Each new game transports gamers to a different and locale, beginning with Jerusalem in the time of the Crusades and going on to explore Renaissance-era Italy, colonial America, Paris during the French Revolution, 19th-century London, and ancient Greece and Egypt. Assassin's Creed has provided a means to walk through the past and experience world history in a firsthand, immersive way. In Assassin's Creed: Atlas, previously unpublished maps, diagrams, and drawings illuminate all of the lands of antiquity featured across the series that have defined both real-world history and the games themselves. Throughout, gaming journalist Guillaume Delalande expands on Assassin's Creed's

Who is Jot Soora? Devoted fiance of movie star Monima Dasgupta, gifted programmer at software giant MysoreTech, or deadly Assassin with a secret? When Jot stumbles into a layer of code deep in his company's new device, the discovery threatens his relationship, his job, and his life. It also reveals shocking links to an ancestral past that cause him to question everything he knows about himself. As he delves further into memories stored in his genetic makeup, he uncovers an age-old battle between The Templar Order and The Assassin Brotherhood, both of whom are racing to find a mysterious artifact buried in the past that has the power to alter the fate of all mankind.
