NOW A MAJOR TV DRAMA Late one summer evening, antiquarian bookseller Adam Snow is returning from a client visit when he takes a wrong turn. He stumbles across a derelict Edwardian house, and compelled by curiosity, approaches the door. Standing before the entrance, he feels the unmistakable sensation of a small cold hand creeping into his own, 'as if a child had taken hold of it'. At first he is merely puzzled by the odd incident but then begins to suffer attacks of fear and panic, and is visited by nightmares. He is determined to learn more 'about the house and its once-magnificent, now overgrown garden but when he does so, he receives further, increasingly sinister, visits from the small hand. THE SPOT is an old blacksmith shed in which a gang of men tweeze apart the intricacies of a botched bank robbery. THE SPOT is a place deep in Riverside Park, along the Hudson River, where two lovers walk with a keen sense that their adultery is about to come to an end. THE SPOT is at the bottom of Niagara Falls, where the body of a young girl floats as if caught in the tangled currents of her own tragic story. THE SPOT is a place in a young father's mind where love, fear and responsibility merge in the struggle with his son's potentially devastating diagnosis. THE SPOT lies in the eardrum of a madman plagued by a noisy upstairs neighbour on the Upper East Side of Manhattan. This highly anticipated collection by internationally acclaimed short story master David Means is exceptional not only in it's language but also in the diversity of the narratives, as he searches out with delicate precision the intricate relationship between immortality and grace.

As the clock chimed the turn of the twentieth century, Lilly Nelly Aphrodite took her first breath. Born to a cabaret dancer and soon orphaned in a scandalous double murder, Lilly finds refuge at a Catholic orphanage, coming under the wing of the, at times, severe Sister August, the first in a string of lost loves. There she meets Hanne Schmidt, a teen prostitute, and forms a bond that will last them through tumultuous love affairs, disastrous marriages, and destitution during the First World War and the subsequent economic collapse. As the century progresses, Lilly and Hanne move from the tawdry glamour of the tingle-tangle nightclubs to the shadow world of health films before Lilly finds success and stardom in the new medium of motion pictures and ultimately falls in love with a man whose fate could cost her

everything she has worked for or help her discover her true self. Gripping and darkly seductive, *The Luminous Life of Lilly Aphrodite* showcases all the glitter and splendour of the brief heyday of the Weimar Republic, and the rise of Hollywood to its golden age. As it foreshadows the horrors of the Second World War, the novel asks what price is paid when identity becomes unfixed and the social order is upended.

Both compounds and multi-word expressions are complex lexical units, made up of at least two constituents. The most basic difference is that the former are morphological objects and the latter result from syntactic processes. However, the exact demarcation between compounds and multi-word expressions differs greatly from language to language and is often a matter of debate in and across languages. Similarly debated is whether and how these two different kinds of units complement or compete with each other. The volume presents an overview of compounds and multi-word expressions in a variety of European languages. Central questions that are discussed for each language concern the formal distinction between compounds and multi-word expressions, their formation and their status in lexicon and grammar. The volume contains chapters on German, English, Dutch, French, Italian, Spanish, Greek, Russian, Polish, Finnish, and Hungarian as well as a contrastive overview with a focus on German. It brings together insights from word-formation theory, phraseology and theory of grammar and aims to

contribute to the understanding of the lexicon, both from a language-specific and cross-linguistic perspective.

In this sumptuously illustrated tale, Holly Black reveals a deeper look into the dramatic life of Elfhame's enigmatic high king. This tale includes delicious details of life before The Cruel Prince, an adventure beyond The Queen of Nothing, and familiar but pivotal moments from The Folk of the Air trilogy, told wholly from Cardan's perspective. Studies of pre-existing music in narrative cinema often focus on a single film, composer or director. The approach here adopts a wider perspective, placing a specific musical repertoire - baroque music - in the context of its reception to explore its mobilisation in post-war cinema. It shows how various revivals have shaped musical fashion, and how cinema has drawn on resultant popularity and in turn contributed to it. Close analyses of various films raise issues of baroque musical style and form to question why eighteenth-century music remains an exception to dominant film-music discourses. Account is taken of changing modern performance practice and its manifestation in cinema, particularly in the biopic. This question of the reimagining of baroque repertoire leads to consideration of pastiches and parodies to which cinema has been particularly drawn, and subsequently to the role that neobaroque music has played in more recent films.

In Translation Changes Everything leading theorist Lawrence Venuti gathers fourteen of his incisive essays since 2000. The selection sketches the trajectory of his thinking about translation while engaging with the main trends in research and commentary. The issues covered include basic concepts like equivalence, retranslation, and reader reception; sociological topics like the impact of translations in the academy and the global cultural economy; and philosophical

problems such as the translator's unconscious and translation ethics. Every essay presents case studies that include Venuti's own translation projects, illuminating the connections between theoretical concepts and verbal choices. The texts, drawn from a broad variety of languages, are both humanistic and pragmatic, encompassing such forms as poems and novels, religious and philosophical works, travel guidebooks and advertisements. The discussions all explore practical applications, whether writing, publishing, reviewing, teaching or studying translations. Venuti's aim is to conceive of translation as an interpretive act with far-reaching social effects, at once enabled and constrained by specific cultural situations. This latest chapter in his developing work is essential reading for translators and students of translation alike.

*In his latest collection, **Dolce Via**, photographer Charles H. Traub brings an American aesthetic to the delights of the streets and byways of Italy. This volume is the first comprehensive compendium of his vivid color photographs made in early 1980s Italy, from Milan to Marsala. Characteristic of Traub's imagery is a candid intimacy that combines humor and spontaneity, which makes us long for an Italy that maybe only once was. Brilliant blues, reds, and yellows engulf the baroque posturing and gestures of strangers and ordinary people who become fond archetypical caricatures. Traub's friend and guide, the late photographer Luigi Ghirri, said of the imagery, "You see our foibles, strip us bare, make love through the camera, and then venerate us." These photographs were last exhibited at the Hudson River Museum, Light Gallery New York, and Gallery Agora in Torino in the mid-1980s. Traub has published seven previous volumes of work including **Beach** (1977), **Italy Observed** (1988), and **Still Life in America** (2004). He is represented by the Gitterman Gallery in New York, has exhibited in 27 solo gallery shows, and his works are in the collection of major museums worldwide. Presently, Traub is Chair of the MFA Photography, Video, and Related Media department at the School of Visual Arts in New York, and President of the Aaron Siskind Foundation.*

The Church of Solitude tells the story of Maria Concezione, a young Sardinian seamstress living with breast cancer at the cusp of the twentieth century. Overwhelmed by the shame of her diagnosis, she decides that no one can know what has happened to her, but the heavy burden of this secrecy changes her life in dramatic ways

and almost causes the destruction of several people in her life. This surprising novel paints the portrait of a woman facing the unknown with courage, faith, and self-reliance, and is the last and most autobiographical work of Grazia Deledda, who died of breast cancer in 1936, shortly after its publication. An afterword by the translator offers additional information on the author and examines the social and historical environment of that time.

Places from the Past

In works by filmmakers from Bertolucci to Spielberg, debauched images of nazi and fascist eroticism, symbols of violence and immorality, often bear an uncanny resemblance to the images and symbols once used by the fascists themselves to demarcate racial, sexual, and political others. This book exposes the "madness" inherent in such a course, which attests to the impossibility of disengaging visual and rhetorical constructions from political, ideological, and moral codes. Kriss Ravetto argues that contemporary discourses using such devices actually continue unacknowledged rhetorical, moral, and visual analogies of the past. Against postwar fictional and historical accounts of World War II in which generic images of evil characterize the nazi and the fascist, Ravetto sets the more complex approach of such filmmakers as Pier Paolo Pasolini, Liliana Cavani, and Lina Wertmuller. Her book asks us to think deeply about what it means to say that we have conquered fascism, when the aesthetics of fascism still describe and determine how we look at political figures and global events. An absorbing novel of romance and revolution, loyalty and family, sacrifice and undying love We have three souls, or so I'd been told. But only in death could I confirm this.... So begins the haunting and captivating tale, set in 1935 China, of the ghost of a young woman named Leiyin, who watches her own funeral from above and wonders why she is being denied entry to the afterlife. Beside her are three souls—stern and scholarly yang; impulsive, romantic yin; and wise, shining hun—who will guide her toward understanding. She must, they tell her, make amends. As Leiyin delves back in time with the three souls to review her life, she sees the spoiled and privileged teenager she once was, a girl who is concerned with her own desires while China is fractured by civil war and social upheaval. At a party, she meets Hanchin, a captivating left-wing poet and translator, and instantly falls in love with him. When Leiyin defies her father to pursue

Hanchin, she learns the harsh truth—that she is powerless over her fate. Her punishment for disobedience leads to exile, an unwanted marriage, a pregnancy, and, ultimately, her death. And when she discovers what she must do to be released from limbo into the afterlife, Leiying realizes that the time for making amends is shorter than she thought. Suffused with history and literature, *Three Souls* is an epic tale of revenge and betrayal, forbidden love, and the price we are willing to pay for freedom.

Fino a che punto saresti disposto a perdonare la persona che ami? Walsh Clark è sopravvissuto a diversi momenti difficili—la lotta contro l'alcolismo, la fine del suo gruppo, i Lush, e il tradimento dell'amore della sua vita, Tammy DiLorenzo. Adesso Walsh si sta nascondendo in un ranch nel nord del Texas, lavorando duramente per rimanere sobrio e stare lontano dalla sua vecchia vita. Tammy DiLorenzo ha una sola certezza: sa come essere la ragazza di Walsh Clark. Insieme dall'età di quattordici anni, Walsh e Tammy sono un'istituzione per il rock, e lei non è disposta ad arrendersi, anche se Walsh è fuggito. Quando Tammy torna nella vita di Walsh, volano scintille, il dolore è insopportabile, e il danno potrebbe essere permanente. Quando si ama, è possibile perdonare? Tammy e Walsh ce la faranno a ricostruire la loro storia?

The present volume is a compilation of key documents on the history of Kosovo in the first half of the twentieth century. These texts, including numerous diplomatic despatches of the British Foreign Office, deal initially with the Albanian uprising against Ottoman rule in the spring of 1912 and, in particular, with the period of the Serbian invasion of Kosovo in late 1912 and the repercussions of the conquest for the native Albanian population. The documents from 1918 to the early 1920s focus mainly on endeavours by Albanian leaders, including those of the so-called Kosovo Committee in exile, to bring the plight of their people to the attention of the outside world, endeavours which largely failed. Further documents reflect the situation in Kosovo up to World War II. This collection does not claim to constitute a full documentary history of Kosovo in the period in question, but it does hope to

provide the interested reader with much information, largely unavailable up to now, on many of the major and minor events that channelled and determined subsequent happenings, including the Kosovo War of 1998-9 and the declaration of independence in February 2008--Preface.
