***Alberto Del Rio is truly a polarizing force in WWE. Born to wrestling royalty, this Mexican Aristocrat stops at nothing to fulfill his destiny of being the WWE champion. Young readers will experience the ÒEssence of ExcellenceÓ in this exciting title.***

***Remember the time Goldust ran over “Rowdy” Roddy Piper in his gold Cadillac? How about when Randy Orton battled Mick Foley with a barbed-wire bat named “Barbie”? When you ask a WWE Superstar what his favorite match is, you might be surprised by his answer. But that’s the thing about a phrase like “favorite match.” It’s not about the greatest match in their careers or the time they won their first title. It’s about the moments that stand out and make them smile. Sometimes, it’s the same smile they had when they left the ring, face full of blood and sweat, to the roars of thousands. Sometimes, it’s the smile they tried so hard to hide when anything and everything seemed to go so wrong that even the ring announcer was accidentally injured in their struggle. And sometimes, it’s the smile only the showmen themselves share with each other as brothers in battle with one goal in mind: doing whatever it takes to put on the best show possible, even if it means landing on a few thousand thumbtacks along the way. These are their stories, straight from the Superstars who performed some of the most memorable matches in WWE history. These are the most unexpected, the most brutal, the most hilarious, and the most unforgettable moments of their careers—captured in their own words.***

***John Cena: The Doctor Of Thugamonics - You Can't See Me is the unofficial no holds barred book that chronicles the career, both in and out of the ring, of one of the most polarizing wrestlers in the history of WWE and pop culture. WWE Hall Of Famer Gorilla Monsoon coined the phrase, "The irresistible force meets the immovable object." John Cena, the prototype of the best all around wrestler in WWE History, may very well be the irresistible force AND the immovable object! For over a decade, John Cena has remained a mainstay in the world of wrestling, pop culture and sports entertainment as a whole. He has had just as an impressive career as such wrestlers the likes of Stone Cold Steve Austin, The Rock, David Arquette, Andy Kaufman and others. What are his secrets? How did he get to the top, and stay on top?WWE***

***YES! YES! YES! Daniel Bryan is the real deal. Everyone's favorite underdog, he's proven to the world and to all of WWE that looks can be deceiving.
