner to give me what I need, while knowing that I'm in full control of the situation, is exhilarating. Is that feeling universal? If you've ever fantasized about getting kinky in the bedroom, you're not alone. The runaway success of E. L. James's novel Fifty Shades of Grey - more than 100 million copies sold - not to mention the sales of other books in the series and the movies it's generated, prove that interest in BDSM - bondage and discipline, dominance and submission, and sadism and masochism - is anything but rare. "It's very out in the culture right now, but it's not fully out of the shadows yet," says Gentile. "People are still embarrassed to talk about sex. What they discover when they dive a little deeper into it is that in BDSM you actually get to talk about what you like, what you're curious about, and what is a definite 'No.' It's clear, overt, and collaborative and that can feel delightful. And if you like it, if you have control over what happens, it's all good fun." Wait! Why waste your time with my long talk, when you can dive in rightaway? **CLICK THE BUY BUTTON NOW!! I am a self taught female slave. I was trained by two talented dominants and one asshole. I have become well versed in all areas of domestic and sexual servitude. This girl thrives on being an obedient and cherished sex slave for Dominant men. I love to serve and please in anyway commanded. My body is firm, my stamina is high and I'm well trained in the art of love. This girl has the heart of a 1950's submissive housewife. Something as simple as making sure her Dom's dinner is always hot and ready is as rewarding as using special parts of my body to skillfully keep

him satisfied. Kneeling before my Dom and rubbing his feet as we watch TV is every bit as important as letting my owner's sadistic nature run free. This girl is heteroflexible, rather than bisexual but I accept that my Dom has the right to share me from time to time. This girl's has also learned that she must have discipline and would never respect anybody but a strong, strict Master. My Master has sentenced me to Bed Arrest many times and I recommend it for use on any submissive in need of discipline. Here is what a Dom has to say about it... So your lover is in need of discipline! You know that when you don't spend enough time with her she gets so horny and mischievous. Now she needs to be punished! But how to punish her? You both would prefer it's a creative punishment, one that's different and exciting! Perhaps your lovely lady has not been reacting well enough to your usual punishments. Perhaps spanking her used to work well as a punishment but now she gets so turned on by it that if anything she'll misbehave to get a good spanking. Finding a new punishment thus has become a necessity. How about trying Bed Arrest! In this book bed arrest is described and discussed by the author who has many years of experience doing it. Suggestions are made regarding how to most optimally carry out bed arrest on a sub/slave. Of course you can adapt what's in this book to fit your particular desires, needs and time schedule. Included in this book are two additional bonus books (making this book a \$20.85 value!) Your three books are presented in the following order: 1) Spanking Dictionary (adult erotica) 2) Bare Bottom Spankings (The Las Vegas Adventure) 3) Bed Arrest, the Punishment for BDSM

The Loving Dominant

The author, Marguerite de Lyon, of A Beginner's Guide to BDSM, takes the reader through a guided explanation of the world of BDSM, commonly known as Bondage & Discipline, Dominance & Submission, Sadism & Masochism. This is a combined steamy novel and exploratory guide, so each explanatory section is accompanied by a fun, sexy story, where the author shares her own erotic memoirs to highlight her various learnings. As the author realizes something was missing from an otherwise fulfilling sex-life, she explores the notion, introducing the idea of BDSM to her husband,

Phillip. Even though Phillip is comfortable with watching porn, he realizes this subject is an area he had considered off-limits with his wife. After several conversations, husband and wife start to explore their sexuality further, realizing BDSM is something which increases their intimacy and love for each other. The book includes subjects such as pain, bondage, limits, safety and other tools/toys to introduce into a BDSM session; interspersed with revealingly naughty stories and pictures to entice the reader into a different world of sex and bringing a completely different dimension to erotica. A must-read for readers of all levels of interest and experience of BDSM and erotica in general and when combined with sexy stories, this book will certainly raise the temperature!

BDSM, also known as Bondage and Discipline, Domination and Submission/Sadomasochism has been a common practice of people who seek intense sexual pleasure for centuries. BDSM comes naturally to most individuals, since many generally crave to be dominant while others love the pain-pleasure experience of being submissive. For many, BDSM is highly erotic compared to normal sex as it brings about different excitement and fun for both dom/sub. It is designed to provide intense pleasure with some element of pain typically involved in the act or acts. It is more of a 'power game' rather than passionate sex. In the game of BDSM, dom/sub relationship it takes time and dedication to learn how to play your role. It should be properly crafted and carefully planned to create a lasting union as you enjoy the sexual activities together. So in order for you and your sub to get the most out of your BDSM experience, this book was specifically written to give you the ideas and the proper strategies on how you can train your new sub from practicing BDSM, on up to the closing ceremony. BDSM is a whole different world where people speak in their own formal and informal language, have rules and social norms, and create expectations based on everything from names to symbols you

employ. As a sex educator and an active member in the BDSM community, I found most information floating around to be inaccurate and some even unhealthy. As a primer this guide will demystify the world of BDSM and present it in a straightforward and easy-to-understand way to you. This guide is more than just a list of who and what. It is a map that will take you into the heart of the BDSM lifestyle, explore the motivations and expectations, and offer suggestions for the safe and sensual journey you are undertaking. A smart, sexy guide to embracing the repressed, tabooed, and often unwanted aspects of ourselves so we can discover our inner power and finally live the life we deserve. "We always get exactly what we want; but often, though we may not be aware of it,

what we most want is dark—very dark.” Each of us has a dual nature: we are light (conscious) and dark (unconscious). The dark side of our personality—the “other,” the shadow side—is made up of what we think is our primitive, primal, negative impulses—our “existential kink.” Our existential kink also drives the dark or negative repeating patterns in our life: always choosing the abusive partner or boss, settling for less, thinking that we’re undeserving, not worthy. But it also is the source of our greatest power. In Existential Kink, Carolyn Elliott, PhD, offers a truth-telling guide for bringing our shadow into the light. Inviting us to make conscious the unconscious, Elliott asks us to own the subconscious pleasure we get from the stuck, painful patterns of our existence. Existential Kink provides practical advice and meditations so we truly see our shadow side’s “guilty pleasures,” love and accept them, and integrate them into our whole being. By doing so, Elliott shows, we bring to life the raw, hot, glorious power we all have to get what we really want in our lives.

Ci sono luoghi di cui si parla a bassa voce, col sorriso tirato e gli occhi bassi. Case cristallizzate in un tempo indefinibile che puzzano di cose vecchie e che, anche quando sono invase dalla luce del giorno, sembrano buie. Ogni città ha qualcuno di questi luoghi, dove tu, anche se ai fantasmi non credi, di notte non ci andresti mai. Storie di fantasmi italiani racconta dieci di quei posti, tutti in Italia, reali, con tanto di indirizzo e una storia oscura che aspetta qualcuno - coraggioso o pazzo - capace di ascoltarla. Racconti di: Euro Carello (TO), Dario Coriale (BO), Silvia Monteverdi (RG), Raffaella Migliaccio (CE), Maria De Fanis (UD), Elena Bibolotti (BZ), Luca Dore (SS), Michele Carenini (LU), Diletta Crudeli (LU), Simona De Marchis (RM).

I am a self taught female slave. I was trained by two talented dominants and one asshole. I have become well versed in all areas of domestic and sexual servitude. This girl thrives on being an obedient and cherished sex slave for Dominant men. I love to serve and please in anyway commanded. My body is firm, my stamina is high and I'm well trained in the art of love. This girl has the heart of a 1950's submissive housewife. Something as simple as making sure her Dom's dinner is always hot and ready is as rewarding as using special parts of my body to skillfully keep him satisfied. Kneeling before my Dom and rubbing his feet as we watch TV is every bit as important as letting my owner's sadistic nature run free. This girl's has also learned that she must have discipline and would never respect anybody but a strong, strict Master. My Master has sentenced me to Bed Arrest many times and I recommend it for use on any submissive in need of discipline. So your lover is in need of discipline! You know that when you don't spend enough time with her she gets so horny and mischievous. Now she needs to be punished! Bed Arrest: The Punishment for BDSM Enthusiasts - Here it is, the original book, the book that started it all. In this book bed arrest is described and

discussed by the author who has many years of experience carrying it out as punishment on wayward submissive ladies. Suggestions are made regarding how to most optimally carry out BDSM bed arrest on a sub/slave. Of course for purposes of BDSM punishment you can adapt what's in this book to fit your particular desires, needs and time schedule. Perhaps your lovely lady has not been reacting well enough to your usual punishments. Perhaps spanking her used to work well as a punishment but now she gets so turned on by it that if anything she'll misbehave to get a good spanking. Finding a new punishment thus has become a necessity. Bed arrest can include sexual activities and in fact often does. Has she been bad and needs discipline? Put her in bed arrest! In un'intervista a "HuffPost", la scrittrice Melissa Panarello, autrice del celebre "100 colpi di spazzola prima di andare a dormire", ha sostenuto che la protesta femminile per lo scandalo Weinstein potrebbe avere ucciso la cultura dell'accondiscendenza a cui le donne erano state per troppo tempo abituate. Si tratterebbe di una vera e propria "nuova rivoluzione femminista" che potrebbe portare alla situazione opposta, cioè alla predominanza della donna sull'uomo. La tesi in questione è che a breve comincerà una vera e propria guerra dei sessi, il cui esito potrebbe essere una società non più patriarcale ma ginarchica. L'ipotesi non è solo fantapolitica, ed è uno dei possibili esiti dello scontro fra il maschile e il femminile. Scontro che in realtà è già iniziato e che ciascun genere sessuale combatte con le armi della

propria specifica cattiveria. Che il principio maschile nella società sia in via di demolizione è ormai chiaro. La colpa è in buona misura degli uomini che non hanno saputo attuare quel processo di presa di coscienza, sia individuale che collettiva, e di ridefinizione del proprio immaginario, che le donne hanno invece attuato con successo attraverso il movimento femminista, a partire dalla fine degli anni '60 fino a oggi. La dimostrazione patologica di questo profondo disagio maschile sta nei casi – purtroppo frequenti – di violenza sessuale, e nel drammatico problema dei femminicidi. Casi che giustamente colpiscono l'opinione pubblica, ma riguardano pur sempre solo una minoranza di maschi. Purtroppo, questi tragici casi colpiscono le donne vittime ma danneggiano pesantemente anche la stragrande maggioranza degli uomini non autori di simili gesti. Una conseguenza infatti è che oggi sembra valere un'equazione psicologica: Maschile uguale aggressività e dominanza, femminile uguale passività e sottomissione. Anche il successo mondiale di un romanzo come "Cinquanta sfumature di grigio" ha contribuito al consolidamento di questa rappresentazione stereotipata. Ma le cose stanno veramente così? Con un'indagine molto originale sui meccanismi della cattiveria maschile e di quella femminile, basata anche sull'analisi statistica di siti tematici dedicati agli incontri fra dominanti e sottomessi, gli autori dimostrano che la realtà non è così semplice. I dati raccolti indicano infatti che i maschi sono contemporaneamente la maggioranza dei dominanti e la maggioranza dei sottomessi. Più in particolare, si nota l'esistenza di un "popolo maschile" che

cerca attivamente la sottomissione, anche e soprattutto psicologica prima ancora che erotica nei confronti della donna, cui corrisponde una piccola ma agguerrita popolazione di donne Dominanti, alcune delle quali stanno portando avanti una forma radicale di femminismo chiamata Ginarchia la quale teorizza, nella sua forma più estrema, la superiorità genetica della donna sull'uomo e quindi la necessità che gli uomini si sottomettano a un autoritario potere femminile. Alla luce di tutto ciò, non vi è dubbio che insieme, gli uomini e le donne, come esseri umani, dovrebbero smettere di pensare che gli uni siano meglio delle altre, o viceversa e convincersi che la cattiveria, purtroppo, alberga in entrambi i generi.
