Lynn V. Andrews takes the reader with her as she goes on inward journeys with the help of the Sisterhood of the Shields, and relates the stories of others. Join her as she is initiated into the Sisterhood and creates her own shield, which will show her the nature of her spiritual path (Spirit Woman). Follow her to the Yucatan, where the medicine wheel leads her, and she is faced with the terrifying reality of the butterfly tree (Jaguar Woman). Enter the Dreamtime with her, where she emerges in medieval England as Catherine, and encounters the Grandmother, who offers to show Andrews how to make her life one of goodness, power, adventure, and love (The Woman of Wyrdd). Not all these stories describe the author's own spiritual experiences. Meet Sin Coraz'n, an initiate into the Sisterhood, whose husband abandons her. She nearly succumbs to her inner dark power and unleashes her rage on men and the Sisterhood (Dark Sister). Andrews also writes about the elder women of the Sisterhood: their loves, their lives, their losses (Tree of Dreams). Andrews shows us how to channel our own spiritual and intellectual energy and balance the need for love with the desire for power (Love and Power). She takes the reader on numerous spiritual journeys that inevitably uplift.

In this hip, hilarious and truly eye-opening cultural history, menstruation is talked about as never before. Flow spans its fascinating, occasionally wacky and sometimes downright scary story: from mikvahs (ritual cleansing baths) to menopause, hysteria to hysterectomies—not to mention the Pill, cramps, the history of underwear, and the movie about puberty they showed you in 5th grade. Flow answers such questions as: What's the point of getting a period? What did women do before pads and tampons? What about new drugs that promise to end periods—a hot idea or not? Sex during your period: gross or a turn-on? And what's normal, anyway? With color reproductions of (campy) historical ads and early (excruciating) femcare devices, it also provides a fascinating (and mind-boggling) gallery of this complex, personal and uniquely female process. As irreverent as it is informative, Flow gives an everyday occurrence its true props – and eradicates the stigma placed on it for centuries.

A companion to Bloomsbury's popular two-volume Greek to GCSE, this is the first course for Latin students that directly reflects the curriculum in a clear, concise and accessible way. Enhanced by colour artwork and text features, the books support the new OCR specification for Latin (first teaching 2016) as well as meeting the needs of later students, both at university and beyond. Written by two experienced school teachers, one also an examiner, the course is based on a keen understanding of what pupils find difficult, concentrating on the essentials and on the explanation of principles in both accidence and syntax: minor irregularities are postponed and subordinated so that the need for rote learning is reduced. User-friendly, it also gives pupils a firm foundation for further study. Part 1 covers the basics, whilst Part 2 introduces a wider range of grammatical forms and constructions, with a vocabulary of 450 words and reading material about the developing Republic, the war with Hannibal, the rise of Julius Caesar, and Augustus and the early emperors. Practice passages and revision sentences for GCSE complete Part 2, which has a reference section covering the whole course.

In this uniquely fascinating book, world-renowned psychic Sylvia Browne recounts her aptivating life as a clairvoyant, telling of her earliest "readings" as a young child in Kansas City, and of her first contact with "Francine", her spirit guide. In engrossing detail, Sylvia tells how her "gift" has assisted police departments in their search for missing children and dangerous criminals -- and how her predictions of deaths, plane crashes, and momentous world events were sometimes heeded -- or tragically ignored. But more than anything else, this is the remarkable story of one woman's psychic odyssey, for it offers illuminating insight into how we can better understand ourselves and our own psychic abilities.

Have you ever wondered why certain life patterns have been so hard to turn around? The reasons may be encoded in your eternal history-in karmic sources that were set lifetimes ago. Perhaps you keep struggling with money problems, feel hopeless about finding true love, or have an addiction you can't seem to beat. These current issues could be traced back to previous lives. Even psychological and physical ailments such as chronic pain, allergies, weight problems, and self-doubts could originate in unknown past events. Yet these past-life sources don't have to remain a mystery-or have any power over you anymore! In this enlightening and truly liberating book, Sandra Anne Taylor explores the energy of karma and reincarnation, revealing how your eternal consciousness can become encoded, influencing your destiny today. When you learn how to release and rescript your karma, you can pave the way to joy and personal power-now and in years to come! The audio download includes- a safe and easy past-life regression designed to reveal your encoded information, a fast and fun meditation to rewrite the past and change the present, a meditation to set future intentions and look into potential future events, and affirmations to release your karma and program greater success.

A clear and simple manual of precise instructions for accessing the Akashic Records and confirming the accuracy of the information you receive • Details exercises, tools, and techniques to clear the energies blocking your access and tune to your Akashic Record Keepers • Explains the specific markers that allow you to recognize your Record Keepers and to validate the information you receive, rather than "trusting" it to be true • Provides guidance on accessing the Akashic Records on behalf of other people, how to ask questions, and how to handle the information as it comes in The Akashic Records are a vast domain of energetic imprints much like a movie library, a living vibrational field that stores all possible futures, the present, and the past. As soon as your soul begins its life experience, a field of energy is released that records every thought, word, action, desire, and emotion. In this guide to opening the Akashic Records, Maureen St. Germain provides precise instructions explaining how to

connect with your personal Record Keepers, gain clear access to the Akashic Records, discover information about you and your loved ones, and learn your soul's purpose. The author explains how outside energies can influence your connection to the Akashic Records. She details energetic clearing exercises to remove the energies blocking or shadowing your access and teaches the Higher Self Protocol to ensure an authentic channel of communication. She explores how to find the Record Keepers who will be the most helpful to you and provides techniques and tools, such as guided energy work, to prepare you for Akashic Record access, initiate you into the 5D mindset, and invite more accuracy and a stronger connection. She details the specific markers to look for to recognize genuine Akashic Librarians and to validate and confirm the information you receive, rather than simply "trusting" it to be true. She also provides guidance on accessing the Akashic Records on behalf of other people, how to ask questions, and how to handle the information as it comes in. Explaining why the Ascended Masters opened access to the Akashic Records to all of humanity and how their presence assists you, St. Germain shows how the intended purpose for working with the Akashic Records is for soul growth, not to "repair" your karma debts. By seeing your records and working with your Record Keepers, not only will you learn your soul's purpose and help solve the problems that crop up in everyday life and relationships, but you will amplify your spirituality and begin operating at a higher level in consciousness. Your work in the Akashic Records aids and assists in Earth's ascension.

This is the first book solely devoted to the spirituality of the Hawaiian people and how taboos, superstitions and magical practices permeated and defined every aspect of their lives. With a historical and sociological perspective, it examines in detail their beliefs: the structure of their society; the names and ways of the deities; the practice of deifying ancestral spirits; the importance of dance, colors, water, stone and plants; and the concept of Mana, the spiritual power in all things. The Other Side and Back offers an unprecedented and comprehensive look at how the afterlife affects us in this life. Discover: astonishing insights into our everyday contact with guides and angels; the truth about hauntings, and why we should not be afraid; how psychics can solve missing persons cases and even murders; how psychic energy can keep us healthy and improve our relationships; why we should not fear death or ageing; the afterlife, and how we can all maintain contact with our loved ones; reincarnation, and how we can all discover our past lives; Easy exercises to promote healing, discover past lives, improve relationships, contact loved ones, create joy and much more; must-read predictions for the 21st century

In this uniquely fascinating book, the author reveals how the Universal Laws - and even quantum physics - actually direct the course of your relationship destiny. Energy is the center of all life, and your energy is the center of all that you attract. You project this energy ahead of you in time and space, magnetically determining whom you will meet, as well as what the dynamics of any particular relationship will be like. In Secrets of Attraction, you'll discover what makes up your personal energy field, how you broadcast it, and why it has much more impact on your relationships than your looks, intellect, or financial status. No matter what you've been through in the past, you do have the power to change your relationship energy and manifest the intimacy and true love that has been eluding you for so long!

If it could be said that a personal relationship can be developed between a human being and an impersonal spirit guide, then author Dr. C. Norman Shealy accomplished this with G. They established a type of communication that was intense, at times personal, but also productive with G providing Shealy a view of what human beings could heal if their consciousness would only break free or break through of its illusions. In Conversations with G, Shealy not only offers an overview of his life and his successful medical career and healing advancements, but he shares conversations with his spirit guide, G, who has been a part of his life for more than thirty years. A story that inspires the spirit as much as expands the mind, Conversations with G narrates a personal journey of mystical encounters with angelic teachers and materialization and dematerialism which have led to numerous medical- and health-enhancing discoveries.

Everybody deserves a holiday, but does anybody deserve every day off but one? Santa gets all the glory, but who's really the power behind the sleigh? This book is about the woman who really does the work (gee, like that's unusual), and her efforts to get Santa off his chair, away from the TV, and back in the workshop. It happened one day when many of the elves got sick and Mrs. Claus had to step in to help. Now, you know what it's like when a woman starts helping. Pretty soon Santa was spending most of his time watching TV, doing research on the new toys. Mrs. Claus needed to take drastic action, and she knew just what to do. Out came the magic markers and suddenly Mrs. Claus had a severe case of hiccumtitus. Now the workshop is running properly again.

Shamanic Experience

28 Days to a More Magnetic Life

Shamanic practices for making a difference in the world • Offers shamanic tools for solving the challenges we face as a global community • Provides healing practices and initiatory journeys to

address pollution-based diseases, natural and man-made disasters, and environmental degradation

- Explores time, physics, and other dimensions to explain how to repair and evolve DNA and see into the future in order to change it

In *Planetary Healing*, shamanic healer Nicki Scully and visionary Mark Hallert reveal how to move beyond feeling helpless and overwhelmed by global crises so we can make a difference in the world through active participation in healing ourselves, our families, our communities, and the planet. A natural follow-up to Scully's *Alchemical Healing*, this book serves as a guide to navigate the coming global transformation and help co-create a new Golden Age. Sharing compelling accounts of shamanic responses to such epic disasters as Chernobyl, the terrorist attacks of September 11, 2001, and the massive Gulf of Mexico oil spill in 2010 as well as tales of personal healing, the authors offer initiatory journeys and visualization exercises that empower readers to engage in physical, emotional, spiritual, and environmental healing across time and space. Using powerful shamanic tools, such as the Heart Breath, Breaking Reality Barriers, and Transforming Fear, individuals can combine their healing intentions with the intelligent field of creation to effect tangible change in the world and tackle issues such as pollution-based diseases, natural and man-made disasters, environmental degradation, and conscious evolution.

In *Life on The Other Side*, Sylvia Browne explains what happens when we die; what The Other Side looks like; who's waiting for us on The Other Side; how we spend out time on The Other Side; why and how we return from The Other Side. With her trademark warm and down-to-earth style, Sylvia Browne's insights into the afterlife are utterly compelling yet wonderfully reassuring. Sylvia looks over her lifelong career as a psychic, using past experiences, readings, hypnosis sessions and research to illustrate her findings about The Other Side. For the very first time, we are shown an unprecedented view of a peaceful place where our departed loved ones are patiently awaiting us - and where the next leg of our eternal journey will begin. This book is absolutely unforgettable!

Special Agent Fangs Enigma and his sidekick, werewolf Agent Puppy Brown, were recruited by secret intelligence agency MP1 (Monster Protection, 1st division) to stop the world's super(natural) villains and monster criminals from realising their evil plans. In 'Operation: Golden Bum', Agents Fangs and Brown are drafted in to investigate a string of high-profile robberies. The presence of an unidentifiable foul smell at all of the crime scenes leads MP1 to suspect that this is no ordinary robber but one with magical abilities. Can the world's greatest vampire spy and his sidekick sniff out the thief before he puts his stinker of a plan into action?

This theory recognizes the evolution of the soul as a process that is quite continuous in itself, though carried out partly through the instrumentality of a great series of dissociated forms. Putting aside for the moment of profound metaphysics of the theory which trace the principle of life from the original first cause of the cosmos, we find the soul as an entity emerging from the animal kingdom, and passing into the earliest human forms, without being at that time ripe for the higher intellectual life with which the present state of humanity renders us familiar. But through successive incarnations in forms whose physical improvement, under the Darwinian law, is constantly fitting them to be its habitation at each return to objective life, it gradually gathers that enormous range of experience which is summed up in its higher development. In the intervals between its physical incarnations it prolongs and works out, and finally exhausts or transmutes into so much abstract development, the personal experiences of each life. This is the clue to the true explanation of that apparent difficulty which besets the cruder form of the theory of reincarnation which independent speculation has sometimes thrown out. Each man is unconscious of having led previous lives, therefore he contends that subsequent lives can afford him no compensation for this one. He overlooks the enormous importance of the intervening spiritual condition, in which he by no means forgets the personal adventures and emotions he has just passed through, and in the course of which he distills these into so much cosmic progress. In the following pages the elucidation of this profoundly interesting mystery is attempted, and it will be seen that the view of events now afforded us is not only a solution of the problems of life and death, but of many very perplexing experiences on the borderland between those conditions - or rather between physical and spiritual life - which have engaged attention and speculation so widely of recent years in most civilized countries.

Are you frustrated with the way things have been going for you lately? Tired of simplistic approaches to magnetism and success? The

truth is, there's more to the process than most people realize. The source of your destiny goes much deeper than just your thoughts. Other important factors, like natural cycles, shared consciousness, karma, environment, and your soul's intention, will influence what you draw to your life. In this enlightening book, Sandra Anne Taylor examines the many elements of destiny creation, and separates the reliable facts from the confusing fiction that has built up around the Universal Laws. She offers a unique and comprehensive understanding as to why things really happen, empowering you to triumph over difficult cycles without self-blame or fear. No matter what obstacles you may encounter, your consciousness can turn adversity into great opportunity! Let go of the lies . . . and learn the whole truth. Your life will be transformed like never before!

From bestselling comic-book franchise writer Charles Soule comes a clever and witty first novel of a twentysomething New Yorker who wakes up one morning with the power to predict the future—perfect for fans of Joe Hill and Brad Meltzer, or books like *This Book Is Full of Spiders* and *Welcome to Night Vale*. Knowledge is power. So when an unassuming Manhattan bassist named Will Dando awakens from a dream one morning with 108 predictions about the future in his head, he rapidly finds himself the most powerful man in the world. Protecting his anonymity by calling himself the Oracle, he sets up a heavily guarded Web site with the help of his friend Hamza to selectively announce his revelations. In no time, global corporations are offering him millions for exclusive access, eager to profit from his prophecies. He's also making a lot of high-powered enemies, from the President of the United States and a nationally prominent televangelist to a warlord with a nuclear missile and an assassin grandmother. Legions of cyber spies are unleashed to hack the Site—as it's come to be called—and the best manhunters money can buy are deployed not only to unmask the Oracle but to take him out of the game entirely. With only a handful of people he can trust—including a beautiful journalist—it's all Will can do to simply survive, elude exposure, and protect those he loves long enough to use his knowledge to save the world. Delivering fast-paced adventure on a global scale as well as sharp-witted satire on our concepts of power and faith, Marvel writer Charles Soule's audacious debut novel takes readers on a rollicking ride where it's impossible to predict what will happen next.

A powerful explanation of the connection between humankind and the angels around us. A chapter-by-chapter guide to a spiritual illumination. An easy read encompassing the wisdom of unity that is within our reach with nature, and humankind through the messages Geoffrey Hodson received. Geoffrey Hodson, a renowned clairvoyant of the twentieth century, an important and influential lifelong Theosophist, offers a comprehensive and simple explanation of the wisdom to be offered from our relationship with the Angels among us. The guidance and messages he received from the Angels resonate as strong in today's world as they did when Mr. Hodson first published this title. In this not lengthy book Mr. Hodson has combined the Theosophical Ancient Wisdom which he embraced in his own lifetime and the further guidance of Angels. A book for all souls who believe that there is more to our creation than we are aware of with our five senses. This book was originally published in hardcover in 1927 and more recently in paperback in 1984. This edition has been re-edited and reformatted.

A Book of Shadows is a book containing religious texts and instructions for magical rituals found within the Neo-pagan religion of Wicca. The first Book of Shadows was

created by Gerald B. Gardner, (an author as well as an amateur archaeologist and anthropologist), in the late 1940's or early 1950's, which he used in his Bricket Wood coven and then in later covens which he founded. The concept was adopted by other traditions. The current Book of Shadows is a compilation of manuscripts found in his museum after his death.
