

Katy's Pony Surprise: Book 3 (Katy's Exmoor Ponies)

Katy loves riding her pony, Trifle, and the two of them are constantly performing and showing off their new skills to Katy's family. But Trifle is full of surprises, and even Katy isn't prepared for the discovery in store for her at Christmas time . . .

A beard-related dare and one hot-as-hell kiss changes everything. NFL center Ethan Dexter's focus has always been on playing football and little else. Except when it comes to one particular woman. The lovely Fiona Mackenzie might not care about his fame, but she's also never looked at him as anything more than one of her brother-in-law's best friends. That ends now. Fi doesn't know what to make of Dex. The bearded, tattooed, mountain of man-muscle looks more like a biker than a football player. Rumor has it he's a virgin, but she finds that hard to believe. Because from the moment he decides to turn his quiet intensity on her she's left weak at the knees and aching to see his famous control fully unleashed. Fi ought to guard her heart and walk away; they live vastly different lives in separate cities. And Dex is looking for a forever girl. But Dex has upped his game and is using all his considerable charm to convince Fi he's her forever man.

Katy is very proud of her pony, Trifle, and is sure that they will win lots of rosettes together - just as soon as Trifle learns to behave at shows! Little does she know that there are much bigger challenges in store for them. Will Katy and Trifle have what it takes to become true champions?

Meet Unicorn. With a beautiful mane, a glittering horn and perfectly pink hooves, Unicorn is just like every other unicorn out there. Except for her rainbow poop, of course. Wait - haven't you heard about her rainbow poop? FEATURING: Unicorns, rainbows, dragons, princesses, fairies, silliness, mischief and RAINBOW POOP!

Midnight Escape

The Palomino Pony Comes Home

"A truly exceptional book."—Washington Post There's bad news and good news about the Cutter High School swim team. The bad news is that they don't have a pool. The good news is that only one of them can swim anyway.

Bestselling author Chris Crutcher's controversial and acclaimed novel follows a group of outcasts as they take on inequality and injustice in their high school. "Crutcher's superior gifts as a storyteller and his background as a working therapist combine to make magic in Whale Talk. The thread of truth in his fiction reminds us that heroes can come in any shape, color, ability or size, and friendship can bridge nearly any divide."—Washington Post T.J. Jones hates the blatant preferential treatment jocks receive at his high school, and the reverence paid to the varsity lettermen. When he sees a member of the wrestling team threatening an underclassman, T.J. decides he's had enough. He recruits some of the biggest misfits at Cutter High to form a swim team. They may not have very much talent, but the All-Night Mermen prove to be way more than T.J. anticipated. As the unlikely athletes move closer to their goal, these new friends might learn that the journey is worth more than the reward. For fans of Andrew Smith and Marieke Nijkamp. "Crutcher offers an unusual yet resonant mixture of black comedy and tragedy that lays bare the superficiality of the high-school scene. The book's shocking climax will force readers to re-examine their own values and may cause them to alter their perception of individuals pegged as 'losers.'"—Publishers Weekly An American Library Association Best Book for Young Adults New York Public Library Books for the Teen Age Features a new afterword by Chris Crutcher
