Exemplary Ambivalence fills a critical gap within studies of 19th-century Spanish America as it explores the inconsistencies of exemplary texts and emphasizes the forms, sources, and implications of creole ideological and narrative multiplicity. This interdisciplinary study examines creole writing subjectivities and ethnic fictions within the construction of national, aesthetic, and gendered cultural identities, highlighting the dynamic relationship between exemplary discourse and readers as active interpretive agents.

This study examines the discourses of nationalism as they intersected or clashed with Spanish film production from its inception to the present. While the book addresses the discourses around filmmakers such as Almodó var and Medem, whose work has achieved international recognition, Spanish National Cinema is particularly novel in its treatment of a whole range of popular cinema rarely touched on in studies of Spanish cinema. Using accounts of films, popular film magazines and documents not readily available to an English-speaking audience, as well as case studies focusing on the key issues of each epoch, this volume illuminates the complex and changing relationship between cinema and Spanish national identity.

LOOKING FOR A NAME THAT MEANS SOMETHING SPECIAL TO YOU? Given the dizzying array of choices available, picking the right name for your baby can be daunting. Why waste hours looking through one long alphabetical list of names just to burn out even before you've run through A, B, and C? In this creative twist on the traditional name book, Baby Names Made Easy offers selections organized into categories of meaning, making it easier than ever to choose a name that is significant to you. Traditional or trendy, American in origin or from all over the globe, the names here cover an array of topics. For example, look under: Animals & Insects (and find "Naia" -- Hawaiian for "dolphin") Victory (and find "Vincent" -- Latin for "conquerer") Love & Affection (and find "Mia" -- Italian for "mine") Religion & Faith (and find "Dev" -- Sanskrit for "God") The book's handy alphabetical index makes cross-referencing easy, so you can find the perfect name in no time. Baby Names Made Easy is a practical and one-of-a-kind reference for anyone searching for the most important gift they can give their child.

When this book was first published in 1982, there were approximately eleven million Spanish-speaking people in the United States. This volume constitutes a comprehensive and accessible set of readings on the Spanish spoken in the United States. The authors examine various aspects of language structure and language use by the American Chicano, Puerto Rican and Cuban populations. Chapters include descriptions of language variation, reports of language contact and language change and analyses of the ethnography of language use in bilingual communities with particular emphasis on code-switching. Several chapters explore the educational implications of language structure and language use. This collection will be of interest to a wide range of linguists, anthropologists and sociologists. Bilingual educators and language planners in bilingual communities will find it of particular value and students of sociolinguistics will discover in it the main trends of sociolinguistic analysis usefully exemplified.

As the fastest growing sector of the U.S. music market, world music has embedded itself in the fabric of American life. Artists such as Peter Gabriel, Paul Simon and the Talking Heads have all utilized characteristics of the "world" sound in their music, while international performers are enjoying unexpected fame in the U.S. At the same time, in an era of unprecedented immigration and globalization, people all over the world are using music as way to preserve their local and ethnic identity. Global Minstrels: Voices of World Music is an accessible introduction to international music and culture. Including conversations with dozens of artists from five continents, it explores the breadth of the world music experience through the voices of the musicians themselves. In the process, it gives a unique view of the interactions of a globalizing society and introduces readers to some of the most fascinating and thoughtful artists working on the current scene. Artists profiled include Oumou Sangare, Caetano Veloso, Ravi Shankar, Paco de Lucia, Ladysmith Black Mambazo, and many more.

The description for this book, Person and God in a Spanish Valley, will be forthcoming.

Lucía's little sister Gemma wants to be a luchadora like her big sister, but she is more bumble and splat than pizzazz and seems to find trouble wherever she goes. When Gemma makes a ginormous hole in Lucía's special silver mask, Lucía is incredulous and exasperated at how her little sister seems to get away with everything. But Lucía's grandmother, Abu, has an idea: a trip to the mercado to get Gemma her very own lucha libre mask. There are so many masks to choose from, and Lucía can't resist trying on masks and imagining all the new secret identities she could have if she had endless masks. When Lucía realizes she's misplaced her special silver mask, a frantic search ensues with Gemma's help. Lucía the Luchadora's big heart is on display again in her latest adventure, where she learns that some things, including trouble making little sisters, are one of a kind.

In what follows can be found the doors to a house of words and stories. This house of words and stories is the Archive of New Mexico and the doors are each of the documents contained within it. Like any house, New Mexico's archive has a tale of its own origin and a complex history. Although its walls have changed many times, its doors and the encounters with those doors hold stories known and told and others not yet revealed. In the Archives, there are thousands of doors (4,481) that open to a time of kings and popes, of inquisition and revolution. "These archives," writes Ralph Emerson Twitchell, "are by far the most valuable and interesting of any in the Southwest." Many of these documents were given a number by Twitchell, small stickers that were appended to the first page of each document, an act of heresy to archivists and yet these stickers have now become part of the artifact. These are the doors that Ralph Emerson Twitchell opened at the dawn of the 20th century with a key that has served scholars, policy-makers, and activists for generations. In 1914 Twitchell published in two volumes The Spanish Archives of New Mexico, the first calendar and guide to the documents from the Spanish colonial period. Volume Two of the two volumes focuses on the Spanish Archives of New Mexico, Series II, or SANM II. These 3,087 documents consist of administrative, civil, military, and ecclesiastical records of the Spanish colonial government in New Mexico, 1621-1821. The materials span a broad range of subjects, revealing information about such topics as domestic relations, political intrigue, crime and punishment, material culture, the Camino Real, relations between Spanish settlers and indigenous peoples, the intrusion of Anglo-Americans, and the growing unrest that resulted in Mexico's independence from Spain in 1821. As is the case with Volume One, these documents tell many stories. They reflect, for example, the creation and maintenance of colonial society in New Mexico; itself founded upon the casting and construction of colonizing categories. Decisions made by popes, kings and viceroys thousands of miles away from New Mexico defined the lives of everyday citizens, as did the reports of governors and clergy sent back to their superiors. They represent the history of imperial power, conquest, and hegemony. Indeed, though the stories of indigenous people and women can be found in these documents, it may be fair to assume that not a single one of them was actually scripted by a woman or an American Indian during that time period. But there is another silence in this particular collection and series that is telling. Few pre-Revolt (1680) documents are contained in this collection. While the original colonial archive may well have contained thousands of documents that predate the European settlement of New Mexico in 1598, with the Pueblo Indian Revolt of 1680, all but four of those documents were destroyed. For historians, the tragedy cannot be calculated.

Nevertheless, this absence and silence is important in its own right and is a part of the story, told and imagined. Let this effort and the key provided by Twitchell in his two volumes open the doors wide for knowledge to be useful today and tomorrow. --From the Foreword by Estevan Rael-Galvez, New Mexico State Historian"

In this new book from the series "Lucy's world," our friend Lucy shows to the readers the 26 letters of the Alphabet. She has chosen a word for each letter. And, with each word, Lucy tells us a short storytale, introduces some of her friends and challenges us with a riddle. Do you want to come with Lucy in this amazing trip?

Lucía es la menor de una familia de luciérnagas. Quiere brillar como lo hacen las demás, pero es demasiado pequeña. Por fin, una noche, a Lucía le llega su momento: podrá salir e iluminar el bosque. Hasta que algo la detiene ... Este cuento nos habla de la importancia de brillar con luz propia. Esa luz valiosa que todos llevamos dentro y que nos hace únicos.

Island in the Light / Isla en la luz is a fascinating and insightful compilation that pairs contemporary Cuban visual art and literature by having 30 prominent writers respond to the works of 35 renowned artists. Contemporary Cuban art, literature, and music come together in Island in the Light / Isla en la luz. This bilingual compilation of the works of 35 artists and 30 writers began by selecting artwork by renowned artists and asking prominent writers to create original stories, poems, or essays in response. The result is a thoroughly original and captivating selection of visual arts and literature in dialogue that conveys a sense of the essence and energy of Cuban arts today. Artists represented include Tania Bruguera, Maria Magdalena Campos-Pons, Yoan Capote, Teresita Fernández, Roberto Fabelo, Carlos Garaicoa, and Enrique Martínez Celaya. Among the writers are Wendy Guerra, José Kozer, Jorge Enrique Lage, Legna Rodríguez Iglesias, Achy Obejas, Leonardo Padura, and Reina María Rodríguez. The works are drawn from the Jorge M. Pérez Art Collection; the majority have been gifted to the Pérez Art Museum Miami (PAMM), while the others are promised gifts to PAMM. The volume also includes music: Pavel Urkiza composed original scores inspired by several of the selections that readers link to through QR codes. In addition to the short stories, poems, and essays inspired by the artwork, the volume includes commentary and critical essays by Jorge M. Pérez, Carlos Garaicoa, and Wendy Guerra and Leonardo Padura. Proceeds benefit The Jorge M. Pérez Family Foundation, which will redirect the funds to arts organizations.

This watershed volume brings together the foremost leading authorities and scholars lending their individual voices to a single, urgent issue: literacy for Latino students. In a departure from traditional paradigms, Latinos examine their own lived experiences in U.S. schools and offer sound theories born from positions of expertise and first-hand knowledge as researchers and educators. Their discussions and critical perspectives on literacy for Latino students in grades K–12 touch on the important topics of: Encouraging biliteracy in the classroomConstructing theories of possibilityPromoting critically literate youthOrganizing teaching and learning to students' potentialLinking literacy to lived experiencesAs insiders in Spanish-speaking communities that are often maligned for their children's alleged "failure" in schools, these authors offer hope for children's academic potential as well as evidence showing that integration of native language and culture in supportive learning environments can lead to success in literacy in two languages. Contributors: Alma Flor Ada, Héctor H. Alvarez, María V. Balderrama, Patricia Baquedano-López, Lilia I. Bartolomé, María Echiburú Berzins, Esteban Díaz, Bárbara Flores, María E. Fránquíz, Kris D. Gutiérrez, Bobbi Ciriza Houtchens, Robert T. Jiménez, Eloise Andrade Laliberty, Alice E. López, Roberta Maldonado, Carmen I. Mercado, Luis C. Moll, Rosa Zubizarreta "In this illuminating volume, the authors courageously challenge the assumption of a skill-based English-only literacy for Latinos. By shifting the literacy debate to a sociocultural terrain, they urge readers to confront the prevailing issues of racism, classism, gender, and economic deprivation that characterize the literacy of Latino/Latina students in the U.S. public schools. Simply put, this volume provides readers with the necessary political clarity to understand and appreciate what it means to be literate in the changing multilingual and multicultural world of the 21st century." —Donaldo Macedo, Distinguished Professor of Liberal Arts and Education, University of Massachusetts, Boston

The long-awaited new novel from the author of the global bestseller and modern classic, The Shadow of the Wind. As a child, Daniel Sempere discovered among the passageways of the Cemetery of Forgotten Books an extraordinary novel that would change the course of his life. Now a young man in the Barcelona of the late 1950s, Daniel runs the Sempere & Sons bookshop and enjoys a seemingly fulfilling life with his loving wife and son. Yet the mystery surrounding the death of his mother continues to plague his soul despite the moving efforts of his wife Bea and his faithful friend Fermin to save him. Just when Daniel believes he is close to solving this enigma, a conspiracy more sinister than he could have imagined spreads its tentacles from the hellish regime. That is when Alicia Gris appears, a soul born out of the nightmare of the war. She is the one who will lead Daniel to the edge of the abyss and reveal the secret history of his family, although at a terrifying price. The Labyrinth of the Spirits is an electrifying tale of passion, intrigue and adventure. Within its haunting pages Carlos Ruiz Zafón masterfully weaves together plots and subplots in an intricate and intently imagined homage to books, the art of storytelling and that magical bridge between literature and our lives. For the first time in 20 years or so as a book reviewer, I am tempted to dust off the old superlatives and event to employ some particularly vulgar clichés from the repertoire of publishers' blurbs. My colleagues may be shocked, but I don't care, I can't help myself, here goes. The Shadow of the Wind is a triumph of the storyteller's art. I couldn't put it down. Enchanting, hilarious and heartbreaking, this book will change your life. Carlos Ruiz Zafón has done that exceedingly rare thing - he has produced, in his first novel, a popular masterpiece, an instant classic' Daily Telegraph
