

Inside The Helmet: Hard Knocks, Pulling Together, And Triumph As A Sunday Afternoon Warrior

A medical reference that emphasizes preventive medicine offers tips on thousands of health topics including nutrition, exercise, and environment

Big television contracts in the 1960s created the Super Bowl, as well as the 1970 merger of the National Football League with the pass-oriented American Football League. Since then, professional football has been America's most popular televised team sport, developing into a wide-open passing game by the 21st century. Handling the completion side of the aerial game, receivers are not often as celebrated as quarterbacks or coaches, even in the era of San Francisco 49er Jerry Rice's supremacy. This book provides a history of pro pass receiving and its influence on the game prior to the televised era. The author studies pro football's formative and mid-20th century years, highlighting the players who pulled pigskins from flight, like the legendary Don Hutson, Gibby Welch, Johnny Blood, Ray Flaherty, Crazy Legs Hirsch, Mac Speedie, Choo Choo Roberts and many others.

Possibly the most complete book written to date on helicopters and helicopter flying. Covers subjects not covered by other manuals such as turbine engines, performance, flight manuals, automatic flight controls, legal aspects, introductory stability and control and multi-engine helicopters.

Language and Meaning in the Renaissance

Author Hal Marcovitz explores brain trauma in detail, covering its causes and effects, treatments, prevention, and medical advances. Charts and graphs share important information visually while fascinating photographs support the text. Readers will also hear from sufferers through their personal stories.

Following a magical season that ended in Super Bowl glory, one of the NFL's biggest stars delivers a no-holds-barred, hardhitting hitting account of life in the league. Michael Strahan is one of the NFL's most talented players, and he is also one of the game's most vocal personalities. In Inside the Helmet, Strahan exposes all of the pressure, pain, and glory of life in the NFL, venturing into territory no previous football author has had the nerve to tread. Bringing the reader right into the middle of the action, Strahan recounts exhilarating victories and reveals the hair-raising details of the ruthless grit required for every win. He gives an honest account of the brutality on the field and the myriad injuries from which he continues to suffer. He describes the relationships among teammates (including an account of his well publicized feuding with Tiki Barber), the practical jokes players use to preserve their sanity and the violent blow-ups that occur when the pressure gets too intense, and the challenges of taking orders from head coach Tom Coughlin and his squadron of assistant coaches. Strahan also writes about dealing with the relentless media coverage, rabid and demanding fans, and the struggle to live up to a multimillion-dollar salary. Finally, in two new chapters for the paperback edition, Strahan writes about the ups and downs of a truly sensational 2007 season that saw the Giants overcome the odds to win the Super Bowl. For the millions of rabid NFL fans, Inside the Helmet is an all-access pass into the huddle, the locker room, and the minds of the warriors on the field.

In Hard Knox, seasoned columnist and consummate everyman Jack Knox offers up his uniquely hilarious views on Canadian life as seen from the western fringes of the country—in particular from the “Island of Misfit Toys” as he aptly calls his Vancouver Island home. This treasure trove of west-coast wit and wisdom touches on everything from “smug anti-Americanism” to extreme weather to flagrant public displays of affection in Canada's westernmost capital. Whether you're a born-and-bred Islander, a transplanted Albertan in the throes of culture shock, or a confused tourist, we all have something to learn from the school of Hard Knox.

through life from birth until the day after his twenty-first birthday. It takes place during the 1960s and 1970s on Long Island in New York. From a Latino background, he takes us through his cultural confusion, as his parents tried to assimilate within a predominantly white community, and his confrontation with overt racism at school. It details the abusive environment he faced in Catholic school, his growing anger, and his fall into childhood alcoholism and delinquency. The Vietnam War, counterculture, and science provide a constant background for his growing awareness, choices, decisions, and delusions about the world and his own life. His alcoholism merges with drug addiction and he finds value and identity within a gang. The momentum of his life, balancing precariously between rebellious destruction and a search for artistic beauty and truth, takes the reader through the criminal justice and mental health systems, where the narrator awakens to the truth of Christ in his life.

The Dictionary Of Americanisms, Canadianisms, Briticisms and Australianisms is a complete, modern, and comprehensive dictionary featuring a large word list of more than 20000 entries. The purpose of this book is to provide a generous sampling of words and expressions of the various spheres of life in the USA, Great Britain, Australia and Canada during the last centuries. The dictionary also features a collection of slang and colloquial expressions in these four countries in the twentieth century. It has a clear, easy-to-use format and is ideal for students, schools, libraries, tourists and anyone who is interested in varieties of English spoken in major English-speaking countries.

Professional football is the most popular sport in the United States today. With so many famous players from the past and present, some of whom achieved notoriety because of a persona they created, there are fans who have also made a name for themselves by either their work and loyalty for their team, or by creating an "alter ego" with respect to how they cheer or support their team. Some have incredibly wild and outrageous outfits. On game days, some of these diehard fans take longer to get themselves ready for games than the players they cheer for! The face paint, the outrageous outfits, the chants and cheers, and the attention to detail are what make these fans unique. During football season, these diehard fans can be seen each weekend as they showcase themselves in support of their team in front of hundreds of thousands of viewers worldwide. In 1998, Visa sponsored a national contest to find the wildest, most loyal, and most intriguing fans for each team in the league. The award was entitled, "The Visa Hall of Fans" Award as fans were chosen from each team based on their submitted essays and photos. Contestants had to explain why they should represent their respective team in the Pro Football Hall of Fame in Canton, Ohio. At the time, a special wing in the Hall was created to honor these diehard fans. Visa awarded plaques to the winners - originally at the Hall, and later in front of the hometown fans at each team's stadium. The Hall of Fame displayed the plaques for a year until the new class of fans was selected and their plaques were displayed. At that point, the prior year's winners had their names placed on a permanent wall plaque in the "Hall of Fans" wing of the Pro Football Hall of Fame.

Spacesuit

How the twenty-one-layer Apollo spacesuit, made by Playtex, was a triumph of intimacy over engineering. When Neil Armstrong and Buzz Aldrin stepped onto the lunar surface in July of 1969, they wore spacesuits made by Playtex: twenty-one layers of fabric, each with a distinct yet interrelated function, custom-sewn them by seamstresses whose usual work was fashioning bras and girdles. This book is the story of that spacesuit. It is a story of the triumph over the military industrial complex by the International Latex Corporation, best known by its consumer brand of "Playtex"—a victory of elegant softness over engineered hardness, of adaptation over cybernetics. Playtex's spacesuit went up against hard armor-like spacesuits designed by military contractors and favored by NASA's engineers. It was only when those attempts failed—when traditional engineering firms could not integrate the body into mission requirements—that Playtex, with its intimate expertise, got the job. In *Spacesuit*, Nicholas de Monchaux tells the story of the twenty-one-layer spacesuit in twenty-one chapters addressing twenty-one topics relevant to the suit, the body, and the technology of the twentieth century. He touches, among other things, on eighteenth-century androids, Christian Dior's New Look, Atlas missiles, cybernetics and cyborgs, latex, JFK's carefully cultivated image, the CBS lunar broadcast soundstage, NASA's Mission Control, and the applications of Apollo-style engineering to city planning. The twenty-one-layer spacesuit, de Monchaux argues, offers an object lesson. It tells us about redundancy and interdependence and about the distinctions between natural and man-made complexity; it teaches us to know the virtues of adaptation and to see the future as a set of possibilities rather than a scripted scenario.

American Motorcyclist magazine, the official journal of the American Motorcyclist Association, tells the stories of the people who make motorcycling the sport that it is. It's available monthly to AMA members. Become a part of the largest, most diverse and most enthusiastic group of riders in the country by visiting our website or calling 800-AMA-JOIN.

Supervillain Miss Purrception has escaped from prison with her archnemesis Byron S. Trubble, the former head of the illegal black ops organization known as Corvus. As the one who negotiated their client's surrender, Harri Winters wants to bring Miss Purrfection back peaceably. Aisha Franklin, now officially the superhero Ghost Owl, would prefer to lock Miss Purrception up in a box, then drop the box in the Mariana Trench. But what neither attorney knows is there's another player in this game, one who wants nothing more than to see justice on their own terms, even if they have to kill everyone at Winters & Franklin to get it. Call us at 888-555-HERO. The Law Offices of Winters & Franklin, where the only thing more dangerous than a superhero is his attorney.

The Molding of a Champion

Hard Knox

Everything comes easy to quarterback Gavin Knox—women, football, even money.

However, the only thing he truly wants but can't win is the beauty of his dreams, Remy Bell. A simple favor to save the girl turns into the quarterback losing his heart. As beautiful as she is fun, Remy Bell has only one problem—a psychotic killer with political power wants her dead. Always a & 'two steps ahead' type of gal, she plans to outrun the maniac. Marriage and a sweet life in the football star's hometown in Canada would give her the cover she needs, but Remy doesn't stick around long enough to find out. She travels all over the world, photographing the most beautiful and devastating events, but her now-husband's tabloid activities lead her to the one place she should avoid...back home. Superstar Gavin Knox wins at everything. However, once he scores the girl of his dreams, he's suddenly in danger of losing the one thing he has always needed. Before she can slip through his fingers, he offers her a deal she can't refuse—marry him for Canadian citizenship, which will protect her, and after five years, they can divorce. Knox is positive that she will fall head over heels in love with him, but it doesn't happen. After six years of marriage, two playoff titles and a third on the way, Knox is forced to contend with a successful wife almost more famous than he is.

Determined to get exactly what he wants, which includes having Remy and a family, he devises a stupid scheme that puts everything he's worked so hard for in jeopardy.

Beowulf: Scholar's Edition Revised

Lorenzo De' Medici and Florence in the Fifteenth Century

“Hard Knocks and Consequences Too, by Fred G. Dickenson, is a folksy and practical walk down the path of life; it is about learning from personal experiences in ways that imprint upon one’s character. Fred’s devotional anthology is fun to read, and it inspires the reader to reflect a little deeper into how everyday life can teach profound spiritual lessons. Whether read as a daily devotional or as a biographical journey, it will inspire any reader. I recommend Hard Knocks and Consequences Too for any believer who desires to learn how to learn from experience.” –David Martz, EdD, author and adult educator “In Hard Knocks and Consequences Too, you are gently coaxed into mental and spiritual exercise that begins to plant principles from God’s Word, into your heart. Once you have read it, not only will more seed be planted, but you will begin to see a harvest. It will impact your life in a positive way.”

–Missionary Wilson Gauntt, MEd, professor at Global University “Fred has a gift in assessing his life—past and present—with a candid approach to proving that God has a hand in everything ... and he does it with an enjoyable sense of humor and humility. I recommend both books for your personal library, as a gift to a loved one in spiritual need (or not); for church libraries and ministries; and to anyone for enjoyment and a trip down memory lane.” –Donna Gentry Weeden, 2013 president of Paradise

Historical Society, Inc.; past Texas municipal court judge

"TODAY'S CULTURE PUTS A TREMENDOUS EMPHASIS ON BEING COMPETITIVE - BEING A WINNER IN LIFE, IN A CAREER, AND IN A PERFECT RELATIONSHIP. THE PRESSURE TO SUCCEED CAN BE ONE OF THE TOUGHEST ASPECTS OF GROWING UP FOR YOUNG PEOPLE IN THIS SUCCESS-DRIVEN SOCIETY. FROM HIS BASE IN THE PACIFIC NORTHWEST, DR GREGG JANTZ, OVER THE LAST TWO DECADES, HAS CEMENTED HIS REPUTATION AS ONE OF THE COUNTRY'S FINEST PSYCHOLOGISTS. HIS PARTICULAR PASSION IS SEEING YOUNG PEOPLE BECOME EVERYTHING GOD INTENDS THEM TO BE. IN THIS REMARKABLE NEW BOOK, DR JANTZ SHARES A WEALTH OF WISDOM FOR PARENTS TO HELP SHAPE THEIR CHILD'S FUTURE IN A SUCCESSFUL, AND FAITH-STRENGTHING WAY. "
