THE SUNDAY TIMES TOP 10 BESTSELLER Calum Best should have had it all. As the only son of world-famous footballing legend George Best and his first wife Angie, a gorgeous English model, Calum was born into a world of privilege and opportunity. But his father's fame came at a price, and George's playing career was soon overshadowed by his playboy lifestyle and an increasing dependence on the comforting embrace of alcohol. Whilst his tumultuous later years could never diminish the memories of the peerless, often breathtaking, quality of his football, they had a profound effect on Calum. Growing up with his mother in California, Calum's visits to see his father in England were all too rare, and he cherished every moment he could spend in the company of the man he adored. But as George's alcoholism spiralled out of control, inebriation frequently led to violence and George's self-destruction spilled over onto his son. Vivid, deeply moving, brave and honest, *Second Best* is the heart-breaking story of their relationship. It is a powerful tale of love and suffering, of an absent father and his wayward son, and of a family torn apart by addiction.

A deaf boy and his father share a special time as they watch the sun rise at the beach. *Just Dad and Me* The Fill-In, Tear-Out, Fold-Up Book of Fun for Girls and Their Dads Amer Girl Pub

Little Critter: Just Helping My Dad

A Father and Daughter's Conversation Journal: a Keepsake Journal to Fill in (Perfect for Father's Day Gift)

According to their friends, Tom and Pippa Drummond have the perfect existence - a great lifestyle, a lively marriage, and a great kid in Tally. In their late thirties, living in a converted barn on the edge of the Sussex Downs, Tom is a partner in 'The Pelican', a restaurant in Axbury Minster, and Pippa, after a short career as a cook, grows herbs for sale locally and brings up sixteen-year-old Tally - a lively blonde with her head screwed firmly on to her shoulders. A rare summer holiday is planned - an idyllic retreat in the Italian hills. Tom takes time off from the restaurant, Pippa leaves her herbs in the charge of a dotty neighbour, and Tally takes a break from the two men in her life - fast-living Alex and the plodding, persevering 'Blip'. Tuscany is everything they hoped it would be

From being the envy of their friends, the Drummonds are plunged into a world that nobody would wish upon them.

Little Bear and his dad do wonderful things together such as exploring mountains, swimming in the rain, and telling stories. But best of all, they do everything together! A warm, funny celebration of the special bond between father and child.

Men like John Wayne and Carl Sagan, Nolan Ryan and Bruce Lee, Cesar Chavez, Christopher Reeve, and Miles Davis have touched the lives of millions. But at home, to their children, they were not their public personas. They were Dad. Maybe Davis didn't leave the office at five o'clock to come home and play catch with his son Erin, but the man we see through Erin's eyes is so alive, so real, so not the "king of cool" (he taught his son to box, made

Rob Kenney's father left him and his seven siblings when he was fourteen years old, and the youngest had to fend for themselves. He started a YouTube channel for anyone looking for fatherly advice, and in the course of three months, gained a following of nearly 2.5 million subscribers, with millions of views for his how-to and inspirational videos. In this book, Rob shares his story of overcoming a difficult childhood with the strength of faith and family, and offers inspiration and hope.
