Archangel Oracle Cards

Luigi Tansillo and Lyric Poetry in Sixteenth-century Naples

This full color edition is a carefully researched and insightful guide to the meanings and interpretation of the Gypsy Oracle Cards. While being respectful of the traditional meanings, this book provides expanded modern definitions to help the reader address today's questions about love, relationships, family, work, business and career. This book will help both beginners and experienced card readers develop a deeper understanding of the insights that the Gypsy Oracle Cards reveal.

Written by Europe's first professional woman writer, The Treasure of the City of Ladies offers advice and guidance to women of all ages and from all levels of medieval society, from royal courtiers to prostitutes. It paints an intricate picture of daily life in the courts and streets of fifteenth-century France and gives a fascinating glimpse into the practical considerations of running a household, dressing appropriately and maintaining a reputation in all circumstances. Christine de Pizan's book provides a valuable counterbalance to male accounts of life in the middle ages and demonstrates, often with dry humour, how a woman's position in society could be made less precarious by following the correct etiquette.

This text provides a major study for all those working in the fields of 16th- and 17th-century political and social thought.

Le Corti d'Amore, anche note come La Nuova Cartomanzia, sono carte da divinazione che appartengono alla categoria delle Sibille. La caratteristica che le differenzia da tutti gli altri mazzi, Tarocchi compresi, è la loro spiccata vocazione ai consulti sentimentali. Purtroppo, per , sebbene Le Corti d'Amore siano diffusissime fra gli appassionati di cartomanzia, la letteratura che le riguarda è carente e inadeguata, perché ricalca, non senza forzature, studi originariamente pensati per La Vera Sibilla. Lo scopo di questo libro è colmare tale lacuna, consentendo agli aspiranti cartomanti di avvicinarsi in modo semplice e divertente all'arte della divinazione con le Sibille Corti d'Amore.

Evoking another time and place, this reproduction of a nineteenth-century deck characterizes a bygone era, while offering old-fashioned guidance and wisdom.

A pioneering treatise that aroused great controversy when it was first published in 1725, Vico's New Science is acknowledged today to be one of the few works of authentic genius in the history of social theory. It represents the most ambitious attempt before Comte at comprehensive science of human society and the most profound analysis of the class struggle prior to Marx.

Archangels are very powerful, wise, and loving guides who can motivate and heal you in miraculous ways. This deck of 45 oracle cards by Doreen Virtue will familiarize you with the 15 archangels, give you messages from them, help you to invoke them, and answer some of your important life questions. You'll learn how to give an accurate archangel reading for yourself and others with the help of the enclosed guidebook.

Combines theme and genre analysis in a study of the Italian author, from her first literary writings in the 1930s to her novels in the 1990s.

In this magical novel a count from Milan stumbles upon a desolate community of lost noblemen on an uncharted island off the coast of Portugal. When he discovers, to his astonishment, that their ill-treated servant is in fact a maiden iguana, and then proceeds to fall in love with her, the reader is given a fantastic tale of tragic love and delusion that ranks among the most affecting in contemporary literature. "The reptilian servant is only the first in a series of fantastic touches that transform the narrative into a satiric fable dense with the echoes of Shakespeare's 'Tempest' and Kafka's 'Metamorphosis.' . . . The Iguana is a superb performance." "€"New York Times Book Review

The Iguana

This is the first unexpurgated English edition of Curzio Malaparte's legendary work *The Skin*. The book begins in 1943, with Allied forces cementing their grip on the devastated city of Naples. The sometime Fascist and ever-resourceful Curzio Malaparte is working with the Americans as a liaison officer. He looks after Colonel Jack Hamilton, "a Christian gentleman . . . an American in the noblest sense of the word," who speaks French and cites the classics and holds his nose as the two men tour the squalid streets of a city in ruins where liberation is only another word for desperation. Veterans of the disbanded Italian army beg for work. A rare specimen from the city's famous aquarium is served up at a ceremonial dinner for high Allied officers. Prostitution is rampant. The smell of death is everywhere. Subtle, cynical, evasive, manipulative, unnerving, always astonishing, Malaparte is a supreme artist of the unreliable, both the product and the prophet of a world gone rotten to the core.

'Rewriting' is one of the most crucial but at the same time one of the most elusive concepts of literary scholarship. In order to contribute to a further reassessment of such a notion, this volume investigates a wide range of medieval and early modern literary transformations, especially focusing on texts (and contexts) of Italian and French Renaissance literature. The first section of the book, "Rewriting", gathers essays which examine medieval and early modern rewritings while also pointing out the theoretical implications raised by such texts. The second part, "Rewritings in Early Modern Literature", collects contributions which account for different practices of rewriting in the Italian and French Renaissance, for instance by analysing dynamics of repetition and duplication, verbatim reproduction and free reworking, textual production and authorial self-fashioning, alterity and identity, replication and multiplication. The volume strives at shedding light on the complexity of the relationship between early modern and ancient literature, perfectly summed up in the motto written by Pietro Aretino in a letter to his friend the painter Giulio Romano in 1542: "Essere modernamente antichi e anticamente moderni".

America's most renowned Wiccan shares the beliefs and practices of this sacred feminine spirituality in an introductory book. Welcome to the oldest spiritual tradition in the world. One of the first Wiccan Priestesses to 'come out of the broom closet,' Phyllis Curott has forever changed the perception of Wicca in the Western world. An Introduction to the Petit Lenormand

The Classic Italian Memoir of World War 1

De Ludo Globi

Life of Marcantonio Raimondi and Critical Catalogue of Prints by Or After Bolognese Masters

Non contrarii, ma diversi

For over 150 years, fortune tellers in Europe and Brazil have cherished the Petit Lenormand method for its ability to answer questions on love, family, wealth, career, health and even pets! In this complete and illustrated guide, written by Andy Boroveshengra, who authored the first English courses on the Petit Lenormand, the whole method is explained in easy to understand English. This new edition has been revised and expanded. Topics include the method of distance and direction. With this text, you can learn two practical versions of the famous Grand Tableau, how to describe people and the real meanings of the suits and how they can be utilised in readings. Others spreads include yes and no, fans of five and nine, the pyramid and the 3 x 3. Nothing is left out. Nothing is half explained.

1606: William Shakespeare and the Year of Lear traces Shakespeare's life and times from the autumn of 1605, when he took an old and anonymous Elizabethan play, The Chronicle History of King Leir, and transformed it into his most searing tragedy, King Lear. 1606 proved to be an especially grim year for England, which witnessed the bloody aftermath of the Gunpowder Plot, divisions over the Union of England and Scotland, and an outbreak of plague. But it turned out to be an exceptional one for Shakespeare, unrivalled at identifying the fault-lines of his cultural moment, who before the year was out went on to complete two other great Jacobean tragedies that spoke directly to these fraught times: Macbeth and Antony and Cleopatra. Following the biographical style of 1599, a way of thinking and writing that Shapiro has made his own, 1606: William Shakespeare and the Year of Lear promises to be one of the most significant and accessible works on Shakespeare in the decade to come.

Giovanni Boccaccio devoted the last decades of his life to compiling encyclopedic works in Latin. Among them is this text, the first collection of biographies in Western literature devoted to women.

Gender, Narrative, and Dissonance in the Modern Italian Novel

Gonzaga

Raffaello Borghini's *Il Riposo* (1584) is the most widely known Florentine document on the subject of the Counter-Reformation content of religious paintings. Despite its reputation as an art-historical text, this is the first English-language translation of *Il Riposo* to be published. A distillation of the art gossip that was a feature of the Medici Grand Ducal court, Borghini's treatise puts forth simple criteria for judging the quality of a work of art. Published sixteen years after the second edition of Giorgio Vasari's *Vite*, the text that set the standard for art-historical writing during the period, *Il Riposo* focuses on important issues that Vasari avoided, ignored, or was oblivious to. Picking up where Vasari left off, Borghini deals with artists who came after Michaelangelo and provides more comprehensive descriptions of artists who Vasari only touched upon such as Tintoretto, Veronese, Barocci, and the artists of Francesco I's Studiolo. This text is also invaluable as a description of the mid-sixteenth century reaction against the style of the 'maniera,' which stressed the representation of self-consciously convoluted figures in complicated works of art. The first art treatise specifically directed toward non-practitioners, *Il Riposo* gives unique insight into the early stages of art history as a discipline, late Renaissance art and theory, and the Counter-Reformation in Italy.

Luigi Tansillo is one of the most interesting and representative of the Petrarchist poets active in Naples during the mid-sixteenth century. This study reconsiders his substantial lyric corpus from a variety of perspectives, opening with a survey of the textual tradition and previous critical work on his verse. Four of Tansillo's lyric collections are examined in depth, and read from narrative and thematic points of view. Particular emphasis is placed on the evolution of the collections, by exploring the ways in which very different types of narrative implying different underlying poetics can be constructed using often identical poems. Parallel to this is a consideration of Tansillo's place within the broader literary historical context, and his use of verse as a political and ideological tool in the service of the Spanish viceroy of Naples. These detailed studies of individual poetic sequences are complemented by an analysis of Tansillo's poetic language within the context of Neapolitan reactions to the questione della lingua, and of his contribution to creating a fixed iconology for the representation of jealousy in the Renaissance and Baroque lyric.

This book brings together a number of contributions that throw a new light on the history of Jewish communities in late-medieval and early modern Italy (15th-18th centuries). The different, monographic approaches form a homogeneous interpretation of this history, a collective and original reflection on the question of Jewish minority in a broader (Christian) society. Both the Christian and the Jewish sides are taken into consideration, and an important number of chapters consider concrete situations, Jewish texts and authors very rarely studied in the research on Jewish-Christian relation.

Dialogo Di Pittura

William Shakespeare and the Year of Lear

*Dr Roy Martina has developed a powerful comprehensive healing system called 'Omega healing'. This preventative system has been acknowledged as one of the most powerful healing techniques currently available. It tackles the root cause of problems – not just the symptoms. Balancing the emotional body and returning to our core essence restores us to greater health, ease and happiness. This fantastic CD package collects together some of Roy's most powerful teachings on this subject, along with meditations that will allow you to implement its incredible effects in your life. The first section provides an excellent introduction to Roy's background and how he came to heal himself using his Omega Healing technique. The second section features four incredible meditations that will allow you to heal every aspect of your life. The first provides energy and vitality. The second is a relaxing visualisation for the end of the day. The third helps with releasing feelings. The fourth helps heal traumas in our past lives. These meditations, recorded live in London and exclusively for Hay House showcase one of the brightest new voices in healing. Combining close textual readings with a broad theoretical perspective, *Gender, Narrative, and Dissonance in the Modern Italian Novel* is a study of the ways in which gender shapes the principal characters and narratives of seven important Italian novels of the nineteenth and twentieth centuries, from Alessandro Manzoni's *I promessi sposi* (1827) to Elsa Morante's *Aracoeli* (1982). Silvia Valisa's innovative approach focuses on the tensions between the characters and the gender ideologies that surround them, and the ways in which this dissonance exposes the ideological and epistemological structures of the modern novel. A provocative account of the intersection between gender, narrative, and epistemology that draws on the work of Georg Lukács, Barbara Spackman, and Teresa de Lauretis, this volume offers an intriguing new approach to investigating the nature of fiction.*

Malvasia's life of Marcantonio Raimondi includes Malvasia's critical catalogue of prints by or after Bolognese artists, from Giulio Bonasone to Giovan Battista Pasqualini. A great connoisseur and avid collector of prints, Malvasia recognizes the intelligence and novelty inherent in Giorgio Vasari's life of Marcantonio with its list of prints produced by the Bolognese engraver. In republishing Vasari's life, Malvasia not only adds valuable new information, but also completes Vasari's list by cataloguing all the prints unnoticed by his Florentine predecessor. Aware of the interest of amateurs and collectors in identifying old and new prints, establishing their states, and building up an exhaustive collection, Malvasia undertakes the groundbreaking task of describing, one by one or by coherent series, the whole corpus of prints executed by or after Bolognese masters as far as he could determine. He describes the subjects of these works accurately, transcribes their inscriptions, specifies their techniques (whether engraving, etching, or woodcut), supplying their measurements in Bolognese once. In listing the works of Bonasone, the Carracci, Giovan Luigi Valesio, Guido Reni, and Simone Cantarini, among others, Malvasia often comments on their technical and aesthetic qualities, resorting to a refined and complex terminology that reveals his profound knowledge of printmaking. In her introductory essay, Naoko Takahate explains the historical significance of Malvasia's innovative production of the first extensive print catalogue, shedding new light on the unique context of Bolognese printmaking in the sixteenth and seventeenth centuries. In her notes, Takahatake identifies over eight hundred prints mentioned by Malvasia, almost all of which are reproduced in color in a separate volume. Underscoring the importance of Malvasia's critical catalogue for amateurs and collectors, Carlo Alberto Girotto offers a critical edition of the annotations made by the French art theorist Roger de Piles to his own copy of the Felsina pittrice (now in the library of the Institut

National d'Histoire de l'Art, Paris). At the end of the translation and notes, Lorenzo Pericolo publishes the sections of Malvasia's Scritti originali (Ms. B16, Biblioteca Comunale dell'Archiginnasio, Bologna) relating to Bonasone.

Golden Lenormand Oracle

A rediscovered Italian masterpiece chronicling the author's experience as an infantryman, newly translated and reissued to commemorate the centennial of World War I. Taking its place alongside works by Ernst Jünger, Robert Graves, and Erich Remarque, Emilio Lussu's memoir is one of the most affecting accounts to come out of the First World War. A classic of Italian literature, virtually unknown in the English-speaking world, it reveals, in spare and detached prose, the almost farcical side of the war as experienced by a Sardinian officer fighting the Austrian army on the Asiago plateau in northeastern Italy, the alpine front so poignantly described by Ernest Hemingway in *A Farewell to Arms*. For Lussu, June 1916 to July 1917 was a year of continuous assaults on the Italian trenches, absurd missions concocted by commanders full of patriotic rhetoric and vanity but lacking in tactical skill, and often tragic and sometimes grotesque, where the incompetence of his own side was as dangerous as the attacks of the enemy. A rare firsthand account of the Italian front, Lussu's memoir succeeds in staging a fierce indictment of the futility of the war in an often ironic style that sets his tale wholly apart from the Western Front of Remarque and adds an astonishingly moving chapter to the literature of the Great War.

Learn Lenormand in Seven Days! Author Andrea Green boils down her extensive experience with the original Lenormand Oracle and presents these essential seven steps for you to learn Lenormand in just one week. Andrea has worked with author Lenormand and gave her exclusive access to the research that brought about the revival in Lenormand card reading. Emile Male's book aids understanding of medieval art and medieval symbolism, and of the vision of the world which permeated the building of the French cathedrals. It looks at French religious art in the Middle Ages, its forms, and especially the sources of sculptural iconography used in the cathedrals of France. Fully illustrated with many footnotes it acts as a guide for the student of Western culture.
